Greetings, honorable Supervisors;

This letter is to thank you for supporting the changes to the El Dorado County Defensible Space Ordinance (currently Ordinance 5205). These amendments will aid the efforts of your Fire Adapted Communities in our efforts to make our neighborhoods safer, more resilient to wildfires, and more prepared for evacuations.

Supervisors Parlin and Turnboo - please consider the safety of your constituents when casting your votes. This is not a property rights issue, but rather a positive step towards protecting our lives, our homes and our property from the ever increasing catastrophic wildfires.

Thank you.  
Sincerely,

Leona Allen
