Why do you seek appointment? I am invested in El Dorado County and appreciate all that it has to offer, which has been instrumental in helping me and my wife chose the county as the place we call home for our family. If accepted, I am interested in serving as a member of the El Dorado County Building Industries Advisory Committee to support the effort of improving the counties building trades industry. It would be my hopes that my voice would be heard and considered in future decisions made by the board of supervisors as it pertains to the development, construction, and growth of our county.
