I have reviewed and am therefore familiar with the map entitled "Community Facilities District No. 2001-1 (Promontory Specific Plan), District Boundary Map, May 2014" ("CFD No. 2001-1") and the property situated within the boundary set forth thereon and identified as follows (the "Subject Property"):

I am familiar with the Subject Property and have examined property ownership records of Standard Pacific Corp., and on the basis of such examination I certify that the Subject Property is owned by Standard Pacific Corp.

I am familiar with and have personally inspected the Subject Property, and I have noted that there are no dwellings thereon that might currently serve as habitation for registered voters.
