Ted did review the T&C's and approved the revisions. Janeth approved the Indemnity in the Utah contract.

Subject: Re: Filevine Purchase Contract

Should we send this "Purchase Contract" with all of the incorporated contract and terms to COCO for approval via a blue route, they only approved the Utah contract to form, and I don't believe they have reviewed the T&C's from Filevine?

Hi Rick,

Could you please make the change to the Filevine contract that we discussed yesterday and rerelease it? I think we're good to go.

Reminder – incorporate the revised T&C's (I think you already have this) and the indemnity in the Utah contract prevails.

Thanks
