NOTICE OF INTENT TO ADOPT OR AMEND A CONFLICT-OF-INTEREST CODE

NOTICE IS HEARBY GIVEN that the Indian Diggings SD intends to adopt or amend a conflict-of-interest code pursuant to Government Code Section 87300 and 87306. Pursuant to Government Code Section 87302, the code will designate employees who must disclose certain investments, income, interests in real property and business positions, and who must disqualify themselves from making or participating in the making of governmental decisions affecting those interests.

A written comment period had been established commencing on June 1, 2016 and terminating on July 27, 2016. Any interested person may present written comments concerning the proposed code no later than July 27, 2016 to the Indian Diggings SD. No public hearing on this matter will be held unless any interested person or his or her representative requests no later than 15 days prior to the close of the written comment period, a public hearing.

The Indian Diggings SD has prepared a written explanation of the reasons for the designations and the disclosure responsibilities and has available all of the information upon which its proposal is based.

Indian Diggings SD is proposing to amend our Conflict of interest code for two reasons. First to bring it up to the current standard for our county as our current code has not been amended for several years. Second to adjust for changes in staffing as we have only one full time employee that handles all contracts and spending decisions. Therefore the proposed code will require the Superintendent and board members to disclose interests in real property and investments within the district and business positions or income from businesses that the district may contract with.

Copies of the proposed code and all of the information upon which it is based may be obtained from the Indian Diggings SD. Any inquires concerning the proposed code should be directed to Grant W. Coffin, Superintendent/Principal/Teacher at 530-620-6546 or gcoffin@edcoe.org.
