APPEAL BEING MADE TO: Board of Supervisors Planning Commission

ACTION BEING APPEALED (Please specify the action being appealed, i.e., approval of an application, denial of an application, conditions of approval, etc., and specific reasons for appeal. If appealing conditions of approval, please attach copy of conditions and specify appeal.)

Appealing Zoning Administrator decision to approve P 78-0280C on Sept 5, 2007 to abandon the 100' non building easement to replace it with a 15 foot wide drainage easement. The "ditch" is not a drainage easement. It is a more significant wetland, and the applicant is manipulating the 100ft non building easement because he constructed an illegal easement and gazeto in that non building easement. The 100' non building easement needs to remain!
