
Sec. 12.64.070. Use of personal flotation devices required.

It is unlawful for any person to traverse, travel over or navigate on or in the South Fork of the American River between Chili Bar Dam and the Salmon Falls Bridge and the North Fork and Middle Fork of the American River where each borders the County on an inner tube, or air mattress without wearing correctly a Coast Guard approved personal flotation device; the provisions of this section shall not apply to any vessel as defined in the Harbors and Navigation Code.

(Code 1997, § 12.64.070; Ord. No. 3274, § 3, 1982; Ord. No. 4330, 1994)
