Hi Everyone! This year marks the 26th Anniversary of the Law Enforcement Torch Run for Special Olympics in Northern California. A small but dedicated group of law enforcement officers, along with the support of Special Olympics staff, brought the Torch Run to life in Northern California in 1997. From its humble beginnings the Law Enforcement Torch Run (LETR) Northern California has grown into an integral part of Special Olympics; each year hundreds of law enforcement personnel participate. To date LETR Northern California has raised over 20 million dollars to support the athletes of Special Olympics. Law enforcement personnel from around Northern California spend countless volunteer hours each year raising funds and awareness for Special Olympics through events such as Tip-A-Cops, Cop on a Rooftop, Police in Pursuit, Bike the Bridges and of course the Torch Run as "Guardians of the Flame". This year, along with the Sheriff's Office, we're bringing the run to El Dorado County with segments in Placerville, Co
