2. Consent to a background check of all owners, spouses of owners, and the Designated Local Contact, including providing the information necessary for performing the background check and fingerprinting. The Sheriff's Office has the discretion to waive a fingerprinting if the individual owns 5 percent or less of the business.
3. If the applicant is not the record title owner of the parcel, written consent of the owner of the parcel with original signature and notary acknowledgement. The written consent must be notarized within 30 days of the date that the application is submitted with the County.

The applicant shall be responsible for the cost of the background check. The County may deny an application based on the results of a background check if the County determines that information in the background check makes it more likely than not that any amount of funding for the operation will be or was derived from illegal activity or because the criminal history or other information discovered in the background check of an owner or spouse of an owner weighs against the owner's trustworthiness or ability to run a legal business in compliance with all regulations, including but not limited to the risk of involvement or influence by organized crime, prior convictions involving controlled substances or violent crimes, the likelihood that sales and income will not be truthfully reported, or the risk that cannabis will be illegally provided or sold to individuals under the age of 21.

H. Concentration of commercial cannabis activities and proximity to an existing or proposed commercial cannabis activity shall be considered in determining whether to grant a Commercial Cannabis Use Permit.

I. At a minimum, a Commercial Cannabis Use Permit shall include:

1. The name of all owners.
2. The single commercial cannabis activity authorized in the permit, including any site specific restrictions or conditions of approval under Section 130.51.060 (Conditions of Approval).

4. Condition of approval that the permittee and all owners shall defend, indemnify, and hold harmless the County of El Dorado and its agents, officers, elected officials, and employees for any claims, damages, or injuries brought by affected property owners or other third parties due to the issuance of a permit or the commercial cannabis activities and for any claims brought by any person for problems, injuries, damages, or liabilities of any kind that may arise out of the issuance of a permit or the commercial cannabis activities.
5. Consent for onsite inspection by County officials during the permittee's regular business hours and outside of the permittee's regular business hours if the County has reason to believe that violations are occurring outside of regular business hours.
6. Indication of whether the Commercial Cannabis Use Permit is for approval of a commercial activity involving cannabis for medicinal, adult-use recreational, or both. A single Commercial Cannabis Use Permit may

allow for a commercial activity involving both medicinal and adult-use recreational cannabis provided that the operation is consistent with state law and regulations.

7. Name and contact information for the Designated Local Contact.
8. Condition of approval requiring timely payment of the Commercial Cannabis Activities Tax and all other applicable County taxes and assessments, including providing information related to such taxes and assessments to the County Treasurer-Tax Collector and Assessor upon request.

J. Authorization may not be provided to the appropriate state licensing agency for an annual state license unless the County has issued a Commercial Cannabis Use Permit and Commercial Cannabis Annual Operating Permit.

## **5. Commercial Cannabis Annual Operating Permit.**

A. In addition to a discretionary Commercial Cannabis Use Permit, a person may only conduct a commercial cannabis activity if the person obtains a Commercial Cannabis Annual Operating Permit. When a Commercial Cannabis Use Permit is first issued, the Building and Planning Department shall also issue a Commercial Cannabis Annual Operating Permit, subject to annual renewals. A Commercial Cannabis Annual Operating Permit is valid for one year from the date of issuance and may be renewed after staff-level review with public notice as provided for in Chapter 130.50 (Application Filing and Processing) of this Title.

B. In addition to any other information or documentation requested by the County Planning and Building Department, an application for renewal of a Commercial Cannabis Annual Operating Permit shall include all of the information required for a Commercial Cannabis Use Permit, noting any changes from the information submitted with the original application, and the complaint report required under section 9(B) (Designated Local Contact) below in this section. The applicant must demonstrate continued compliance with all County and state regulations and site specific conditions in the Commercial Cannabis Use Permit or Commercial Cannabis Annual Operating Permit. If the applicant is not the record title owner of the parcel, an updated written consent of the owner of the parcel with original signature and notary acknowledgement must be provided and be notarized within 30 days of the date that the renewal application is submitted with the County.

C. A Commercial Cannabis Annual Operating Permit shall not be issued if the applicant owes any delinquent Commercial Cannabis Activities Tax or any other fines, violations, assessments, fees, costs, or amounts related to the commercial cannabis activity. Prior to issuance, Building and Planning Department shall notify the Sheriff's Office and Code Enforcement of the application and request information on any resolved or pending complaints or violations.

D. If taxes under Chapter 3.22 (Taxation of Commercial Cannabis Activities) for cultivation of cannabis are assessed based on square footage, taxes shall be calculated based on

the maximum square footage stated in the Commercial Cannabis Annual Operating Permit. If a permittee does not intend to cultivate the entire square footage permitted in a Commercial Cannabis Use Permit in any given year, the permittee must request a reduction in square footage in the application for a Commercial Cannabis Annual Operating Permit. Failure to request a reduction in the application will result in taxes being assessed on the square footage stated in the Commercial Cannabis Use Permit.

E. A Commercial Cannabis Annual Operating Permit is not transferrable and automatically expires upon any change of ownership to the applicant that results in a new owner or owners or new funding source. Before or upon the transfer of the business or addition of a new owner, an application for a new Commercial Cannabis Annual Operating Permit must be submitted. While the Commercial Cannabis Use Permit may be transferred, upon issuance of the new Commercial Cannabis Annual Operating Permit, conditions to the Commercial Cannabis Use Permit and Commercial Cannabis Annual Operating Permit may be added or removed. The Director of Planning and Building may require a decision by the Planning Commission to impose any new conditions or remove any existing conditions of a Commercial Cannabis Use Permit or Commercial Cannabis Annual Operating Permit under this subsection consistent with Article 5, Section 130.54.070 (Revisions to an Approved Permit or Authorization).

## **6. Out-of-County Delivery and Distribution of Commercial Cannabis.**

This section applies to any person located outside of the unincorporated areas of the County who delivers or distributes commercial cannabis to a physical location in an unincorporated area of the County as part of a legal commercial cannabis activity. No person operating a commercial cannabis retail or distribution facility located outside of the unincorporated area of the County may deliver or distribute commercial cannabis within the unincorporated area of the County without a valid business license under Chapter 5.08 (License Requirements and Procedure).

B. Cannabis delivery hours in the County are limited to commencing at 8:00 a.m. and ending at 8:00 p.m. Any delivery must be initiated by a customer by 7:00 p.m. These restricted hours apply regardless of whether the sale originates within or outside of the County.

C. The Commercial Cannabis Activities Tax shall be paid for the sale of all commercial cannabis delivered or distributed within El Dorado County regardless of where the retail or distribution facility is located.

Upon revocation, an application for a Commercial Cannabis Annual Operating Permit to reestablish a cannabis operation by one or more of the same owners or operators or at the subject property shall not be accepted for a minimum period of two (2) years. If only the Commercial Cannabis Annual Operating Permit is revoked under this section, reissuance shall be subject to the procedures to issue a Commercial Cannabis Use Permit, including hearing before and decision of the Planning Commission and any new or amended conditions may be added to the Commercial Cannabis Use Permit.

## **8. Monitoring Program.**

All Commercial Cannabis Annual Operating Permits shall require the applicant's participation in a County-run monitoring program. The monitoring program shall be funded by applicants and will be used to conduct site visits and inspections of all commercial cannabis activities and verify compliance, including but not limited to all requirements of County Code and any site specific permit conditions and state regulations, including the State track-and-trace requirements. The Board of Supervisors shall by resolution or ordinance adopt such fees necessary to implement this monitoring program. The annual monitoring program fees shall be collected yearly at the time of renewal of the Commercial Cannabis Annual Operating Permit.

## **9. Designated Local Contact.**

A. No Commercial Cannabis Use Permit or Commercial Cannabis Annual Operating Permit may be issued unless a current name and contact information for a Designated Local Contact is included. The Designated Local Contact must be available by telephone on a 24-hour basis, 7 days per week and be able to respond to the County within two hours and corrective action, if required, must be completed within the time requested by the County.

B. No less than one week before commercial cannabis operations commence, the permittee must notify the property owners and residents of property located within 1,000 feet of the perimeter of the parcel(s) upon which the commercial cannabis operations will occur and provide the name and contact information for the Designated Local Contact. Complaints made to the Designated Local Contact by any member of the public must be responded to within 24 hours of the initial complaint and corrective action, if required under any state or local law or regulation, must commence within a reasonable time based on the nature of the corrective action required. Each retail sale or attempted retail sale of cannabis shall be deemed a separate violation.

F. Notwithstanding section 9.02.390, a request for an administrative hearing under Chapter 9.02 must be made within three days of service of the notice to correct, administrative citation, or notice to abate and the hearing shall be held within five days of the request for a hearing.

G. The decision of the Hearing Officer under section 9.02.440 shall be issued within five days of completion of the hearing.

H. A notice to abate or decision of a Hearing Officer requiring abatement shall provide that, if any plants cultivated under this section are removed as part of the abatement action because they are in excess of the allowable square footage, the responsible person may decide which plants will remain so long as the remaining plants are in compliance with the Commercial Cannabis Annual Operating Permit. The notice to abate shall require the responsible person to identify the plants to remain within the 72-hours provided in the notice to abate or the time provided for in the decision by the Hearing Officer. If the responsible person does not identify the plants to remain in writing within the time provided, the enforcement official shall determine, in his or her sole discretion, which plants will remain.

I. Unless a notice is personally served, any notice provided under this section shall be mailed under Section 9.02.120 and posted conspicuously on or in front of the business or cultivation site, or other place reasonably anticipated to provide notice to the responsible person.

J. The remedies provided herein are cumulative to all other administrative, civil, and criminal remedies now or hereafter available to abate or otherwise regulate or prevent public nuisances or criminal activity.

K. All County officers with authority to enforce this Code shall also have the authority to enforce this section.

**12. No authorization, defense, or immunity.**

The issuance of a permit under this chapter shall not confer on any person the right to maintain a public or private nuisance or to authorize or facilitate any violation of state or federal law. Except for enforcement actions arising out of this chapter, no provision of this chapter shall be deemed a defense or immunity to any action brought against any person by the District Attorney, the State of California, the United States, or any other person. Nothing in this section shall be construed to authorize or facilitate a commercial cannabis activity that is otherwise illegal under state or federal law.

**13. No duty to enforce.**

Nothing in this section shall be construed as imposing on the Sheriff, the District Attorney, or the County any duty to abate any unlawful commercial cannabis activity, to prosecute a violation of County Code, or to take any other action with regard to any unlawful commercial cannabis activity. Furthermore, the Sheriff, District Attorney, County, and any of their officers or employees shall not be held liable for failure to abate any unlawful commercial cannabis activity, to prosecute a violation of this section, or to take any other action with regard to any unlawful commercial cannabis activity.

**14. Ordinance Declarative of Existing Law.**

Article 2, Chapter 130.20 of the El Dorado County Zoning Ordinance provides that only uses specifically enumerated are permitted and, unless an exemption applies, any unenumerated use is not allowed within the County. Nothing in this ordinance shall be construed to legalize any existing commercial cannabis activity currently operating in the County, whether it is operating with or without a business license.

**15. Severability.**

If any section, subsection, subdivision, paragraph, sentence, clause, or phrase of this chapter or any part thereof is for any reason held to be unconstitutional, invalid, or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this chapter or any part thereof. The Board of Supervisors hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase of this chapter irrespective of whether one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases is held invalid or ineffective.

**16. Implementation.**

The Planning and Building Department shall have applications available to the public no later than September 30, 2019. The Board of Supervisors may grant an extension of the time to have permits available or any other aspect of implementation based on a finding of unforeseen circumstances, changes in state or federal law, lack of sufficient funding, or other reason necessitating an extension.

Pursuant to California Government Code section 25125, the amendments to this ordinance shall become effective 30 days from the date of final passage.
