El Dorado County  
Board of Supervisors  
Attn: Supervisor Jack Sweeney  
330 Fair Lane, Bldg A  
Placerville, CA 95667

Dear Supervisor Sweeney:

The El Dorado Arts Council, the Gold Discovery Park Association and the Coloma-Lotus Chamber of Commerce would like to thank you and all the Supervisors for helping us acquire the use of Henningsen-Lotus Park for the 1<sup>st</sup> Annual Coloma Blues Live! music festival that took place on June 10, 2006. As you could see from the Coloma Blues Live! Debrief Presentation that took place at the Board of Supervisors meeting on August 22, 2006 – this first-year festival was a raging success. Although it's been just a little over two months since this stellar event, we are already in the planning stages for next year's event, which we plan to have on Saturday, June 9, 2007.

In order for us proceed with our plans to "step up" the talent and continue to grow this event's revenues for both the non-profit organizations involved and County revenues associated with "out of town visitor" hotel/tourism dollars, we would like to increase the park attendee limit from 1,999 to 3,000. According to the Planning Department, we must first receive approvals from the County Board of Supervisors and we must meet several requirements – which are outlined in detail in this letter.

The first request is to ask for your help in *recommending that General Services be directed to perform the steps necessary to approve the use of Henningsen-Lotus Park by the El Dorado Arts Council and Gold Discovery Park Association for the 2<sup>nd</sup> Annual Coloma Blues Live! to be held on Saturday, June 9, 2007; and further recommend a waiver of park permit fees and fees for doing business in the Park.* (This language was contained in item #20 – 06-0260 of the Consent Agenda at your BOS meeting on February 7, 2006 – relating to Coloma Blues Live 2006).

We would also like to seek the Board's approval of our plan to acquire a Special Use Permit – which we understand you need to approve first (conceptually), then the Planning Department will follow up with the request based on our ability to sufficiently adhere to the requirements associated with increasing the attendance allowable in the Park.

The following pages give great detail of the permit particulars that were received from Roger Trout at the Planning Department. We have answered all questions to the best of our ability.

Thank you in advance for your attention to this matter. From all of us at The El Dorado Arts Council, the Gold Discovery Park Association and the Coloma-Lotus Chamber – we truly appreciate your support.

Sincerely,

Mary Carrera

We have secured "back-up" parking locations from the following property owners: Girard Winery, 741 Cold Springs Road, Placerville, CA 95667. Total 75 spaces. - D. An estimate of the minimum and maximum numbers of customers, spectators, participants and other persons .....

**Response:** We request that the limit of total headcount in the Park be increased via this permit process, from the 1,999 in 2006 to 3,000 in 2007. The 3,000 would include sponsors, promotional give-aways, volunteers and food vendors. The minimum number in the park would be 200 (volunteers and vendors) – this minimum would apply if we didn't sell any tickets.

- E. Detailed explanation of the applicant's program, plans and ability to supply potable water and facilities, food supply and facilities, sanitation facilities (including but not limited to sewage, garbage), medical/first aid, vehicle parking space, vehicle access, on-site traffic control, evacuation plans for sick/injured ...

**Response:** At the 2006 event, we had 21 portable toilets (inclusive of handicap) and 5 hand washing stations – the number necessary to handle 2,000 festival goers. The hand washing stations and the portable toilets will be increased - 31 toilets (2 of which will be handicap), and a total of 8-9 hand washing stations. We will acquire food vendors as we did in year one – and water will be sold to patrons, however they can bring in their own supply as well. There is fresh/potable water available at the Park, and permanent restroom facilities.

The event organizers and County Parks made the decision for the 2006 event to make the "festival area" of the Park as self-sufficient as possible and not rely on the park facilities – however those facilities are available for use.

The President of the Coloma/Lotus Chamber – John Tillman, who also owns Sierra Disposal, will be in charge of "sanitation" once again. He will provide a 30-yard dumpster for the main trash receptacle in the back stage area and will supply 60 32-gallon trash and recycle receptacles throughout the festival area. Throughout the day his team will pick up trash and dispose in main dumpster.

First Aid will again be managed by the El Dorado County Sheriff's Department. Last year they brought their mobile unit and staffed this area. The Sheriff's Department will also help with Traffic Control, as they did this year. From the back stage area there is an emergency vehicle space provided with direct access to the festival grounds. If you need to confirm plans with the Sheriff's Department – feel free to contact Undersheriff Fred Kollar at (530) 621-6576 or you can also speak with Lt. Marty Hackett.

- F. A description of all loud speakers and sound equipment to be used and the intensity of the sound, in decibels, at the boundaries of the premises;

**Response:** See decibel reading report from first year <sup>Exhibit I</sup> (attachment 1) - and the following equipment information: Sound system – 7,000 watt power rack. Speaker system – 16 trapezoid speakers each with a 15" and 10" woofer and horn and an additional four 18" sub-woofers. Four zone delay speakers each with 15" woofers and horns powered by 800 watts.

- G. If it is proposed or expected that customers, spectators or participants will remain overnight, the arrangements for illuminating the premises for camping ....;

**Response:** No overnight from patrons – only the Event Organizer in RV/Back Stage Office area, as they did in 2006.

- H. Provisions for cleanup of the premises and removal of rubbish after event;

**Response:** As with the first-year event, Sierra Disposal is on site – with their employees and volunteers removing and monitoring refuse throughout the day. Each receptacle bag, once full, is removed and disposed of in the backstage 30 yard dumpster. The dumpster itself is removed from the Park property on the first business day following the event.

Such other information pertinent to the event as the Board of Supervisors or any officer of the county finds reasonably necessary and required in order to determine whether or not the permit should be granted;

**Response:** The organizers of this event have already proven they can responsibly and very professionally, put on a Blues Festival under the requirements for 1,999 attendees. At the June 10, 2006 event – there were no incidences - no traffic problems, no arrests, and no issues whatsoever.

- J. Name, age, residence, mailing address and telephone number of applicants, and applicant's legal nature, such as individual, partnership, corporation...

**Response:** The El Dorado Arts Council (EDAC), Non-Profit 501C3 – PO Box 2400, Placerville CA 95667; Mary Carrera – Marketing Director (916) 941-9001, EDAC Office phone number – (530) 295-3496. Board President – Beth Peterson.

- K. Financial Statement sufficient to give assurance of the ability of the applicants to meet the conditions of the permit;

**Response:** Copy of recent P&L's from El Dorado Arts Council and Gold Discovery Park Association. ~~(Attachment 2 & 3)~~. Exhibits J and K

- L. A detailed explanation of the applicant's plan for policy for policing prevention of illegal use of alcohol and drug consumption;

**Response:** Any attendee wishing to purchase beer/wine must show proof of ID and are wrist banded. ONLY identified as "over 21" wrist banded patrons may purchase beer and wine. No more than 2 beverages can be purchased at a time. Alcohol sales are cut off approximately 1.5 - 2 hours before the end of the show.

All servers are required to "cut off" anyone who is visibly impaired. Bags, backpacks and purses are searched at the main gate prior to entry – this activity is supported by Sheriff's Department employees and Volunteer Security.

- M. A detailed explanation of the applicant's plans in the event more persons attempt to attend the event than is permitted by the particular permit;

**Response:** If show is sold out prior to "event" day – advertising will cease *marketing* the event – but will be run to state that the show is sold out. The website will also stop taking orders and will be modified to state that tickets are no longer available. Signs will be posted outside the Park stating that the show is sold out. A sufficient amount of security will be posted at the front gates – inclusive of volunteers and Sheriff's Department.

- N. A consent to the entry at any time in the course of his duties of any peace officer and any employee of the sheriff, health officer and any other county officer in the performance of his duties, including but not limited to inspection;

**Response:** Consent fully granted – most organizations are already involved in the event. Henningsen-Lotus Park is a County facility; as such County employees have full access to the facility as part of the normal course of business. The "festival area" is fenced off with construction/orange mesh fencing material so that it is easy to determine what is part of the festival grounds and what is not.

- O. The address of applicant within the state to which all notices and correspondence addressed to applicant shall be directed by the county. Any notice or correspondence addressed and mailed postage prepaid to the address shall be deemed received by applicant.

**Response:** El Dorado Arts Council, PO Box 2400, Placerville, CA 95667

To Whom It May Concern:

On June 10, 2006, we allowed the organizers of Coloma Blues Live! to use the parking lots at Marshall Gold Discovery State Historic Park for the festival goers. It was a well-run event with plenty of parking staff and traffic control.

We will be pleased to offer the use of our parking lots again up to 300 spaces for Coloma Blues Live! on June 9, 2007.

If you have any questions regarding our facilities, please do not hesitate to call me.

Sincerely,

A handwritten signature in cursive script that reads "Mark Gibson".
