# SB 844

**SB 844 is a ~25 million grant funded addition to the Placerville Jail**

- *Approved in 2017, to increase programing space, medical and mental health housing, and allow for a female only section*
- *Program will also address ADA issues in the jail such as wider medical cells, and proper height of toilets and sinks*
- *Add workspace for Probation, Health and Human Services and other partners who provide services to inmates*

Due Diligence Package have cleared the Board of State and Community Corrections (BSCC) for review and are with the Department of Finance for approval.

The next steps are: 1) Request for Qualification, 2) Request for Proposal, 3) Design build phase

Estimated start date for construction: **Spring of 2022**

# COVID 19 and the Jail

The COVID 19 pandemic has affected almost every aspect of our jails, resulting in operational changes to reduce the risk of transmission to our inmates and staff. These changes include:

- ***Intake:*** screening to include COVID related questions and taking temperatures.
- ***Housing:*** new inmates are housed separately for the first 14-days.
  - COVID testing of inmates.
  - Symptomatic/exposed to COVID/COVID positive inmates are quarantined.
- ***Programs and Visiting:*** All in-person programming and visiting have been suspended.
  - Non-contact Professional visits are allowed.
  - Video visits, phone calls and texting are available.
  - GED/High School Diploma programs are occurring without in-person classroom time.
- ***Cleaning:*** Enhanced cleaning/disinfecting procedures occurring within each facility multiple times a day.
- ***Releases:*** Inmates who are released after more than 24-hours complete COVID screening and temperature checks prior to release.
