 Davis, California 95616-4164

Dear Mr. Burton

Re: June 2007 Angora Fire

We request Federal assistance under provisions of Section 403, Agricultural Credit Act of 1978, to restore damaged channel and stream facilities to the Angora Burn area at South Lake Tahoe, County of El Dorado, California caused by the fire of June 24, 2007.

We expect increased erosion of the channel bank during the upcoming storm season. This work is needed to safeguard lives and property from an imminent hazard of flood flows.

We understand, as sponsors of an Emergency Watershed Protection project, our responsibilities will include acquiring necessary right of way and permits to construct, and if required, to operate and maintain the proposed measures. We are prepared to furnish the 25 percent local cost-share of construction work, which includes engineering, survey and inspection.

If you need any additional information, please contact:

Laura S. Gill
 Chief Administrative Officer, County of El Dorado
