**TAFF A. FREITAS AND DOROTHY A. FREITAS, HUSBAND AND WIFE, AS JOINT TENANTS**, hereinafter referred to as "Grantor", grant to the **COUNTY OF EL DORADO**, a political subdivision of the State of California, hereinafter referred to as "Grantee", a temporary construction easement over, upon, and across a portion of that real property in the unincorporated area of the County of El Dorado, State of California, described as:

and by reference is made a part hereof.**

This temporary construction easement is granted under the express conditions listed below:

1. 2. Grantor represents and warrants that they are the owner of the property described in Exhibit A and depicted on the map in Exhibit B attached hereto and made a part hereof, and that Grantor has the exclusive right to grant the temporary construction easement.
3. This temporary construction easement is necessary for the purpose of constructing the **US50 / MISSOURI FLAT ROAD INTERCHANGE, PHASE 1C – RIPARIAN RESTORATION, CIP NO. 71346 (Project)**. Specifically, this temporary construction easement shall allow Grantee or its agents, employees, and contractors the right of ingress and egress as may be reasonably necessary for construction purposes, inclusive of such repairs, replacements, and removals as may be from time to time required as well as for other purposes incidental to construction of the project. No stockpiling or parking of vehicles or equipment are allowed to take place in this area. This temporary construction easement shall not be revoked and shall not expire until the recordation of the Notice of Completion of the Project. Included within this temporary construction easement is the right of ingress and egress of Grantee, its agents, employees, and contractors for

warranty repairs and the correction of defects in the work within the first year following completion of construction. This right during the one-year warranty period survives the expiration of this easement.

4. Compensation under this temporary construction easement covers the construction period estimated to be **72 (Seventy-Two) months of construction and maintenance**, together with the one-year warranty period. In the event that construction of the Project is not completed within **72 (Seventy-Two) months** of commencement of construction, Grantor shall be entitled to additional compensation as follows: For each month thereafter, **the sum of \$120.00 (ONE HUNDRED TWENTY DOLLARS AND NO CENTS) monthly** will be paid to the Grantor, until construction is completed.
  
5. Grantee agrees to indemnify and hold harmless Grantor from and against any liability arising out of the entry onto the property by Grantee or its agents, employees, and contractors during the term of this temporary construction easement. In the event of property damage, Grantee, at its sole option, may either repair the damage or pay the estimated costs for the repair.
