

COUNTY OF EL DORADO

HEALTH & HUMAN SERVICES

INTEROFFICE MEMORANDUM

Don Ashton, M.P.A.
Director

Date: February 28, 2014
To: Clerk of the Board of Supervisors
From: Kathryn Lang, Sr. Dept Analyst, Health and Human Services Agency
Subject: Agreement with Jones, Andrade, Boyd dba Mar-Ric Care Home

On July 16, 2013, the Board of Supervisors authorized the Chair to execute Agreement No. 017-S1410, with Jones, Andrade, Boyd, Inc. dba Mar-Ric Care Home via Board item 13-0559 (item 21) to provide residential treatment services for adults who have a serious mental disorder. The Health and Human Services Agency staff worked closely with County Counsel and the Contractor while drafting this Agreement, exchanging several different drafts in the process. Ultimately, the draft that was attached to the Board agenda item and executed by the Chair was not the draft that had been approved by Counsel and the Contractor. The draft that was executed contained a term that was effective upon execution and remained in effect until terminated by one of the parties thereto. The inclusion of this Article was a clerical error and was not intended by either party.

The Agency attempted to correct the error via Amendment; however, we have confirmed with County Counsel that it is appropriate to correct and re-execute the agreement and destroy the originals that had been executed in error. The Contractor has been notified of this error, and has executed two new original agreements, which are included herewith for the Chair's signature. Please include this memo and the appropriate fully executed agreement in the public record, and call Kathryn Lang (x7147) in the Health and Human Services Agency Contracts Unit when the Agreement is ready to be picked up.

Thank you.

A handwritten signature in blue ink, which appears to read "Kathryn Lang".

AGREEMENT FOR SERVICES 017-S1410

THIS AGREEMENT made and entered into by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as “County”), and Jones, Andrade, Boyd, Inc. doing business as (d.b.a.) Mar-Ric Care Home, whose principal place of business is 2749 Lindbrook Drive, Riverbank, CA 95367 (hereinafter referred to as “Contractor”), and whose Agent for Service of Process is Jaime Luz Andrade, 741 Foster Drive, Modesto, CA 95351.

WHEREAS, County has determined that it is necessary to obtain a Contractor to provide twenty-four (24) hour residential services for adults who have a serious mental disorder (hereinafter referred to as “Client” or “Clients”); and

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable Federal, State (all references to “State” in this Agreement shall mean the State of California unless otherwise specified), and local laws; and

WHEREAS, County has determined that the provision of these services provided by contractor is in the public's best interest, and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by County of El Dorado Charter, Section 210 (b) (6) and/or Government Code 31000.

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

- B. Patients served under this Agreement must be age eighteen (18) years or older, and eligible for mental health services in conformance with all applicable Federal and State statutes.
- C. Contractor agrees to furnish the personnel and equipment necessary to provide residential treatment services for mentally disabled adults who are referred to Contractor by the County, pursuant to the laws and regulations of the State of California governing such programs. Functional improvement will be measured by certain mental health and psychosocial health status elements prior to Client’s discharge. A discharge to a lower level of care indicates a positive outcome by the Client’s successful completion and transition from the Contractor’s program to a more independent living environment. Upon request of the County, Contractor shall provide an annual evaluation and conservatorship letter, signed by a physician or psychologist, for any Client.
- F. Contractor shall collect and provide program implementation, financial, and related data and information, including an annual Cost Report, on the activities conducted hereunder and as may be requested by County. At that time, the responsibility for this additional payment will return to the Client/Client’s payee. In the event a bed hold exceeds fourteen (14) days, further authorization requires the approval of the Health and Human Services Agency Director, or designee. County may provide retroactive authorization when special circumstances exist, as determined by the County’s Director of the Health and Human Services Agency, or Director’s designee.

It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies afforded in this Agreement shall be taken and construed as cumulative; that is, in addition to every other remedy provided therein or by law. The failure of County to enforce at any time the provisions of this Agreement, or to require at any time performance by the Contractor of any of the provisions, shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of County to enforce said provisions.

- B. Bankruptcy: This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: Either party may terminate this Agreement without cause in whole or in part upon thirty (30) calendar day's prior written notice to the other party. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination, and for such other services, which County may agree to in writing as necessary for Agreement resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract.
- E. Transfer of Care: Prior to the termination or expiration of this Agreement and upon request by the County or State of California DHCS, Contractor shall assist in the orderly transfer of beneficiaries' mental health care. In doing this, the Contractor shall make available to County or the State of California copies of medical records, patient files, and any other pertinent information, including information maintained by any subcontractor, necessary for efficient case management of beneficiaries, as determined by County. Costs of reproduction shall be borne by the County. In no circumstances shall a beneficiary be billed for this service.
- F. Transfer of Records: In the event that Contractor ceases operation, all files that are subject to audit shall be transferred to the County for proper storage of physical records and electronic data. Contractor shall notify County of impending closure as soon as such closure has been determined, and provide County with a complete list of records in its possession pertaining to County clients and operational costs under this Agreement. County shall promptly advise Contractor which records are to be transferred to the custody of County. Records not transferred to custody of County shall be

properly destroyed by Contractor, and Contractor shall provide documentation of proper destruction of all such records to County.

ARTICLE XIX

Indemnity: The Contractor shall defend, indemnify, and hold the County, its Officers, employees, and volunteers harmless against and from any and all claims, suits, losses, damages and liability for damages of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees,

The Contractor shall immediately notify the County of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the County or State of California, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the County and State.

ARTICLE XXI

Waivers: A failure of County to enforce strictly a provision of this Agreement shall in no event be considered a waiver of any part of such provision. No waiver by County of any breach or default by Contractor shall operate as a waiver of any succeeding breach of the same terms in the Agreement or other default or breach of any of Contractor's obligations under the Agreement. No waiver shall have any effect unless it is specific, irrevocable, and in writing.

ARTICLE XXII

- A. Gratuities and Contingency Fees: The County, by written notice to the Contractor, may terminate the right of Contractor to proceed under this Agreement if it is found, after notice and hearing by the County or the State of California, that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the County or the State of California with a view toward securing a contract or securing favorable treatment with respect to the awarding, amending, or performing of such contract.

This provision is not intended and shall not be construed to limit any expression of a view, opinion, or position of any member of Contractor as an individual or private citizen, as long as State funds are not used; nor does this provision limit Contractor from merely reporting the results of a poll or survey of its membership.

- C. Conflict of Interest Certification: In accordance with State of California laws and State of California Departmental policy, no employees (including Contractors) shall participate in incompatible activities, which are in conflict with their job duties.
