SPECIAL NIGHT MEETING OF THE PARKS AND RECREATION COMMISSION

September 15, 2011
5:30 p.m. to 7:00 p.m.
Board of Supervisor's Meeting Room
330 Fair Lane, Placerville, CA.

Please join us for a presentation on the status of the El Dorado County Parks and Trails Master Plan preparation. The presentation will be given to a special night meeting of the Parks and Recreation Commission on September 15, 2011, beginning at 5:30.

The presentation will address the implementation strategies and recommendations for El Dorado County parks and trails facilities, operations, and financing; park and trail aspects of the land development process; and feasibility criteria for future park and trail projects. These strategies and recommendations will reflect the public input that has been collected through multiple workshops and interviews, and public comments received on the Parks and Trails Needs Analysis presented on July 14, 2011 to a joint meeting of the Planning Commission and Parks and Recreation Commission.

The public is strongly encouraged to attend this presentation as it will be the final opportunity to weigh in on the proposed direction for El Dorado County parks and trails before preparation of the Draft Parks and Trails Master Plan and associated environmental document begins. These documents will then be available for public review prior to being presented to the Board of Supervisors for consideration in December 2011.

Please contact Janet Postlewait for further information at (530) 621-5900 or by email at janet.postlewait@edcgov.us and visit our website to download a flyer at:
