Clerk of the Board, can my questions be presented to Board on 10/22/13 as they relate to monies paid to the El Dorado Chamber of Commerce (agenda item 5 10-1057)

1. The county subsidizes the El Dorado Visitor Center (230,000) - Why? It is our experience that very few visitor ever to the center.

That money could be use for more important projects in EDH (bike/pedestrian paths)

2. Why does the county subsidies the El Dorado Chamber of Commerce when it is our experience that they rarely attend any community meetings that concern the quality of life in EDH such as meetings with the DOT about public transportation in EDH. They don't seem concerned with what happens in EDH.
