

September 26, 2014

Hi Matt,

Per our conversation today, I've enclosed 2 checks for donations to the Georgetown Airport from the Gold Country Endurance Riders. One is for this year and one to replace the lost check for 2013. We thank you so much for allowing us to use the picnic area at the airport for our endurance ride each year. As we discussed, getting the ruts out of the road into the area would be greatly appreciated.

Thanks,

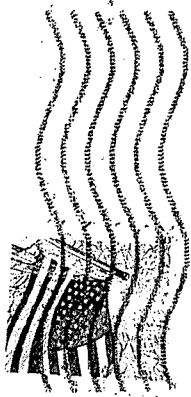

Cindy
