**Re: Serrano Village M-4 – TM 05-1393**

Gentlepersons:

Please accept this letter as our request for a continuance of the Village M-4 application to April 1, 2008. This request is based upon three factors:

First, we are working with the objecting neighbors (Van Dyke) as you requested. We have had two meetings and may need a third.

Second, certain misrepresentations have been made to other neighbors within both Green Springs Ranch and our project, and we want to personally address these issues prior to the hearing. We continue to work with the Green Springs Ranch Border Committee, consistent with our past practice, and need to share with them any modification to our project prior to the Board meeting.

Finally, I want to meet with David Storer prior to the Board meeting to clarify certain issues raised in our meetings with our neighbors. Mr. Storer is out of town and unavailable for a meeting prior to Tuesday.

We respectfully request a continuance to April 1, 2008. Please call with any questions.

Best Regards,

Kirk Bone
