March 11, 2026

Supervisor Lori Parlin
District IV Supervisor
El Dorado County
330 Fair Lane
Placerville, CA 95667

Dear Supervisor Parlin,

On behalf of the Cameron Park Community Services District, I would like to respectfully request the County's continued support and extend an invitation for you and a guest to attend the 25th Annual Summer Spectacular on Saturday, June 27, 2026, at Cameron Park Lake.

This year marks the twenty fifth anniversary of one of Cameron Park's most anticipated community celebrations. The Summer Spectacular brings together residents, families, and visitors from across the region for an evening of live entertainment, food vendors, community activities, and a spectacular fireworks display over Cameron Park Lake.

To ensure compliance with all safety regulations, the Cameron Park Fire Department Fire Marshal will review and approve the permit application in accordance with current California State Fire Marshal regulations. As in past years, we are addressing key logistical concerns, including public safety, traffic management, parking, security, and radio communications.

We have also secured permission from the Cameron Park Airport District to utilize roadways and taxiways within the airpark for vehicle parking. Additionally, we are coordinating with County DOT to establish a no-parking fire lane along a half-mile section of Cambridge Road and three side streets to ensure emergency vehicle access. We are in the process of reaching out to the California Highway Patrol for assistance in managing traffic flow in the general viewing area around Cameron Park Lake. As always, we will collaborate with adjoining fire districts to strategically position emergency response personnel both inside and outside the event venue.

We respectfully request that the 25th Annual Summer Spectacular be placed on the El Dorado County Board of Supervisors' agenda to secure the necessary approvals and support for the fireworks display.
