El Dorado and Admitting County agree to maintain the confidentiality of Client information and records as provided by applicable law; notwithstanding, professional records and Admitting County Client information shall be interchangeable between El Dorado and Admitting County to establish and support a high level of clinical services and continuity of care and aftercare services.

ARTICLE VIII

El Dorado shall not use such information for any purpose other than carrying out El Dorado's obligations under this Agreement. El Dorado shall promptly transmit to Admitting County all requests including any subpoenas issued for disclosure of such information not emanating from the Client. El Dorado shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the Client, any such information to anyone other than Admitting County, except when ordered by a court. For purposes of this paragraph, identity shall include, but not be limited to, name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voiceprint or a photograph. Admitting County is a Hybrid Entity under said Act, and El Dorado, a health care provider as defined in HIPAA (Title 45 C.F.R. § 160.103), is a Covered Entity under said Act. Each Covered Entity hereby represents that they are and shall remain in compliance with the rules and regulations of said Act as required by law. Each Covered Entity understands that it has obligations with respect to the confidentiality, privacy, and security of Clients' medical information, and must take certain steps to preserve the confidentiality of this information, including the training of staff and the establishment of proper procedures for the release of such information as required by HIPAA.

The parties acknowledge that the disclosures of Protected Health Information specified herein concern the provision of health care services to, and the treatment of, individuals only. Therefore, pursuant to Title 45 C.F.R. § 164.502(e)(1)(ii)(A), Admitting County and El Dorado are not required to enter into a separate business associate agreement. Although not presently required and to the extent that it may in the future become mandatory that the parties execute a business associate agreement pursuant to HIPAA, such an agreement shall be executed and made part hereof. Failure or refusal of a party to execute a business associate agreement when required by law shall constitute a basis for termination of this Agreement in its entirety.

ARTICLE X

Independent Status of El Dorado: The parties hereto agree that El Dorado, its Contractor Designee, agents, and employees, including its professional and non-professional staff, in the performance of the Agreement shall act in an independent capacity and not as officers, employees, or agents of Admitting County. As such, both are subject to the provisions of Article XVI, § 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that, in the normal course of Admitting County and El Dorado's businesses, they will adopt a proposed budget prior to a given fiscal year but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, either party shall give notice of cancellation of the Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement.

Upon the effective date of such notice, this Agreement shall be automatically terminated and Admitting County and El Dorado released from any further liability hereunder. In addition to the above, should the respective Boards of Supervisors, during the course of a given year, for financial

reasons reduce or order a reduction in the budget for either Admitting County or El Dorado's departments for which services were contracted to be performed, pursuant to this paragraph, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XIII

Default, Termination, and Cancellation:

- A. Default: Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended in the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in subsequent written notice after the time to cure has expired.

- B. Ceasing Performance: Either Admitting County or El Dorado may terminate this Agreement in the event either becomes unable to substantially perform any term or condition of this Agreement.
- C. Termination or Cancellation without Cause: Either Admitting County or El Dorado may terminate this Agreement in whole or in part upon thirty (30) calendar days written notice by either party without cause. If such prior termination is effected, Admitting County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to El Dorado, and for such other services, which Admitting County may agree to in writing as necessary for contract resolution. In no event, however, shall Admitting County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, El Dorado shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise. In the event of termination for default, Admitting County reserves the right to take over and complete the work by contract or by any other means.

ARTICLE XIV

Change of Address: In the event of a change in address for Admitting County's principal place of business, Agent for Service of Process, or Notices to Parties, Admitting County notify El Dorado in writing pursuant to the provisions contained in this Agreement under Article XV, "Notice to Parties."
