Re: Salmon Falls Trail and Trailhead Facility Project (S13-0010)

Dear Planning Commission Members,

I am writing this letter to demonstrate my support for the Salmon Falls Trail and Trailhead Facility Project. I think that this project is very important to increase accessibility to the trails. My family and I enjoy using the trails for many reasons and the enhancement of this trail system by providing a trailhead facility that allows for parking and public access makes it safer and easier for us to use as a young family in the region and increases the use by those in surrounding communities.

Thank you for your time and consideration of this Project.

Sincerely,

Jennifer Mantei
