The employee will continue to pay the employee's regular biweekly contribution in future health plan years as outlined in paragraph one above, to pay the total increased cost of the Plan rate.

For purposes of this section, a full-time employee is defined as an employee in an allocated position whose regular work schedule on an ongoing basis is 80 hours of work in each pay period; a part-time employee is defined as an employee who is in an allocated position and whose regular work schedule on an ongoing basis is less than 80 hours of work in a pay period.

In order to be eligible for County contribution, a full-time employee must be in pay status, i.e. where the employee is receiving pay from work hours, compensatory time off, vacation or sick leave, for at least 16 hours in a biweekly pay period; a part-time employee must be in pay status for at least 12 hours in a biweekly pay period. An employee who is receiving Workers Compensation shall be eligible for continuation of the County's contribution until such time as eligibility for Workers Compensation ceases.

An employee who is not receiving pay for the minimum number of hours stated above and who ceases to be eligible for County Contributions must pay directly to the Auditor's office the full amount of employee and County contribution in order to retain benefit coverage under a County-sponsored Health/Dental benefit plan.

The County will not contribute toward the cost of any other plan.

- B. Part-time Employees Any part-time employee and dependents who, on September 6, 1991, are being provided with the same benefit contribution as full-time employees, will continue to receive full-time benefit contribution throughout the term of this Memorandum. A part-time employee, hired on or after September 7, 1991,

whose regular work schedule is more than 32 hours per pay period shall be eligible to participate in the health/dental insurance programs on a prorata basis according to the following schedule.

1. The County shall pay the full County contribution to the health/dental costs as specified in 1.A. above for a part-time employee whose regular work schedule as documented on the payroll personnel form is between 64 to 79 hours per pay period on an ongoing basis; the Employee Contribution will be automatically deducted from the biweekly pay check.
2. The County shall pay 75% of the County contribution to the health/dental costs as specified in 1.A. above for a part-time employee whose regular work schedule as documented on the payroll personnel form is 40 to 63 hours per pay period on an ongoing basis; the remaining 25% of the County Contribution plus the Employee Contribution will be automatically deducted from the biweekly pay check.
3. The County shall pay 50% of the County contribution to the health/dental costs as specified in 1.A. above for a part-time employee whose regular work schedule as documented on the payroll personnel form is 32 to 39 hours per pay period on an ongoing basis; the remaining 50% of the County Contribution plus the Employee Contribution will be automatically deducted from the biweekly pay check.
4. Part-time employees whose regular work schedule is less than 32 hours per pay period shall not be eligible for participation in the County health/dental insurance program.

A part-time employee may work additional or fewer hours than the employee's "ongoing" work schedule without changing the prorata contribution. The prorata contribution level may only be changed by amending the Payroll Personnel Form which documents the change to the ongoing work schedule. An employee who believes the employee's regular ongoing work schedule has been modified, can submit a written request to the department head to formally change the ongoing work schedule.

ARTICLE 12. REDUCTION IN FORCE

The following Reduction in Force policy is hereby included as a part of this Modified Last, Best, and final Offer. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article.

County of El Dorado Modified Last, Best, and Final Offer – Probation Bargaining Unit-
Effective first full pay period following adoption by the Board of Supervisors

A. Policy

When necessary, and directed by the Board of Supervisors, a reduction in the County's work force may be initiated by (1) lack of work, (2) lack of funds, (3) program or organizational changes resulting in a surplus of employees, or (4) elimination of a specific program or service. Insofar as possible, a reduction in force shall be accomplished by attrition. When it is determined by the Board of Supervisors that attrition will not provide relief for the condition warranting a reduction in the number of County employees, the Board may direct (1) a temporary layoff of up to ten (10) working days of specific employees or classifications without invoking the provisions of this policy, or (2) a specific layoff by classification, number of employees and department(s) pursuant to this policy.

B. Procedure for Permanent Layoffs

Reduction in Force occurs when the Board of Supervisors by Resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

1. The Department of Human Resources, with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level if displacement by bumping (demoting in lieu of layoff) is anticipated in accordance with this Article according to retention points. A list of the classifications in which positions have been deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy mailed to the Union's current address. It is the department head's responsibility to insure posting.
2. Layoffs and displacements are made within the department involved and are not Countywide.
3. Written notice of layoff shall be served on affected employees in person or by certified letter mailed to the last address on file with the Department of Human Resources. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the postmarking and logging of the certified letter by the County's mailroom or upon personal serving of the notice to the individual.
4. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement (bumping) rights, if any, rehire or restoration rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Department of Human Resources that they will be exercising their displacement rights.

C. Order of Layoffs

Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. Any required reduction in the number of employees shall be in the following order within the same classification:

- (1) Extra-help and provisional,
 - (2) Probationary employees serving an initial probationary period,
 - (3) Regular permanent full-time and part-time employees.
1. Longevity - A full-time employee shall receive one point for each full month of continuous service as a regular County employee in his/her classification. Time spent in other classifications which the employee occupied within the prior 3 years and which are at the same or higher rate of pay based upon the current salary plan applicable at the time of the layoff shall be included in the service time in the affected class. This includes probationary time and GAIN sponsored training. Part-time employees shall receive a proportional amount of longevity points based upon the number of hours worked. Less than a full month of service shall be prorated. It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer to extra-help status. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.
 2. Performance - The following number of points shall be added to or subtracted from the employees' total number of Retention Point based on the annual regular performance evaluations received in the last three (3) calendar years. If the employee has not yet received a performance evaluation in the calendar year of the proposed layoff, his/her performance will be deemed satisfactory. The evaluation received at the completion of the probationary period shall be a "regular" evaluation, but other performance evaluations received during probation or other special evaluations shall not be counted for purposes of this section. The points shall be as follows for full time employees. Part time employees shall receive a proportional amount of performance points based upon their ongoing work schedule.

- Outstanding - two (2)
- Above Average - one (1)
- Satisfactory - zero (0)
- Needs Improvement - minus one (-1)
- Unsatisfactory - minus two (-2)

The maximum number of points an employee can gain or lose is 2 points per year for a maximum of 6 points.

3. Alternate Classes- Classes which are budgeted as alternate classes (e.g. Office Assistant II/I), as stated in the Personnel Allocation Resolution, shall be treated as one class for purposes of determining retention points.
4. Ties - In cases where two or more employees are tied with the same number of retention points, the following factors shall be considered in order for the purpose of breaking the tie: total County service (including County service prior to the most current period of employment) job related coursework taken during the current period of employment; department head determination.
5. Volunteers For Layoff - An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has fewer retention points and who would otherwise be laid off. Such employee shall be entitled to the same rights and restoration privileges as other employees in accordance with this Article 21.

D. Layoff Privileges

The following are the options open to affected individuals in each layoff instance:

1. Displacing in a Lower Class
An employee affected by layoff may, at his/her discretion, in lieu of layoff, displace an employee in a class previously held by the employee or in succeeding lower classes in the class series who has less retention points. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.
2. Restoration
Restoration shall be in inverse order of layoff. Names of employees with permanent status who have been laid off will be placed on an appropriate restoration list for their classification and department in order of Retention Points. The list will extend for a period of two (2) years. Employees shall also have restoration rights to a classification which has been replaced by a reclassification of the classification which the person previously had permanent status, provided that the duties have remained essentially the same. This list shall be maintained in the Department of Human Resources. This includes employees taking voluntary demotions in lieu of layoff who shall be placed on a restoration list for the class from which they were reduced. Three refusals to accept restoration from a departmental layoff list will remove the eligible individual's name from that list unless the offer of restoration is in excess of twenty five (25) miles from the geographical location of the position from which the employee was laid off.

A person notified of an offer of restoration must respond within ten (10) working days from the mailing date. Offers of reemployment shall be sent by first class mail to the last address on file in the Department of Human Resources. It is the employee's responsibility to insure that a current address is provided to the County

Department of Human Resources.

3. Transfer and Demotion

Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate department head(s) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the employee meets the minimum qualifications. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accord with provisions of this Article and is required by the department head to complete a new probationary period, which results in his rejection during probation, he shall not be required to forfeit his status on any layoff list.

4. Placement In Other Departments

In accordance with rules on order of layoff, an employee who shall be laid off shall have a right to be placed in a vacant position in the same class in another department which the department has determined to fill. Referral to vacant positions shall be offered based upon the inverse order of layoff. The new appointing authority shall have up to 90 days to evaluate the employee's performance. If the appointing authority determines that the employee's performance does not meet job standards, the employee will be returned to the layoff list. The employee will, in accordance with the rules on restoration, be eligible for placement in another vacant position in the same class which a department has determined to fill, according to the provisions above.

5. Separation from County Service

Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring or demoting. In the event an employee is laid off for an indefinite period, he/she may, upon request, receive payment for those benefits normally given to terminated employees.

6. Employment Interviews

Department heads who are referred the names of individuals designated for layoff and who have requested transfers shall personally ensure that such persons are provided an employment interview.

7. Status on Restoration

An employee who has been laid off or voluntarily reduced under the provisions of this Article and subsequently restored in their former classification within a two (2) year period from the date of his/her layoff or voluntary reduction shall receive the following considerations and benefits:

- a. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
- b. All Retention Points held upon layoff shall be restored.

- c. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
- d. The employee shall be placed on the step of the salary range that was held at the time of the layoff.

8. Meet and Confer

Prior to the actual layoffs, the County's representatives and the Union shall, at the request of the Union, meet and confer over the practical effects of the proposed layoffs.

E. Deviation from Retention Points

The Board of Supervisors may approve deviations from the order of layoff by retention points or demotions in lieu of layoff (bumping) when retention points order alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the department head shall fully justify and document the reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore and the date the Board of Supervisors shall consider the department's request.
