RE: Public Records Act request April 22, 2014 – Coloma Emergency Evacuation & Operating Fire Stations in the Coloma Lotus Region

Dear Ms. Lane:

In regards to your Public Records Act request dated April 22, 2014. The County provides the following response:

- 1) A copy of the Emergency Evacuation Plan for Coloma residents on the north side of the South Fork American River and the Mt. Murphy Road Historic Bridge.

The El Dorado County Office of Emergency Services has researched this request and has not located any files entitled "Emergency Evacuation Plan for Coloma Residents."

- 2) Documentation of the operating fire stations currently servicing the Coloma-Lotus region.

I have provided you with two links 1) A list of fire districts in El Dorado County. <http://firedepartment.net/directory/california/el-dorado-county>. 2) A map from the Surveyor's webpage indicating all fire districts in El Dorado County. <http://edcapps.edcgov.us/maplibrary/html/mlallproj.html>

If you have any questions regarding this Public Records Act request, please contact our office at (530) 621-5530.

Sincerely,

Kimberly A. Kerr
Assistant Chief Administrative Officer

Dear Ms. Lane:

Re: California Public Records Act Request – Evacuation Plan

On May 9, 2014, California State Parks ("CSP") received your Public Records Act ("PRA") request for:

- A current copy of the CSP Emergency Evacuation Plan affecting Coloma residents and/or visitors to the Marshall Gold Discovery State Historic Park on the North side of the Mt. Murphy Road Historic Bridge on the S. Fork American River.

CSP has completed a review of its records and found no responsive records. I am informed that the El Dorado County Sheriff and Office of Emergency Services are responsible for planning evacuation plans.

Sincerely,

Rory Allen
Staff Counsel

Rory,

Considering the current drought, heightened fire risk, and the fact that 5 arson fires have been ignited on or within ¼ mile of my property, I'm sure you can understand the need for a timely reply to the attached CPRA.

The influx of seasonal visitors to the Coloma-Lotus region heightens resident concerns about the associated rise in crime, safety and liability factors. Consequently Coloma-Lotus residents have already experienced a flood of break-ins, trespassing and vandalism in recent weeks. It may help to know this has been the topic of many meetings with the Sheriff and other elected officials who essentially continue to 'pass the buck' or remain unresponsive to constituent concerns.

Thanks in advance for your anticipated cooperation.
