Re: PD10-005/ Creekside Plaza

I currently own the property located on the North side of the planned development (4171 Missouri Flat Road) of which my father still resides there (for 70 years) as well as myself. We have NO OBJECTIONS to this project but would only ask that the developer place a fence, wall, or other esthetically pleasing, pedestrian barrier as to keep pedestrians from entering my property.

Respectfully,

John L. Beaver
