RE: Accreditation Support Initiative Application

To Whom It May Concern:

The El Dorado County Health and Human Services Agency, Public Health Division, will be submitting an Accreditation Support Initiative application online through the National Association of County and City Health Officials (NACCHO) website by the application's due date of September 28, 2012. This letter serves as notice that submittal of this application is subject to formal approval by the County of El Dorado Board of Supervisors and cannot be considered binding until the Board approves its submittal. Once approved by the Board, a certified minute order will be forwarded to NACCHO thereby formalizing submission of the application and representing the required letter of support.

If you have any questions, please contact Chris Weston, Program Manager II, at (530) 621-6149.

Sincerely,

Daniel Nielson, M.P.A.
Director
