

RESOLUTION NO. 080-2019

OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO

RESOLUTION ESTABLISHING REVISED FEES FOR EL DORADO COUNTY AIRPORTS AND MINOR REVISIONS TO THE CONSOLIDATED FEE POLICIES AND PROCEDURES FOR COMMUNITY DEVELOPMENT SERVICES

WHEREAS, pursuant to Government Code Section 54985, Section 66016, and County Ordinance Code Section 1.04.260, the Board of Supervisors of El Dorado County has established rates, charges, and fees for certain activities; and

WHEREAS, once established, rates, charges, and fees may be modified, set, or fixed by the Board of Supervisors by Resolution; and

WHEREAS, Section 18.04.100 of the County Ordinance Code provides for the establishment by resolution a schedule of fees, rates, and charges to be imposed for the use of specified airport facilities at the County's airports, and which shall apply to all uses specified therein except as they may be modified by express written contract or permit executed or authorized by the Board of Supervisors; and

WHEREAS, the Board has adopted a series of Resolutions establishing and amending a consolidated fee schedule and Fee Policies and Procedures for those functions formerly under the Community Development Agency, including Airports, which most recently was amended by Resolution 105-2017 on June 27, 2017; and

WHEREAS, at the time the fees were adopted by Resolution 079-2016, the cost of providing services included on the consolidated fee schedule was documented in the Community Development Agency Fee Study, dated March 22, 2016, hereby incorporated herein by reference; and

WHEREAS, at the time the fees for airports were adopted, the fee schedule did not incorporate all changes necessary as indicated and documented by the 2016 cost analyses; and

WHEREAS, Resolution 105-2017 amended the fee schedule, removing the fee for "Special Event Permit / Parade / Involving Road Closure," with all other existing fees as adopted in Resolution 079-2016 remaining in effect; and

WHEREAS, the Board finds that the fees and charges for services included in Exhibit A do not exceed the estimated amount required to provide the services for which they are charged and represent only amounts necessary to recover the cost of providing the service and/or enforcing the regulations for which they are charged; and

WHEREAS, minor modifications to the Consolidated Fee Policies and Procedures adopted in Resolution 105-2017 are necessary and are included in Exhibit B to this Resolution.

NOW, THEREFORE, BE IT RESOLVED, pursuant to applicable provisions of state law and County Ordinance Code, the fees provided for in Resolution 105-2017, shall continue and remain in effect as set forth

in Exhibit A – Community Development Services Consolidated Fee Schedule attached hereto and incorporated herein, except any and all that were modified or deleted.

BE IT FURTHER RESOLVED that Fee Policies and Procedures set forth in Exhibit B – Community Development Services Policies and Procedures are hereby adopted and shall take effect upon execution of this Resolution.

BE IT FURTHER RESOLVED that all rates, charges, and fees established by either Resolution or Ordinance Code shall be subject to the Board of Supervisors Policy No. B-4 related to Recovery of Funds, and unpaid balances shall be subject to increase to include costs incurred by the County Department responsible for administering Revenue Recovery Services, as updated from time to time.

PASSED AND ADOPTED by the Board of Supervisors of the County of El Dorado at a regular meeting of said Board, held the ____ day of _____, 20__, by the following vote of said Board:

COMMUNITY DEVELOPMENT SERVICES CONSOLIDATED FEE POLICIES & PROCEDURES

The following fee policies are applicable to fees collected by Community Development Services.

A. APPLICABILITY

All fees are due at time of filing the application or requesting the service. Fees are charged as either: fixed rates, fees, or charges or "Time and Materials." The fixed rates, fees, or charges are intended to cover the ordinary costs of Community Development Services (CDS) for providing that service. The "Time and Materials" fees listed are an initial deposit and are described in more detail in the "Time and Materials" section.

B. TIME AND MATERIALS

In all of those instances in Exhibit A – Consolidated Fee Schedule where a dollar amount is provided followed by a reference to "T&M," the dollar amount is the initial minimum deposit, and the T&M means the actual cost to the applicant to process the application or permit is based on a Time and Materials method of billing. For services subject to T&M charges, the applicant will receive a monthly billing statement identifying the remaining deposit balance on account or the amount due if deposited funds have been exhausted. If monies are owed, they shall be paid within thirty (30) days as specified in Board of Supervisors Policy B-4. Any outstanding balances must be paid before action by the approving authority. To make certain there is no misunderstanding regarding the application deposit and billing process, the applicant will be required to sign an "Agreement to Pay" statement with application submittal acknowledging agreement to pay the processing costs regardless of whether the application is approved or denied.

C. CONVERSION TO TIME AND MATERIALS

When, in the opinion of the Chief Administrative Officer (CAO) or CDS Department Director, or their designees, the costs of processing an application will significantly exceed the required fixed fee due to the unusual complexity of the project, either the CAO or CDS Department Director may convert the application to a Time and Materials billing process. When this conversion is proposed, the applicant will be notified in writing and will be requested to submit a deposit in an amount estimated to be sufficient to cover the remaining staff work to bring the application to a final decision. Staff work on the application will stop until the required deposit is provided. This conversion would occur when it is obvious the required fee is going to be insufficient, which would typically occur during or soon after the Technical Advisory Committee meeting. However, it could occur later in the process if controversy becomes more evident and/or revisions are proposed to the project to mitigate project impacts or public concerns. After the conversion, the applicant will receive a monthly billing statement identifying the remaining processing fee and/or deposit, or the amount due if deposited funds have been exhausted. If monies are owed, they should be paid before action by the approving authority.

D. COUNTY AND NON-COUNTY AGENCIES ARE SUBJECT TO STANDARD FEES

All County and non-County agencies (special districts, non-profit, etc.) shall be required to pay full application costs to offset the affected departments' processing costs. No charges shall be levied for documents/plans (one copy each) provided to public agencies.

E. OTHER FEES

Where no fee exists to cover an application process or service not normally provided by CDS, or when the circumstances of the application process are unique, and when it will take more than one hour to process the application or provide the service, a fee shall be paid or deposit collected, based on an estimate of processing costs by the CAO or CDS Department Director, or their designees, using the approved hourly billing rate. If a deposit is collected, the applicant will be billed based on the Time and Materials basis described above. Or as an option, the CAO or CDS Department Director, or their designees, may apply a fee in another category, if such fee would adequately cover the anticipated level of effort required to process the application.

F. FEE WAIVERS

Fee waivers cannot be approved by CDS. Pursuant to Board of Supervisors Policy B-2, or its equivalent, the CAO has limited authority to waive certain fees.

G. COLLECTIONS

Unpaid balances are subject to Board of Supervisors Policy B-4, Collections – Recovery of Public Funds. Balances referred to County Revenue Recovery will be assessed an amount equal to the costs incurred by the County for administering revenue recovery services.

H. REFUNDS

- 1) Fixed application fees are not refundable except as designated in 2.f, below.
- 2) The CAO or CDS Department Director, or their designees, may authorize a refund of any unexpended Time and Materials or fixed fees upon any of the following circumstances:
 - a) The project/application is approved or denied and no further work will be required and the Time and Materials account is closed.
 - b) The applicant withdraws the application and requests a refund in writing.
 - i) The County shall discontinue work on the application within one working day from the receipt of said request, except that the County may continue to process an application involving the violation of a County ordinance.
 - ii) Where a refund is requested of a fixed fee, the refund amount shall be based upon the percentage of work completed as estimated by the CAO or CDS Department Director, or their designees.
 - c) The application has been deemed incomplete, information has been requested in writing by CDS, and the applicant has not provided the information within a one year period.

Resolution to Adopt Community Development Services
Consolidated Fee Schedule

- d) The project/application has been placed on-hold or moved off-calendar of a Planning Commission or Board of Supervisors hearing at the request of the applicant and the applicant has not responded or requested the matter to be rescheduled for hearing within a one year period.
 - e) The project/application was moved off-calendar of a Planning Commission or Board of Supervisors hearing by the decision maker and the applicant has been requested to perform additional tasks such as: provide more information, consult with other agencies, or make revisions, but the necessary information has not been provided within a one-year period.
 - f) The deposit or fee was erroneously collected by the County.
- 3) Additional conditions applicable to refunds related to building permits are described in Section J.
 - 4) Any refund of \$25.00 or less will not be issued; therefore any deposit balance of \$25.00 or less will not be eligible for refund and will be retained by the County.
 - 5) It is the applicant's responsibility to keep track of the amounts submitted and to inform CDS of all changes in address or ownership, including submission of a successor Agreement to Pay in the event of a change in ownership.
 - 6) After all notices have been given and four (4) years have passed the County can follow the County's escheatment process per Government Code Section 50050 – 50057 for disposing of unexpended fees.

I. VIOLATIONS

- 1) Whenever any work or activities for which a permit is required has been commenced, without first obtaining said permit, an investigation may be required before a permit is issued for such work.
- 2) An investigation fee, in addition to the permit fee, may be collected by the CAO or CDS Department Director, or their designees, whether or not a permit is then or subsequently issued. The investigation fee shall be equal to the amount of the permit fee. The payment of such investigation fee shall not exempt any person from penalty prescribed by ordinance or law. The CAO or CDS Department Director, or their designees may, at his or her discretion, collect this investigation fee at the time of the application or permit issuance. The CAO or CDS Department Director, or their designees, at his or her discretion, may not require investigation fees in cases where the owner of property is voluntarily revealing work done without a permit and securing a permit for the work.
- 3) When a violation of any County Ordinance includes or results from the failure to attain a required permit, the fee or deposit for obtaining the permit required to correct the violation shall be double the fee or deposit amount shown, unless another ordinance or law provides for a greater amount, in which case the greater amount shall apply. The additional fee or deposit shall be treated as a non-refundable fixed fee, even if the initial amount is a deposit.

J. DEPARTMENT SPECIFIC FEES**1) Building Services**

- a) **Application and Plan Review - Required Plans**
When plans are required to be submitted, an application/plan review fee shall be paid at the time of the building application, in the amount equal to one-half (1/2) of the fee. Upon issuance of the permit these fees shall be applied to the total fee collected.
- b) **Application and Plan Review – 50% Reduction**
When plans referenced in (J.1.a) above are from a master plan previously approved by the County with no modifications, are for a permanent manufactured dwelling on a permanent foundation, or have been reviewed and approved by a third-party professional previously approved by the County, the application/plan review fee as described in (J.1.a) above shall be reduced by fifty percent (50%).
- c) **Credit toward Replacement Application**
An application submitted to replace one that has expired may be eligible for a credit toward the new application/plan review fee if it is re-submitted within 6 months of the time of the original application expiration. Based on a schedule established by the CAO or CDS Department Director, or their designees, credit may be given for administration/plan review work already performed, which is still applicable under codes and regulations in force at the time of the new application. It is the responsibility of the applicant to provide documentation substantiating work eligible for credit as part of the original application.
- d) **Refund on Withdrawal**
The CAO or CDS Department Director, or their designees, may authorize the refund of not more than 80% of the building permit fee paid, less the application fee if any plan review activity has occurred. The minimum fee retained by the County shall be equal to the hourly rate applicable to the permit activity.

The CAO or CDS Department Director, or their designees, shall not authorize the refunding of Building Services fees paid unless:

- i) Written request to withdraw an application or permit is provided by the current owner or original applicant or an authorized agent of either;
- ii) Said request is made within one year of the application or within two years of the original date of issuance; and
- iii) No work of any sort has been done under the permit in question.

2) Environmental Management

- a) **Required Fees**
No person, corporation, association, firm, business, or entity shall operate, perform, carry on, conduct, or engage in any of the activities delineated in the Environmental Management fees without paying the fee listed and obtaining a permit and/or receipt therefore from Community

Development Services, Environmental Management Department. A permit or receipt may be issued at any time during the year and shall expire annually on the one-year anniversary date.

3) Planning Services

Multiple Application Fees

In those instances where two or more applications are filed with Planning Services at the same time for the same project, all fees collected for that submittal shall be adjusted as follows:

First Application	=	Full fees
Second Application	=	20% reduction, requiring payment of 80% of the fees for the second application
Any Additional Applications	=	40% reduction, requiring payment of 60% of the third or additional application fees

The determination of which application pays the full amount, which has a 20 percent reduction, etc., is based on the amount of the application fee. The type of application which has the highest Planning Services fee is considered the first application; the application with the second highest Planning Services fee is the second application, etc. For multiple applications that are reviewed on a Time and Materials basis, only the deposit for the application with the highest listed deposit amount on the fee schedule shall be collected at the time of application submittal.

K. SEVERABILITY

If any title, article, section, subsection, sentence, clause, or phrase of these Policies and Procedures or any amendment thereto is for any reason held by a court of competent jurisdiction to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of these Policies and Procedures or amendments thereto. The Board of Supervisors declares that it would have approved these Policies and Procedures and each title, article, section, subsection, sentence, clause, and phrase of these Policies and Procedures irrespective of the fact that any one or more titles, sections, subsections, sentences, clauses, or phrases are declared invalid or unconstitutional.

L. NON EXCLUSIVITY

Nothing in these Policies and Procedures or any amendment thereto shall limit or preclude the enforcement of other county ordinances, including penalties therein or any other federal, state, or local laws or regulations. The remedies provided herein are cumulative to all other remedies now or hereafter available to abate or otherwise enforce a fee or permit requirement for conduct described herein. The collection or acceptance of any fee does not constitute and shall not be construed as approval or authorization of any conduct, activity, or condition that violates any federal, state, or local laws or regulations.
