BOARD OF SUPERVISORS  
EL DORADO COUNTY

COPY SENT TO BOARD MEMBERS  
FOR THEIR INFORMATION

DATE 10-30-08

Chairman Dupray,

At the Board of Supervisor's meeting on October 7, 2008 Environmental Management stated we would return to the Board on November 18, 2008 for a public hearing related to rate increases for the solid waste franchise haulers. Since that October meeting, Environmental Management (EM) has been working with the franchise haulers to get the best rate possible for the services being proposed. At this time we have not received all information required from the haulers in order to proceed with the hearing scheduled for November 18<sup>th</sup>. Therefore, I respectfully request the public rate hearing be continued to the December 9, 2008 Board meeting.

Thank you for your time and consideration of this matter.
