

**PROCLAMATION**  
**OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO**  
**PROCLAIMING MAY 17-23, 2009**  
**Emergency Medical Services Week In El Dorado County**

**WHEREAS**, an Emergency Medical Services system provides an integrated and coordinated system to provide optimal care, from emergency medical response to definitive care, for all ill and injured individuals; and

**WHEREAS**, an emergency team is comprised of law enforcement, dispatch, fire/rescue, ambulance services, hospital facilities, and medical personnel, many of whom are unpaid volunteers, who devote their lives to saving the lives of others; and

**WHEREAS**, these teams, including emergency medical technicians, paramedics, nurses, physicians, administrators, and health educators are working together to continuously improve skills; and

**WHEREAS**, on a daily basis emergency medical personnel (e.g., physicians and mobile intensive care nurses) play a central role in providing on-line medical control to prehospital providers and provide and/or assist definitive emergency medical treatment; and

**WHEREAS**, since the creation of the California Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act of 1980, the Emergency Medical Services Authority has existed to provided leadership in the development and implementation of EMS systems in California; and

**WHEREAS**, the El Dorado County Emergency Medical Services Agency is effective in reaching its mission of reducing morbidity and mortality by the integration and coordination of emergency and disaster medical care throughout the County; and

**WHEREAS**, Emergency Medical Services Week seeks to educate the people of El Dorado County in emergency medical services and procedures;

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Supervisors of the County of El Dorado does hereby proclaim May 17-23, 2009, as "Emergency Medical Services Week" and encourage the citizens to increase their awareness of ways to prevent accidents and other emergency incidents and how to use their emergency medical services system when such situations do occur.
