RE: Resignation - Fire Advisory Committee

Shiva,

Please accept this letter as my resignation from the El Dorado County Fire Advisory Committee.

Over the last several years, El Dorado County has had a significant turnover of local Fire Chiefs. While change in leadership at any organization level is always disruptive, these changes allow leaders with new ideas and energy to rise to the top.

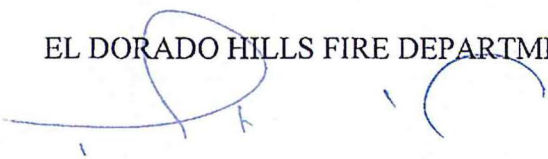

Having served on the Fire Advisory Committee since 2007, I feel that it is time for me to step aside and allow the new leadership of the El Dorado County Fire Chiefs Association, working with the Board of Supervisors, to finally find some permanent solutions to the many issues our local Fire Districts face.

Fire Chief Clive Savacool, President of the El Dorado County Fire Chiefs Association, will be contacting you regarding his recommendation for my replacement on the committee.

If you have any questions, please do not hesitate to contact me.

Sincerely,

EL DORADO HILLS FIRE DEPARTMENT

Thomas M. Keating, Deputy Chief
