DIXON RANCH RESIDENTIAL PROJECT

CEQA FINDINGS

Pursuant to Section 15091 and 15093 of the State CEQA Guidelines and Section 21081 of the Public Resources Code

November 17, 2015

The Final Environmental Impact Report (Final EIR) prepared by El Dorado County (County) for the Dixon Ranch Residential Project (project) consists of the Draft EIR and Response to Comments Document on the Draft EIR, including text changes to the Draft EIR identified in the Response to Comments Document. The Final EIR identifies significant environmental impacts that will result from implementation of the project. The Final EIR identified a total of 29 significant impacts; implementation of the identified mitigation measures would reduce 20 of these impacts to less-than-significant levels. The Final EIR identified 9 significant and unavoidable environmental impacts. For several of these significant and unavoidable impacts, feasible mitigation measures have been identified that will reduce these impacts to less-than-significant levels.

Three of these are transportation impacts; mitigation measures have been identified which would reduce the impact to a less-than-significant level, but the mitigation measures may be implemented after project construction, so the Final EIR identified the impact as temporarily significant and unavoidable until each measure is constructed, at which time the impact would be less than significant. Notably, if an improvement is not included in the 10-year Capital Improvement Program (CIP) at the time the first building permit is issued for the project, the project applicant is required to construct the improvement, thereby ensuring that the required improvements will be constructed in a timely fashion. If the improvement is included in the 10-year CIP there may be a temporary period of approximately 10 years or less, during which time the impact is significant and unavoidable. The EIR's conclusion that such temporary impacts are significant and unavoidable (until the improvement is constructed) is extremely conservative. Fair-share contributions to a mitigation fund are adequate mitigation if they "are part of a reasonable plan of actual mitigation that the relevant agency commits itself to implementing." (*Anderson First Coalition v. City of Anderson* (2005) 130 Cal.App.4th 1173, 1187.) The County's Capital Improvement Plan is such a program. There is no requirement in CEQA that an EIR must include a time-specific schedule for the agency to complete the specified road improvements. (*Save Our Peninsula Committee v. Monterey County Board of Supervisors* (2001) 87 Cal.App.4th 99, 140–411 [upholding fee-based mitigation even though there may be temporary impacts while improvements are constructed.] All that is required by CEQA is a *reasonable plan* for mitigation. (*Sacramento Old City Association v. City Council* (1991) 229 Cal.App.3d 1011, 1032.) Thus, in concluding the temporary impacts are significant and unavoidable, the EIR *exceeded* the requirements of CEQA.

The construction and operation of the project will result in significant air quality impacts. While mitigation measures are identified to substantially lessen construction and operation related emissions, these impacts would still be considered significant and unavoidable. The project would also result in a significant and unavoidable cumulative air quality impact. Construction and operation of the project would result in a significant and unavoidable greenhouse gas emissions impact, even

Report Suspicious

Below are my public comments concerning past and present Planning Commissioners Kris Payne and Andy Nevis. Please ensure the entirety of this correspondence, including attachments, are entered into the 6-11-24 BOS Open Forum.

###

I'm addressing a response from former Planning Commissioner and Taxpayers President, Kris Payne, that was addressed to the BOS. His reply is further proof of his instability, Democrat ideology, and inability abide by the law.

It is insanity for Mr. Payne to even suggest that I apologize for the exercise of my First Amendment rights and exposing the works of darkness to the light of Truth. It is Kris, not I, who continues to violate the law with reckless abandon. Mr. Payne's libelous and inappropriate conduct is precisely what is grinding America down.

As a reminder, the TPA Bylaws clearly state the directors are required to abide by **all local, state, and Federal laws—no exceptions.**

It is a fact that Kris colluded with other public officials to harass, censor, threaten, discriminate, libel, slander, and persistently engage in the defamation of my good name and reputation in retaliation for whistleblowing about government corruption.

By law, Human Resources cannot respond publicly to personnel matters. However, it is my civic and moral duty *to exercise my First Amendment right to publicly address these issues and demand that government representatives take appropriate action to discipline and/or dismiss those who abuse the public trust and violate their oaths of office such as Kris Payne has blatantly done.*

Notification of legal responsibility is the first essential of due process of law. Formal complaints, supported by un rebutted notarized affidavits containing truth, facts, valid evidence, and law, were filed against Kris Payne, Todd White, and Andy Nevis for depriving me of the blessings of freedom. My complaints, based upon the authority of the United States Constitution and Bill of Rights, have been entered into the public record.

With regard to documents addressing the dishonesty of TPA directors and EDC public representatives, Andy Nevis had no lawful authority to conspire with other public officials under the color of law to deprive me of First Amendment rights.

The public is entitled to honest services. I have zero tolerance for dishonesty such as Mr. Payne and Mr. Nevis have demonstrated against me. The county must now take appropriate action to dismiss planning commissioner Andy Nevis in order to minimize the risk of another lawsuit at taxpayers' expense.

Mr. Payne, et al,

Your reply further exemplifies proof of your instability, Democrat political ideology, and inability abide by the law.

It is insanity for you to even suggest that I apologize for the exercise of my First Amendment rights and exposing the works of darkness to the light of Truth. It is you, not I, who continues to violate the law with reckless abandon. Your libelous and inappropriate conduct is precisely what is grinding America down.

As a reminder, the TPA Bylaws clearly state the directors are required to abide by **all local, state, and Federal laws—no exceptions**. You are aware that I am a third-generation evangelical conservative senior citizen, retired more than ten years from working for Capitol legislators. It is a fact that you have colluded with other public officials to harass, censor, threaten, discriminate, libel, slander, and persistently engage in the defamation of my good name and reputation in retaliation for whistleblowing about government corruption.

By law, Human Resources cannot respond publicly to personnel matters. However, it is my civic and moral duty *to exercise my First Amendment right to publicly address these issues and demand that government representatives take appropriate action to discipline and/or dismiss those who abuse the public trust and violate their oaths of office such as you have done.*

Notification of legal responsibility is the first essential of due process of law. Formal complaints, supported by unrebutted notarized affidavits containing truth, facts, valid evidence, and law, were filed against you, Todd White, and Andy Nevis for depriving me of the blessings of freedom. My complaints, based upon the authority

of the United States Constitution and Bill of Rights, have been entered into the public record. As stipulated, your failure to respond to any of the claims and averments with which you disagreed within 14 days, by submitting your own notarized affidavits using truth, facts, valid evidence, and law, constitutes your **irrevocable admission to all the claims and averments**. An un rebutted affidavit stands as truth before any court in America. See: *U.S. v. Tweel*, 550 F. 2d. 297. "*Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading.*"

Under SB 807, California law requires that such documented complaints must be investigated and retained in the employee's personnel file for a minimum of four years. In the event of a lawsuit, an employer may be required to produce these records. Failure to do so can lead to fines and other adverse actions. **Accordingly, Todd White was dismissed as George Turnbo's administrator, and you were recently dismissed as a Planning Commissioner.**

Please re-read the attached documents addressing the dishonesty of TPA directors/EDC public representatives. Andy Nevis had no lawful authority to conspire with other public officials under the color of law to deprive me of First Amendment rights. (See US GC Title 18, Sections 241 & 242 which are Federal crimes.) **Andy's letters were without any lawful authority and contained multiple falsehoods.** Note that Stacy Walls never filed a complaint with the PD as Andy falsely asserted. Additionally, my timely public response to his other false allegations is contained in the un rebutted affidavit which was publicly submitted to the BOS and EDC HR director, as well as to the CA Water Resources Control Board. Thus far Andy Nevis has failed to appropriately respond to two affidavits, thus he admits to all my claims and averments. Consequently, HR is required under SB 807 to investigate and take action to discipline and/or dismiss Andy.

Lastly, the public is entitled to honest services. I have zero tolerance for dishonesty such as you, and other TPA directors, continue to demonstrate against me. Furthermore, **the county's Bonding Insurance Policy stipulates exceptions to liability coverage:**

c. Acts Of Officials, Employees Or Representatives

Loss resulting from "theft" or any other dishonest act committed by any of your officials, "employees" or authorized representatives:

**(1) Whether acting alone or in collusion with other persons;
or**

(2) While performing services for you or otherwise;

except when covered under Insuring Agreement A.1. or A.2.

When the BOS have knowledge of wrong-doing, but fail to take appropriate disciplinary action, then they become complicit and liable. In other words, your repeated "dishonest acts" as a government representative represents a risk management issue requiring the county fire you and Todd White, thus you become personally liable for all court costs and charges brought against you. The same precepts apply to Andy Nevis and others who continue to unethically use the TPA for their own personal and/or political benefit against a law abiding, conservative, tax paying citizen, namely me.

Subject: Re: Taxpayers Association outside of the law

Melody,

It is counter-intuitive to me, for you to continue to berate an organization and its leadership through multiple years of engagement. I am not sure why you continue to express yourself so negatively and argumentatively. I have responded to [Reply All](#) for complete transparency and to allow those that you included to hear my complete response.

For your information on March 12, 2024, I sent the Taxpayers Association of El Dorado County Board of Directors the following email under the **Subject: Administrative Record of Melody Lane TPAEDC Membership Suspension.**

"FYI. During yesterday's TPAEDC Business Meeting (March 11, 2024), today at Board of Supervisors' Open Forum, and during various social media postings over the past couple of months, Melody Lane has announced that she is a member of the Taxpayers' Association of El Dorado County. She has attempted through multiple instances to confuse the issue by pointing her finger at individuals/officials of TPAEDC and stating that her check was accepted and that we have no right to deny her involvement in TPAEDC. She is incorrect!

Official action was taken incrementally and progressively to Suspend Melody Lane (See attachments.) The Administrative Record is clear, she is not a member."

With this enclosed email, I again attach the 3 individual pieces of correspondence that I now directly attach as a reminder to you and the Reply All and others as the Administrative Record of your Membership Suspension and the basis of your current suspended status. By reading each piece of correspondence in order of date sent, you can clearly understand why TPAEDC is not going to allow you to submit a membership application and check for membership reinstatement only based on your interest in doing so. There has been times during my tenure as President, since January 1, 2024 when I have thought you have made progress at Monday meetings to behave yourself and to build support among some of the Board of Directors to consider reinstatement (2/3 of Board of Directors present, quorum present) only to have you digress during BOS meeting Open Forum, the very next day, again

berate the organization and current and past leadership. This is not a successful strategy on your part as would be a written apology and public statement of your intent to continually meet the TPAEDC Bylaws and Policies and Procedures, which is not something from your June 8, 2024 email demand that I expect from you.

Sincerely,
Kris Payne
President of TPAEDC

Kris Payne, President
Taxpayers Association of EDC
P.O. Box 2023
Placerville, CA 95667

Dear Mr. Payne, et al,

You are aware that I have been a member of the Taxpayers Association since 2008. It has come to my attention that you are surreptitiously conducting meetings with other TPA directors concerning my membership which was illicitly revoked in 2021 stemming from a 2020 TPA incident involving Sheriff D'Agostini and his former EDSO clerk, Stacy Walls. The matter of my illicitly revoked TPA membership was a total fabrication based upon **you, Todd White, and Andy Nevis colluding with Sheriff D'Agostini** in retaliation for holding his feet to the fire"--just as the Sheriff encouraged me to do when we met in 2011 → "You need a new Board [of Supervisors]. All of them. **Hold their feet to the fire. Mine too; I work for you.**"

I've attached the first un rebutted affidavit addressed to Andy Nevis for public perusal. Note it includes the transcript of the dialog that took place after the 2020 TPA meeting adjourned when I **silently and lawfully** exercised my 1st Amendment rights by serving Sheriff D'Agostini with three affidavits concerning EDSO misconduct. Notification of legal responsibility is the first essential of due process of law. The Sheriff's retired former EDSO clerk, Stacy Walls, unlawfully grabbed the affidavits that D'Agostini rejected and tossed onto my table. It was Sheriff D'Agostini, Kris Payne, and Stacy Walls who created the disturbance--**not me**. Stacy and her daughter then created an unnecessarily melodramatic scene by holding up their hands and repeatedly shouting "Back up!" when I never even approached them.

Additionally, Andy Nevis falsely claimed in his correspondence that Stacy Walls and her daughter filed a report against me with the Placerville Police Department. Upon looking into the matter, the PD informed me they had **no record of a case report filed against me**. As you can see by the transcript, Sheriff D'Agostini participated in that dialog when it was clearly evident that I did absolutely nothing wrong by exercising my civic duty to "hold his feet to the fire." In other words, they LIED.

FYI, it is common knowledge that D'Agostini's daughter has a substance abuse problem. I never met her, therefore I inquired of the Sheriff whether the heavy blond seated across the table from me was his daughter.

As stated in the affidavits addressed to you, Todd White, and Andy Nevis, I was well within my First Amendment rights. I did absolutely **nothing wrong** to warrant the illicit revocation of my TPA membership, nor do you have any lawful authority to conspire with other public officials to act as my judge, jury, and executioner for the purpose of impugning my good name and reputation. (See: *Miller v. U.S.*, 230 F.2d.

486,489 "The claim and exercise of a Constitutional right cannot be converted into a crime." See also USC 18 § 241 and USC 18 § 242, respectively Conspiracy Against Rights and Deprivation of Rights Under Color of Law.)

Furthermore, you have no lawful authority to harass, slander, discriminate, and deprive me--a **third generation evangelical**—of the blessings of liberty such as you did again during the June 3, 2024, TPA business meeting. At that time you stated in the presence of 22 witnesses, "*Why would anybody want you to be part of this organization where you say negative things constantly about our organization?*" I make no apologies for exposing the works of darkness to the light of TRUTH, as per Ephesians 5:11, which is consistent with the TPA Whistleblower Policy and my 1st Amendment rights.

I responded, "*What you are doing is retaliating for whistleblowing, and that is a fact. It is a matter of public record, and every individual in this room has the right to read the documents that have been entered into the public record and handed to the Secretary of this organization. Again, you have committed fraud and have done some of the same things that Todd White did that got him fired as Turnboo's admin and which also got you fired as a Planning Commissioner.*" Kris, you can't argue with the facts! You have a moral obligation to set the record straight, especially with new members of the Association who are entitled to know the truth.

Another example of your harassment was your crazy, slanderous rant during the 4/17/23 TPA meeting after I confronted your false remarks regarding my membership status, "*Don't point at me! Don't point at me! Don't point at me!*" *You shouldn't be attacking me. I can't believe it. I've never seen anybody like her that treats us so disrespectfully. You are terrible to us! I've worked my ass off for you. You have not worked with me even when I've supported you. Oh my God! I'm older than you. I can't take this! This is terrible! You're horrible! I'm a senior and I'm still working for the county. You're not working for the county. You won't work for the county. Why do you treat us so bad? Why don't you do something for the county? It's so bad the way you treat us. You don't respect us. You are terrible! You're mad because I wouldn't let you talk at the Planning Commission meeting, but you wanted to go early and wouldn't wait till the end."* Meanwhile Planning Commissioner Andy Nevis video recorded our exchange with his cell phone.

Kris, on multiple occasions you have publicly lied, discriminated, harassed, and slandered me in the presence of multiple witnesses. It is documented that you have also conspired with Andy Nevis, Todd White, and others against my rights and under color of law which is a federal crime. (See USGC Title 18, Sections 241 and 242.) This excerpt from one of the Todd White affidavits provides further clarity on the issues involving your unlawful actions and conspiracy against my rights:

2. The public is entitled to honest services. Whether by your own volition, or under the direction and influence of Andy Nevis, President of the Taxpayers Association, you conspired with others to deprive me of honest services and the exercise of my right to access records. In particular was your refusal to provide me with the minutes identifying the participants in the **illicit tribunal held at the request of Andy Nevis** on January 9, 2021, at Ponderosa High School pertaining to the November 5, 2020, incident during the Taxpayers Association meeting involving Sheriff D'Agostini and his former staff member, Stacy Walls. **At that time the Sheriff, Kris Payne, and Ms. Walls and her daughter had created a scene when I lawfully, and silently, served the Sheriff with three notifications in the form of Affidavits of Truth relevant to EDSO misconduct.** I have a right to know who my accusers are, and it is my understanding that you participated in the illicit January 9th tribunal for the specific purpose of my character assassination. As Secretary of the Association, you are required to maintain minutes of all meetings, including names of participants, and make them available for public inspection.

My claims, statements and averments also pertain to your actions taken regarding your failure to provide honest public services, pursuant to your oaths. By refusing me access to records and failure to

respond to my inquiries, you extended no due process of law whatsoever to me, yet by your unconstitutional actions, as described herein, you harmed me in direct violation of your oaths. Your repeated deprivations of my right to lawfully access records and your discriminatory actions against me, a law-abiding American Citizen dwelling in El Dorado County, are a direct assault upon my due process rights secured by the First Amendment.

It is documented that you, Todd, and Andy have repeatedly violated the law and continue to gaslight me. The TPA directors have no authority whatsoever to censor me or deprive any **tax paying citizen** the blessings of freedom and benefits of membership. As long as the TPA directors do nothing to take corrective action, then the corrupt status quo will be maintained.

The TPA is required to abide by all local, state, and Federal laws. Even though Todd never kept TPA records as required by the Association bylaws, I have meticulously retained audio recordings of all meetings and written TPA correspondence. On several occasions I even offered to replace Todd as Secretary to ensure records were properly maintained. Additionally, Andy Nevis has posted videos of TPA meetings which are valid PUBLIC RECORDS of what transpired, and pertinent legal aspects have been entered into the BOS public record. However, all TPA members are entitled to know the facts that have placed the Association in jeopardy of losing its 501(c)4 status due to the illicit actions of its directors whose intent appears to operate more like a secret society.

On June 3, 2024, you admitted to me in the presence of Gay Willyard, that you have read all my correspondence. It is apparent you choose to ignore the facts contained in those documents; therefore, you are in violation of the TPA ethics, bylaws, policies and procedures. Since public officials are also TPA members, that means they are complicit and liable. You witnessed Gay express her hostility for exposing her involvement in the illicit affairs of the TPA, especially the January 2021 meeting spearheaded by Andy Nevis and held at Ponderosa High School for the purpose of my character assassination.

You also acknowledged that I publicly submitted to the BOS and HR director Joseph Carruesco notarized affidavits accompanied by formal complaints against you, Todd White, and Andy Nevis. As I clarified, under SB 807, California law requires that documented complaints, such as those filed against you, be investigated and retained in the employee's personnel file for a minimum of four years. In the event of a lawsuit, an employer may be required to produce these records. Failure to do so can lead to fines and other adverse actions. Furthermore, HR is required by law to act upon those complaints by taking disciplinary measures, up to and including dismissal from employment. As I thoroughly explained to you, a notarized affidavit is the first essential of due process of law. You, Todd, and Andy failed to respond to all my claims and averments in the affidavits, therefore you admitted to all the charges. An un rebutted affidavit stands as truth before any court in America. As I further explained, all my affidavits contain the following valid statement:

If you disagree with anything stated under oath in this Affidavit/Declaration of Truth, then rebut to me that with which you disagree, with particularity, within fifteen (15) days of receipt thereof, by means of **your own written, notarized affidavit of truth, based on specific, true, relevant fact and valid law to support your disagreement**, attesting to your rebuttal and supportive positions, as valid and lawful, under the pains and penalties of perjury under the laws of the United States of America and this state of California. An un-rebutted affidavit stands as truth and fact before any court. **Your failure to respond, as stipulated, is your tacit agreement with and admission to the fact that everything in this Affidavit/Declaration of Truth is true, correct, legal, lawful, and is your irrevocable admission attesting to this, fully binding upon you in any court of law in America, without your protest, objection and that of those who represent you.**

Other matters that need to be immediately and transparently addressed by the TPA are as follows:

1. It is a matter of public record that you and Todd White colluded to unlawfully direct Mark Pappas to withhold his letter of resignation until after the December tally of ballots. That constitutes election fraud-- same as Todd White—in addition to violations of local, state, and federal laws.
2. Additionally, you violated the law by obstructing, rejecting, and returning my USPS correspondence addressed to Treasurer Jim Alderink. On multiple occasions the TPA has either held my checks for more than 6 months or returned my USPS mail. On June 3rd you also ordered the Treasurer to hold my cash payment. That constitutes mail fraud which is a federal crime. (See **18 U.S. Code § 1702 - Obstruction of correspondence** and **18 U.S. Code § 1701 - Obstruction of mails generally**)
3. Ignorance is no excuse for the law. The Treasurer has a fiduciary requiring him to abide by all local, state, and federal laws. Once a payment is accepted, as Mark Pappas and Jim Alderink did twice, it is considered recorded. However, under your specific direction Mark unlawfully held my check for more than six months, in which case the bank will no longer cash the check, nor was it returned to me. Instead, Mark “passed the buck” to Jim Alderink, *“I need to let Jim know that I am passing the check onto him and it will be up to him to handle it.”* As stated previously, I have been a paid member of the Association since 2008. On numerous occasions my checks have been cashed, meanwhile I’ve been fraudulently deprived benefits of membership; my checks have been returned for no valid reason; or my checks have deliberately been held in excess of six months, in which case the bank will no longer honor the check. As your ethics training should have taught you, that constitutes fraud by the entire Association. **Fraud vitiates any action.** See: *U.S. v. Tweel, 550 F. 2d. 297.* - *“Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading.”* Consequently, Mark Pappas needs to make good his resignation and be replaced immediately as a director as per the Bylaws. You and Jim Alderink also need to be held accountable for your unlawful handling of my TPA correspondence and dues.
4. Lastly, you and Carol Louis were both witnesses to Al Hamilton’s threat during a TPA meeting to “destroy” my reputation as described in Lori Parlin’s notarized affidavit. That speaks volumes about the history of EDC/TPA corruption. This recent email from a mutual friend speaks for itself, *“Mark has shared that things are going WAY downhill in our local government. He is giving some serious consideration to running for a position in our local government. **He also told me that he disagreed with the Taxpayer Association censoring you and not allowing you to renew your membership. He said you definitely have some enemies looking to destroy you. We cannot let that happen!”***

Kris, you are NOT above the law. I’ve publicly brought this to the attention of the directors on numerous occasions; therefore, law requires they publicly address your violations of the TPA Bylaws, Member Ethics, and various policies & procedures, including the Conflict of Interest Policy, Records Retention Policy, Whistleblower Policy, and Non-Discrimination Policy.

Sincerely,

Melody Lane

This Affidavit/Declaration of Truth is lawful notification to you, Andy Nevis, and is hereby made and sent to you pursuant to the national Constitution, specifically, the Bill of Rights, in particular, Amendments I, II, IV, V, VI, VII, IX and X, and The Bill of Rights of the California Constitution, in particular, Article 1, Sections 1, 2, 3, 9, 10, 11, 21, 23 and Article 3, section 1, which requires your written rebuttal to me, in kind, specific to each and every point of the subject matter stated herein, within 15 days, via your own sworn and notarized affidavit, using true fact, valid law and evidence to support your rebuttal of the specific subject matter stated in this Affidavit/Declaration.

You are hereby noticed that your failure to respond, as stipulated, and rebut, with particularity and specificity, anything with which you disagree in this Affidavit/Declaration, is your lawful, legal and binding tacit agreement with and admission to the fact that everything in this Affidavit/Declaration is true, correct, legal, lawful, and fully binding upon you in any court in America, without your protest or objection and that of those who represent you. any other form of valid, lawful authority, to oppose and violate the very documents to which you swore or affirmed your oath and by which you were delegated by the people the limited authority to conduct the duties of your office. These three above stated positions are true, factual, lawful and constitutionally ordained.

However, despite the above-stated factual, lawful positions, your unconstitutional actions, as described throughout this Affidavit/Declaration of Truth, clearly demonstrate how you, Andy Nevis, have violated all of the above lawful positions, the Constitutions, your oath of office, acted against the public good by violating the public trust and committing sedition and insurrection. Pursuant to your unlawful and unconstitutional actions, you have invoked the self-executing Sections 3 & 4 of the 14th Amendment to the national Constitution, and thereby have lawfully vacated your office and forfeited all benefits thereof, including salary and pension. Please note that, as stated above and below, if you fail to specifically rebut, in kind, any of the charges, claims and positions set forth in this Affidavit/Declaration, by means of your own sworn notarized Affidavit, supported by truth, fact, valid law and evidence, then you tacitly admit to them, and these admissions will be lawfully used against you. The following paragraphs and others throughout this Affidavit/Declaration describe some of your unlawful, unconstitutional actions, which have harmed me and others:

1. You, Andy Nevis, are a public servant employed by the CA Water Resources Control Board and whose salary is paid for via my taxes, therefore you work for me and the other tax paying Citizens of El Dorado County.

"The Oath of Office is a quid pro quo contract in which clerks, officials, or officers of the government pledge to perform (Support and uphold the United States and State Constitutions) in return for substance (wages, perks, benefits). Proponents are subjected to the penalties and remedies for Breach of Contract, conspiracy under Title 28 U.S.C., Title 18 Sections 241, and 242, treason under the Constitution at Article 3, Section 3, and intrinsic fraud..."

All actions by public employees whether conducted in the performance of their official duties, or in associated activities such as your role as President of the Taxpayers Association of El Dorado County, either support and defend the national and state Constitutions, or oppose and violate them. All public employees must demonstrate the highest standards of morality and ethics consistent with the requirements of their positions and consistent with the law. You are expected to uphold these principles, being **ever conscious that public office is a public trust**. Any enterprise undertaken by any public employee, such as you, which tends to weaken public confidence and undermines the sense of security for individual rights, is against public policy. Fraud, in its elementary common-law sense of **deceit**, is the simplest and clearest definition of that word. By your actions, you have committed fraud on numerous occasions, as herein described. You have failed on numerous occasions to provide honest public

services relevant to your duties as a public employee and also acting as President of the Taxpayers Association, which actions are described throughout this document. Furthermore, you have conspired with Directors of the Taxpayers Association and other public officials to censor me and maliciously impugn my good name and reputation solely because I have had the temerity to exercise my rights and civic duty to challenge those who brazenly dare to infringe on my God-given liberties and violate rights guaranteed in the state and national Constitutions which are guaranteed to the people, in the instant case, me.

In so doing, you perjured your oath by violating my Constitutionally guaranteed Rights, particularly those secured in the Bill of Rights, including but not limited to my 1st Amendment Rights. By your unlawful actions, you acted in sedition and insurrection against the Constitutions, both national and state, and in treason against the People, in the instant case, me. *See: USC Title 18, § 241- Conspiracy Against Rights.*

2. You have publicly professed your aspirations to run for public office, yet you have used and abused the Taxpayers Association to further your own political platform. As such, your personal interests present a conflict of interest which is against the Bylaws and Policies and Procedures of the Association. Since December 9, 2019, you have presided as President of the Taxpayers Association of El Dorado County. At that time you publicly stated, *"If we are going to be holding government accountable, then we need to make sure our internal process is as tight as possible. My plan was to bring this up at our first Business Meeting in January, but you have my pledge that it will definitely be an important topic."* Mr. Nevis, that internal process requires your own adherence to the following Bylaws and Policies and Procedures:

The Object of the Taxpayers Association of El Dorado County is the creation and maintenance of a forum within which to study the issues of government and the **problems of those who are governed**. This shall occur through an ongoing weekly discourse that will be open to members of the Association, the public and those who govern. These discussions shall be directed by the Association in an effort to educate all taxpayers as to the **current issues**, how they may be affected, how to **reveal** and **understand** the true costs of government, and to encourage awareness of **individual responsibility**. The Association shall monitor and be involved in the process of governance to help insure that the **blessings of freedom** shall be forever perpetuated." [Emphasis added]

The organization shall be governed by its Articles of Incorporation, Bylaws, Policies and Procedures, Standing Rules, Special Rules, and Resolutions. **It shall adhere to and comply with all applicable Federal State and local laws, codes, regulations and ordinances**. The organization shall strive to operate in a manner consistent with nonprofit best practices and shall **maintain all records** required to be **made available for public inspection**. The organization shall maintain a written **Conflict of Interest Policy, Non-Discrimination Policy,**

Records Retention/Destruction Policy, Whistle Blower Policy, and Mid-Term Director Replacement Policy. [Emphasis added]

You are cognizant that I have been a paid General member of the Taxpayers Association of El Dorado County since 2008: You are also aware that prior to retiring, I was employed by Capitol legislators and actively involved in Capitol ministries, as well as founding in 2009 the whistleblower organization, **Compass2Truth**. The Association is open to the general public and frequently attended by public officials, many of whom are the guest speakers. It is a matter of public record that I have been actively holding local officials' "feet to the fire" for violating their Constitutional oaths of office, including but not limited to: Sheriff D'Agostini, Parks and Recreation Commissioner Chris Payne, Sr. Services attorney Al Hamilton, Supervisor Shiva Frentzen, Supervisor Sue Novasel, Supervisor Brian Veerkamp, Commissioner Gary Miller, and Assemblyman Frank Bigelow. All my sworn and notarized affidavits *revealed problems* with public officials in order that the public could *understand* the issues and ensure that the *blessings of freedom shall be forever perpetuated*. But you, Mr. Nevis, by your actions, have apparently chosen to follow in the footsteps of self-proclaimed "dictator" Al Hamilton, the previous President of the Association, who has publicly harassed and threatened to "destroy" me as witnessed by members of the Association including Supervisor Lori Parlin whose notarized sworn affidavit is hereby attached as **Exhibit A**, made part hereof as if fully incorporated herein.

3. It is a matter of public record that the following Directors of the Taxpayers Association have threatened me, discriminated against me, or unlawfully deprived me equal benefits of membership: Sr. Services Attorney Al Hamilton, V.P. Chris Payne, Secretary Todd White, former Supervisor Jack Sweeney, and former Association Presidents Bill George and Bill Carey. You, Mr. Nevis, are demonstrating their same dysfunctional biases by discriminating against me, a well-known third generation evangelical senior citizen and Constitutional activist.

You have been apprised that I've filed two formal complaints against Al Hamilton with the CA State BAR Association. Furthermore, I entered into the public record during a Board of Supervisors meeting an un rebutted Affidavit of Truth relevant to Al Hamilton, which was also submitted to the Secretary of the Taxpayers Association as a *permanent record* to be made available for *public inspection*. It was during the July 28, 2020 Board of Supervisors meeting that you joined V.P. Chris Payne and Secretary Todd White in publicly praising Al Hamilton for his contributions to the Taxpayers Association when you knew full well his notorious reputation for discrimination against women, bully tactics, and failure to abide by the Association Bylaws, Policies and Procedures. It was at that time that I again entered into the public record the factual Affidavit of Truth containing Supervisor Lori Parlin's notarized affidavit documenting Hamilton's threat to "destroy" my reputation. During Al's closing remarks he publicly mocked me, meanwhile effusively encouraging you, Todd, and Chris to continue in his illicit footsteps.

4. You have made it a habit to regularly censor and discriminate against me during Taxpayers Association meetings. One such instance was during the October 12, 2020 District #1 Candidate forum. Because candidate Ron Briggs failed to show up, Democrat candidate John Hidahl had an entire hour solely to himself to answer questions. You then made a point to circumvent the purpose and intent of the submitted question that I ask at every candidate forum:

*"This question has some ambiguities, so just for transparency, I'll read the question as it was submitted and then I'll invite you to, uh, maybe take it into a little more broader form of theater, so it will be more insightful discussion. So I'll read the question, **All elected officials are required to sign an oath of office to protect and support the state and national constitutions. If you are elected, will you sign a Constitutional Affidavit that essentially says that if it is PROVEN that you have violated your oath of office, then you will immediately resign and/or allow the people to remove you from office without your protest or objection?** What I'm going to invite you to do is reflect on, since you have already been supervisor, reflect on taking the oath of office. What does that oath mean to you, and how does it, you know, guide your everyday operations as a supervisor?"*

Mr. Nevis, you have no authority whatsoever to re-word, circumvent, or qualify questions asked of any candidate for public office. Other examples include the June 15, 2020 business meeting when you disrespectfully dismissed me after I raised ongoing issues with Todd White. He has discriminated against me ever since he replaced Bernard Carlson as Secretary of the Association. Todd still refuses to include me in the distribution of monthly speaker schedules and all other Taxpayers correspondence that all members are entitled to receive. Furthermore, you have taken it upon yourself to aid and abet Todd White's refusal to produce records and expenditures which I requested in writing and are lawfully required to be made available for public inspection. Then on July 27, 2020 you repeatedly muted me in midsentence during the Zoom meeting. Again during the October 19, 2020 El Dorado Irrigation District Candidate Forum, you failed to ask my question of the candidates which I provided to you at the very beginning of the forum, and instead proceeded to ask your own questions of the candidates. Your tactics dilute the intent of public participation in candidate forums. You are aware this has been an extremely sensitive issue at all other candidate forums, where the Citizens are denied the First Amendment Right to ask the hard and revealing questions that would enable them to make intelligent voting decisions about the candidates. In so doing you have deprived me of my inherent Rights, violated your oaths and all of the provisions within the Taxpayers Objectives, Bylaws, and Policies and Procedures. *See United States v. Dial, 757 R2d 163, 168 (7th Cir 1985) includes the deliberate concealment of material information in a setting of fiduciary obligation. See also USC Title 18, § 2071 - Concealment, removal, or mutilation generally.*

5. Your established pattern of behavior since you became President of the Association demonstrates that the Taxpayers Association of El Dorado County has no genuine

interest in abiding by the Association policies, bylaws, mission statement, reasonable standards of conduct or applicable state and federal laws. On numerous occasions, I've requested in writing from you and Secretary Todd White copies of records which the bylaws require be made available to the public. As a long standing member, all my requests have been either flatly denied or ignored, further betraying the Association's alleged mission statement "to monitor and be involved in the process of governance to help in order that the blessings of freedom shall be forever perpetuated." The only thing I despise more than being lied to is being lied about. On several occasions you audibly stated during Taxpayers meetings that Todd White would include me in distributions of all monthly schedules of speakers and other Association correspondence. But these were outright lies. Both you and Todd have failed to abide by the Association policies, procedures, and applicable law. By your obstructive actions against me, you demonstrated flagrant bias and discrimination against me in violation of equal treatment under the law.

6. It is a matter of public record that I've predicated statements made during Taxpayers Association meetings and during Board of Supervisors meetings that the federal and state Constitutions are the Supreme Law of the Land which clearly supersede any lesser "laws", statutes, rules, codes, regulations and policies, including the ones upon which the Taxpayers Association alleges to rely. A statute either supports and upholds the Constitutions or opposes and violates them and the due process of law and rights guaranteed therein.

Furthermore, you are aware that Chris Payne, Sr. Services Attorney Al Hamilton, Commissioner Gary Miller, and Supervisors Shiva Frentzen, Sue Novasel, Brian Veerkamp, and Sheriff D'Agostini have all been served with notifications of their legal responsibilities, which is the first essential of due process of law. Under the Political Reform Act, federal anticorruption law broadly guarantees the public "honest services" from public officials. Depriving the public of honest services is a federal crime. Again, any enterprise undertaken by any public official, such as you, which tends to weaken public confidence and undermine the sense of security for individual rights, is against public policy. Fraud, in its elementary common law sense of deceit, is one of the meanings that fraud bears.

It is my duty to demand that you and other government officials uphold their oaths to the Constitution(s) and abide by all constitutionally-imposed mandates of their oaths. This is an un-enumerated Right guaranteed in the Ninth Amendment, which I hereby claim and exercise. All of the facts, claims and charges stated herein clearly demonstrate that you, Andy Nevis, pursuant to your oaths, acted outside the lawful scope of your limited duties and constitutional authority; therefore, you acted on your own, as a private Citizen and renegade, outside of any governmental protection and/or immunity, whatsoever. Thus you, as an individual, will be held personally accountable and liable for any and all harm you have inflicted upon me and my inherent, constitutionally secured rights. You acted in sedition and insurrection against the Constitutions, both national and state, and in treason against the People, in the instant case, me.

7. During the November 9, 2020 Taxpayers Business Meeting, you recognized me to speak, but then you pounded your gavel and interrupted me when I commented about your inappropriate conduct, shameful disrespect, and the fact that you censor me during meetings, just as Al Hamilton consistently did to me when I stood up to his bully tactics. I remarked that it was deeply disturbing to hear you, Todd White and Kris Payne during the BOS Retirement Proclamation for Sr. Services Attorney Al Hamilton, actually praising him for his "honesty" and service to the county when it is a matter of public record that Al Hamilton brazenly threatened me and at least five other women during Taxpayers meetings. These facts are backed up by multiple witnesses and by an un rebutted Affidavit of Truth that includes the referenced sworn Affidavit of Supervisor Lori Parlin attached hereto as **Exhibit A**.

When I replied about your shameless hypocrisy, you again interrupted me by furiously pounding your gavel and stating: *"I have met Al Hamilton maybe three or four times. Other than that Board of Supervisors meeting you referenced, I just called to congratulate him on his retirement, and I have not spoken to Al Hamilton in at least three years. So that's just crazy."*

Not only was your remark disrespectful, it was a blatant lie. My records reveal Al Hamilton was still a Director of the Association in 2019, but he only occasionally attended meetings. Furthermore, my audio recordings revealed you actively engaged in conversation with him. However, when Hamilton stopped showing up at meetings altogether without submitting his resignation as required in the bylaws, Chris Payne announced to the group that the Elections Committee had opted to wait until the end of the year to replace Hamilton as a Director. It should be noted that Al Hamilton had also previously refused to accept the written resignation of Bernard Carlson and allowed him to remain a "placeholder" and an "absentee" Director of the Association, who is confined to an assisted living facility.

The public is entitled to honest services. You have consistently deprived me of honest services and the exercise of my right to access Taxpayers Association records as provided in the Policies and Procedures. As previously stated herein, any deceptive, obstructive enterprise undertaken by any public official, such as you, that tends to weaken public confidence and undermines the sense of security for individual rights, is against public policy and against the Supreme Law of the land and any other laws which comply with the national Constitution. Fraud, in its elementary common-law sense of **deceit**, is the simplest and clearest definition of that word [483 U.S. 372] in the statute. *See United States v. Dial*, 757 R2d 163, 168 (7th Cir 1985) *includes the deliberate concealment of material information in a setting of fiduciary obligation. See also USC Title 18, § 2071 – Concealment, removal, or mutilation generally. See also: United States v. Dial, supra, - Any enterprise undertaken by the public official who tends to weaken public confidence and undermine the sense of security for individual rights is against public policy. See also: Morrison v. Coddington*, 662 P.2d. 155, 135 Ariz. 480 (1983) - *Fraud and deceit may arise from silence where there is a duty to speak the truth, as well as from speaking an untruth.* [Emphasis added]

8. My claims, statements and averments also pertain to your actions taken regarding your failure to provide honest public services, pursuant to your oaths which violated due process of law. The American people, including me, are constitutionally guaranteed the rights of life, liberty and property that cannot be taken from us except through due process of law. Since due process is a sworn duty of any action committed by any public official, in the instant case you, by your violations of due process of law nullify your actions. You extended absolutely no due process of law whatsoever to me, yet, by your unconstitutional actions, as described herein, you harmed me, and others, in direct violation of your oaths. As stated previously, any enterprise undertaken by any public official, such as you, which tends to weaken public confidence in the law, undermines the sense of security for individual rights, and is against public policy. Your repeated deprivations of my right to lawfully access records and your discriminatory actions against me, a law-abiding American Citizen dwelling in El Dorado County, are a direct assault upon my due process rights secured in the national and state Constitutions, including those secured in the First Amendment. Thus, your egregious violations of due process of law render you personally responsible and liable for your actions, because you have stepped outside the lawful scope of your limited duties and authority, usurped authority not possessed, and act as a renegade.
9. On November 16, 2020 I entered the Taxpayers Association meeting and silently handed Sheriff D'Agostini three (3) Affidavits addressed to **Deputy Jaime Toney**, and Senior Sheriff Technicians **Angela Sterling** and **Steve McCallum**, for depriving me of public services, violating their oaths of office, conspiracy against rights, and deprivation of rights under color of law.

Notification of legal responsibility is the first essential of due process of law, and unrebutted affidavits are admissible as factual evidence in any court in America. However, Sheriff D'Agostini tossed the legal documents onto my table as if to refuse them. When I retrieved the documents and again silently placed them on the table in front of the sheriff, he again tossed the documents towards two unidentified women seated on the opposite side of my table. The blonde woman interfered with due process of law by snatching the legal documents and then placing them on the chair beside her. I silently walked around the table to retrieve them, but that's when the blonde and the sheriff created a public spectacle. Then as if on cue, Chris Payne intensified the scene by loudly shouting that I was disrupting the meeting when, in fact, the sheriff had maliciously retaliated against me for publicly holding his feet to the fire—***exactly as he encouraged me to do when he first took office***—and which is my duty as an American Citizen.

It was later brought to my attention that the blonde woman is a retired member of the sheriff's clerical staff who was accompanied by her daughter seated next to her. She had no lawful authority to interfere with due process of law. From the appalling indifference and incompetence I have directly experienced from EDSO personnel, it is evident that the sheriff and the rest of his staff do not want to be contacted by any member of the public, nor do they want to be transparent or held accountable to their oaths by the people they purportedly serve. Instead, the sheriff has conspired with county staff, including members of the Taxpayers Association, in multiple acts of obstructionism, fraud, and deprivation of the secured rights of the public, all of which constitute serious Federal CRIMES. The transcript of my brief interaction with Sheriff D'Agostini and the two women is attached hereto as **Exhibit B**, incorporated herein and made part hereof.

Then on November 16, 2020, a concerned individual sent me a 1.08-minute video clip of the aforementioned incident that was apparently posted on Facebook and distributed by you, Andy Nevis, in which you tagged Sheriff D'Agostini, Supervisor Shiva Frentzen, Supervisor Brian Veerkamp, Supervisor Sue Novasel, Supervisor John Hidahl, District Attorney Vern Pierson, Commissioner James Williams, and Commissioner Gary Miller. All except one of the aforementioned individuals have received from me notifications of legal responsibility for violating their Constitutional oaths of office, which were accordingly entered into the public record during Board of Supervisors meetings in the form of un rebutted Affidavits of Truth. The video you posted to Facebook generated considerable controversy and negative comments about me, including a false complaint made to you by the blonde woman who *unlawfully* grabbed the legal documents. After the meeting adjourned, the blonde woman exacerbated the situation with her unnecessarily melodramatic order to "Back up! Back up!" It is a fact that I never even approached her because I was on the opposite side of the table when I asked her to identify herself. Then she falsely claimed that I committed a crime by "touching" her when it was evident she interfered with due process of law by apparently acting as an unauthorized agent on behalf of the sheriff to impede my lawful actions protected in the First Amendment with my right to redress my grievances to

government. Government is the SERVANT of the people, not the belligerent master of the people.

10. Your Facebook posting and distribution of the one-minute video clip is a malicious and defamatory attack on my character. Furthermore, the subsequent email you sent on November 11, 2020 subject title of "Notice of Potential Taxpayers Association Disciplinary Action" has no merit or lawful standing. You state that the Board of Directors will be meeting in closed session (date to be determined) to review the allegations against me and determine any disciplinary action. **See Exhibit C**, attached hereto, made part of hereof, as if fully incorporated herein.

You have no lawful authority to hold a tribunal at an undisclosed time, to take disciplinary action against me, or to act as judge, jury and executioner when I have done nothing other than to appropriately exercise my Constitutional rights. I have been a paid member of Taxpayers for over 12 years in addition to being a candidate for Director of the Association. You have no legal standing to make your demands, or to discriminate against me by refusing to recognize me at upcoming public meetings. It is you, Andy Nevis, who have violated your oaths of office and maliciously maligned my good name in an attempt to "destroy" my reputation by evidently picking up the gauntlet that Al Hamilton laid down. In fact, your email appears to be written by a lawyer who has an axe to grind. Exercise of rights cannot be converted into a crime. Pursuant to your oaths, as described herein, by your own unlawful actions you have violated, restricted, and denied my inherent constitutionally guaranteed rights and due process of law. Furthermore, you egregiously harmed me by conspiring with county officials and other individuals to suppress my inherent right of free speech, preventing and/or restricting my access to government officials, and depriving me of information or services necessary to assist my efforts for redress of grievances—all lawful actions on my part that fall under the protections of the First Amendment. See *Miller v. U.S.*, 230 F.2d. 486,489 "The claim and exercise of a Constitutional right cannot be converted into a crime." See also USC 18 § 241 and USC 18 § 242, respectively, *Conspiracy Against Rights and Deprivation of Rights Under Color of Law*.

11. By conspiring with other government officials, you have denied me due process of law as stated within the Bill of Rights. Constitutionally-compliant due process of law clearly requires that ALL Constitutionally-secured rights and ALL aspects of due process of law be upheld. Your repeated attempts to bully, discredit, defame, and censor me are in defiance of the Constitution(s), and your discriminatory actions are a direct assault upon my due process rights in the Constitutions, including rights secured in the First Amendment. Constitutionally-secured inherent rights and due process of law are guaranteed to me and all American Citizens. The requirements of *Tweel*, cited above, are incumbent upon you in both your personal and professional capacities. By your own actions, pursuant to your oaths, you have violated these First Amendment guarantees, betrayed the Public Trust, and perjured your oaths of office.

"Personal involvement in deprivation of constitutional rights is prerequisite to award of damages, but defendant may be personally involved in

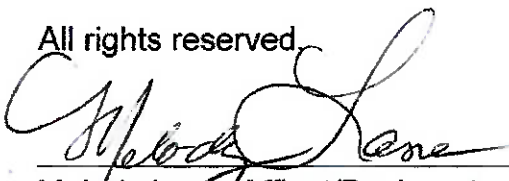

constitutional deprivation by direct participation, failure to remedy wrongs after learning about it, creation of a policy or custom under which unconstitutional practices occur or gross negligence in managing subordinates who cause violation." (Gallegos v. Haggerty, N.D. of New York, 689 F. Supp. 93 (1988)).

By your stepping outside of your delegated authority, you lost any "perceived immunity" and you will be sued for your wrongdoing against me, personally, privately, individually and in your professional capacity, as can all those in your jurisdiction, including your supervisors and anyone having oversight responsibility for you, including any judges or prosecuting attorneys and public officers for that jurisdiction, if, once they are notified of your wrongdoing, they fail to take lawful actions to correct it, pursuant to their oaths and their duties, thereto:

Lawful notification has been provided to you stating that if you, Andy Nevis, do not rebut the statements, charges and averments made in this Affidavit/Declaration, then you tacitly agree with and admit to them. Pursuant to that lawful notification, if you disagree with anything stated under oath in this Affidavit/Declaration of Truth, then rebut to me that with which you disagree, with particularity, within fifteen (15) days of receipt thereof, by means of your own **written, sworn, notarized affidavit of truth, based on specific, true, relevant fact and valid law** to support your disagreement, attesting to your rebuttal and supportive positions, as valid and lawful, under the pains and penalties of perjury under the laws of the United States of America and this state of California. An unrebuted affidavit stands as truth and fact before any court. Your failure to respond, as stipulated, is your tacit agreement with and admission to the fact that everything in this Affidavit/Declaration of Truth is true, correct, legal, lawful, and is your irrevocable admission attesting to this, fully binding upon you in any court of law in America, without your protest, objection and that of those who represent you.

Affiant further sayeth naught.

**BELOW IS THE SWORN AFFADAVIT OF FACT BY LORI PARLIN,
THE WRITTEN RECORD OF EVENTS CONCERNING THE
TAXPAYERS ASSOCIATION OF EL DORADO COUNTY MEETINGS
ON NOVEMBER 7 AND 14, 2016**

I, Lori Parlin, the undersigned, do solemnly swear, declare and depose:

- 1) That I am over the age of 18 years and competent to state to the matters set forth herein;
- 2) That I have personal knowledge of the facts stated herein
- 3) That all the facts stated herein are true, correct, and certain, admissible as evidence, and if called upon as witness, I will testify to their veracity.

On Monday, November 7, 2016, at the conclusion of the weekly Taxpayers meeting held at Denny's in Placerville, California, I was talking to Melody Lane while seated across the table from her. Out of the corner of my eye I noticed that Al Hamilton, the President of the Taxpayers Association, was approaching us from behind Ms. Lane. My first thought was that Mr. Hamilton was coming over to talk to me about the Association's refusal to give me an application for membership. Instead, Mr. Hamilton leaned forward, over Ms. Lane's shoulder, and gestured with his hand toward her purse. He then asked if her audio recorder was on, inside her purse. She replied no, it was off because the meeting was over and it was inside her purse. Mr. Hamilton proceeded to tell Ms. Lane that she could not record the meetings without announcing to the entire room that she was recording the meeting. Ms. Lane replied that the law was very clear that no such announcement is necessary when public officials are speaking. Ms. Lane then got up out of her chair to address Mr. Hamilton face to face. There was arguing between them about the audio recordings. At some point during the arguing Mr. Hamilton said that he would call the Sheriff and have Ms. Lane removed from the building for causing a disturbance. Finally, Mr. Hamilton threatened Ms. Lane by saying that he would see to it that her reputation was destroyed in the county. I was shocked to hear him make such a threat, especially his use of "I" and "destroy" in his language. Ms. Lane then asked if Mr. Hamilton was threatening her. He said, no, that was not a threat. I then asked what exactly he meant by those words because it also sounded like a threat to me. Mr. Hamilton then backpedaled from his original statement and said that Ms. Lane's own actions would ruin her reputation in the county. I don't remember exactly how the conversation ended because I was shaken up by Mr. Hamilton's threatening words and tone.

At the beginning of the weekly Taxpayers meeting on Monday, November 14, 2016, Mr. Hamilton made an announcement that Ms. Lane was audio recording the meeting. He went on to say that at the prior meeting he had simply stated that he would call the Sheriff if Ms. Lane causes a disturbance during meetings. At some point during the meeting, Mr. Hamilton jokingly asked the group if he should take a vote to decide whether Ms. Lane was causing a disturbance. Given his threats the week prior, Mr. Hamilton's suggestion to call the Sheriff to remove Ms. Lane from the room appeared to be an intimidation tactic.

11/16/20 Taxpayers Association Meeting – Sheriff D’Agostini

Entering the 11/16/20 Taxpayers Association meeting, I SILENTLY hand the Sheriff a letter addressed to him clipped to three Affidavits of Truth concerning EDSO staff misconduct. Before I could take my seat, the Sheriff tosses them onto the table next to me as if to refuse them. I SILENTLY pick them up and place them on the table next to where he is standing addressing the group. Again, the Sheriff picks up the documents off the table and tosses them towards a large blond woman seated across the table from me.

As the blond pulls the documents towards her, Sheriff D’Agostini steps in front of me.

Sheriff D’Agostini: Thank you Melody. Have a seat.

Melody Lane: Special delivery. You just refused due process of law.

Before I can take my seat, I notice the blond woman places the legal documents on the chair next to her, so I SILENTLY walk around the end of the table and reach to retrieve them from the chair. Simultaneously the following occurred:

D’Agostini: “Wait a minute!”

The blond quickly snatches the documents from the chair out of my reach, and in the process she firmly grabbed my right wrist while exclaiming, “Don’t touch me!”

D’Agostini: Whoa! Hey! Hey! Hey!

Melody Lane (addressing the large blond): You have no authority to take that.

D’Agostini: You served this on me, is that what you’re saying?

Melody: Special delivery.

Chris Payne (loudly): That’s inappropriate! You’re interrupting the meeting!

D’Agostini: Is that the purpose? I have it. You served that on me?

Melody: Special delivery.

D’Agostini: Served! Thank you. OK. Staffing...we are doing pretty good...

###

After the adjournment of the meeting I am gathering my belongings on the opposite side of the table from the Sheriff and the two large women:

Melody Lane: I don’t know who you are, but you have no authority to take...

Blond (who is now standing on opposite side of table and extending her palms across the table towards me): Back up. Back up! Back up!

Melody: You have no authority...

D’Agostini: She’s not going to talk to you Melody. Go!

Melody: Is that your daughter?

EXHIBIT B

D'Agostini: No.

Blond: No.

Melody (addressing the blond): Who are you?

Blond: As soon as you touched me you committed a crime.

Melody: No, YOU committed a crime.

Blond: You grabbed my arm first. (She again melodramatically extends her palms across the table towards me) Back up!

Melody: Listen...

Blond: Back up! Back up! (I was NOT approaching her)

Melody: You need to...

Blond: (hands still melodramatically extended across the table) Back up! Back up!

Melody: No. I'm just standing right here. (We are still on opposite sides of the table.)

Blond and her daughter now both extending their arms melodramatically: Back up! Back up!

Melody: You had no authority to interfere with due process of law.

Blond: Go!

Melody: You just interfered with official business...

Blond & daughter: You need to go. You need to go!

Melody: You had no authority to do what you did; either of you girls. You have violated the law, and you know it too, John.

D'Agostini: No, you have.

Melody: No I have not. You have been served.

D'Agostini: Have a nice day. Have a nice day.

Subject: Notice of Potential Taxpayers Association Disciplinary Action

Ms. Lane,

The purpose of this e-mail is to notify you of an accusation which could result in disciplinary action against your Taxpayers Association of El Dorado County (Association) membership.

The complaint regards your behavior at the Association's meeting on November 16, 2020. As documented by video, you disrupted the guest speaker's presentation, did not desist when requested, and physically grabbed the arm of a fellow attendee. Following the meeting, you once again engaged the attendee you grabbed and failed to back away despite repeated requests.

As a Taxpayers Association member, you are expected to abide by the Association's Policies and Procedures (attached). Among these procedures, attendees are expected to refrain from speaking unless called upon by the moderator, treat each speaker and fellow attendees with respect, and avoid personal attacks.

Pursuant to Section III(9) of the Bylaws, violation of the Policies and Procedures can be grounds for discipline, up to termination of membership. The Board of Directors will be meeting in closed session (Date to be determined) to review the allegations against you and determine any disciplinary action.

Prior to this meeting, you have the opportunity to respond to the above allegations. Your response is required within 14 days of this e-mail, by December 7, 2020. As part of the response, I encourage you to express whether you agree to abide by the Association's Policies and Procedures and avoid disruptions at future Association meetings. Your response will be shared with the Directors and you will be notified of their decision.

In the meantime, pursuant to my duty outlined in the Policies and Procedures to maintain decorum, I have determined that based on the above allegations there is fair reason to believe you will not follow our meeting conduct policies. If you choose to attend our upcoming public meetings, you will not be recognized. I will reevaluate this determination when I receive your written reply.

Please let me know if you have any questions about what is written above.

Sincerely,
Andy Nevis
President, Taxpayers Association of El Dorado County
