CONTRACTOR'S LICENSE CLASSIFICATION: Bidders shall be properly licensed to perform the Work pursuant to the State Contractor's License Act (Business and Professions Code section 7000 et seq.) and shall possess a CLASS A LICENSE or equivalent combination of Classes required by the categories of work to be performed. The Contractor shall be bonded for the full amount of the contract price and shall maintain a valid license through completion and acceptance of the Work, including any warranty period. If the Contractor possesses a Class A license instead of the equivalent combination of classes, the Contractor shall be responsible for obtaining the appropriate Documents and Plans, then the Contractor or a subcontractor must also possess a CLASS C27 Transportation Contractor's license. Failure of the successful bidder to obtain proper and adequate bonding or to maintain a valid license shall constitute a failure to execute the Contract, and shall result in forfeiture of the Bidder's security.
