Purpose

The grievance procedure is established for the disposition of complaints by older individuals or persons authorized to act on behalf of older individuals against the Area Agency on Aging (AAA) and employees or volunteers of such programs.

Policy and Guidelines

- 1) Complaints may involve, but are not limited to, any of the following:
 - Amount or duration of service;
 - Denial or discontinued service; and
 - Dissatisfaction with the service being provided or the service provider. If the complaint involves an issue of professional conduct that is under the jurisdiction of another entity, such as the California Medical Board or the State Bar Association, the complainant shall be referred to the proper entity.
- 2) All complaints must be submitted in writing and addressed to the Program Supervisor or AAA Director if the complaint is regarding the Program Supervisor. All complaints must include the name, address, and telephone number of complainant, and if the complaint is being submitted on behalf of another person, the name, address, and telephone numbers of this individual must also be included.
- 3) Complaints must contain the name of the program, the type of service, names of the individuals involved, dates and times of occurrences, names of any witnesses, and details of the event that occurred.

- 5) In the event that the complainant cannot submit a written complaint, a verbal complaint may be taken by staff including all of the requirements in #2 and #3 above. The complainant must sign the complaint.
- 6) **The AAA shall ensure that it protects the privacy and confidentiality of the complainants. The AAA is committed to keeping the privacy of our participants and will only provide approved agencies with necessary information. Only information relevant to the complaint and needed to appropriately research and respond to the complaint may be released to the responding party without the individual's consent.**
- 67) Appropriate AAA staff will review the complaint within fourteen (14) business days of receipt to resolve the issue. Depending upon the severity of the complaint, the AAA Director may be directly involved in the resolution.

- 78) A written response will be sent to all parties after the initial 14 business days, outlining the progress or the results of the review and any changes that will be put in place to prevent the issue from occurring in the future. The written response will also outline the complainant's right to an appeal and the appeal process.
