Dear Board Members:

We are pleased to support the Mormon Island Relocation Cemetery proposal submitted by the California Prison Authority that is before you on May 24, 2011 that will provide historical accuracy and correct the unjust transgression committed against deceased Californians.

The citizens who are originally laid to rest at Negro Hill, and then relocated to the Mormon Island Relocation Cemetery in 1954, deserve the respect and dignity due to the as pioneers and human beings.

We applaud your willingness to take action on a matter that has long needed correction.

Sincerely,
