For the purposes of this Agreement, “SAMHSA Model Programs” shall be defined as evidence-based practices identified by the National Registry of Evidence-based Programs and Practices (NREPP) that focus on substance abuse prevention, anti-bullying and/or pro-social skills. Under this Agreement, EDCOE will focus on obtaining and implementing the SAMHSA Model Programs across all schools under the administration of EDCOE, thus providing consistent programs and messaging.

The goals of this program are to identify activities to improve children and youths’ relationships and increase their repertoire of safe, healthy activities; increase mental wellness of youth; improve family relationships; reduce stigma and discrimination related to mental illness; reduce bullying; and reduce substance abuse.

Disallowed Costs: The Contractor shall use funds provided under this Agreement only for the purposes specified in this Agreement and in the MHSA Agreement available at <http://www.edcgov.us/HHSAForContractors/>.

ARTICLE XIV

Record Retention: Contractor agrees to make all of its books and records pertaining to the goods and services furnished under the terms of the contract available for inspection, examination, or copying by authorized County, State or Federal agencies, or their duly authorized representatives, at all reasonable times at Contractor's place of business or at such other mutually agreeable location in California, in a form maintained in accordance with the general standards applicable to such book or record keeping, for a term of at least five (5) years from the close of the County's fiscal year in which the contract was in effect, or any longer period as may be required by Federal or State law including, but not limited to any record retention laws pertaining to minors, psychiatric health facilities, psychology clinics, psychologists and/or other licensed professionals. If at the end of the applicable retention period, there is litigation or an audit or other investigation involving those books or records, Contractor shall retain the books or records until the resolution of such litigation, audit, or investigation.

The County or their designee shall have access to and right to examine, monitor, and audit all records, documents, conditions, and activities related to programs funded by this Agreement. For purposes of this section “access to” means that the Contractor shall at all times maintain a complete set of records and documents related to programs funded by this Agreement and shall make these records available to the State or County, or their respective designee in a central location.

ARTICLE XV

Release of Information: Contractor shall ensure that County Health and Human Services Agency is included as a receiving party on all Release of Information forms used in the performance of services under this Agreement.

ARTICLE XVI

Standards of Conduct: The following standards apply to Contractor and, in the event County agrees in writing to Contractor subcontracting services under this Agreement, pursuant to the Article titled “Assignment and Delegation,” Contractor shall ensure the following standards are included in any subcontract hereto:

- A. Every reasonable course of action shall be taken to maintain the integrity of this expenditure of public funds and to avoid favoritism and questionable or improper conduct. This Agreement shall be administered in an impartial manner, free from efforts to gain person, financial or political gain.
- B. Any executive or employee of the Contractor shall not solicit or accept money or any other consideration from a third person for the performance of an act reimbursed in whole or part by the County or the State. Supplies, materials, equipment, or services purchased with Agreement funds shall be used solely for purposes allowed under this Agreement. No member of the Contractor’s Board will cast a vote on the provision of services by that member (or any organization which that member represents) or vote on any matter which would provide direct financial benefit to that member (or immediate family of the member) or any business or organization which the member directly represents.
- C. The County, by written notice to the Contractor, may terminate the right of the Contractor to proceed under this Agreement if it is found, after notice and hearing by the County or State, that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the County or State with a view toward securing a contract or securing favorable treatment with respect to the awarding, amending, or performing of such Agreement, provided that the existence of the fact upon which the County or State makes such findings that shall be an issue may be reviewed in any competent court.
- D. In the event this Agreement is terminated as provided in the paragraph above, the County or State shall be entitled:
 1. To pursue the same remedies against the Contractor as it could pursue in the event of the breach of the Agreement by the Contractor, and
 2. As a predetermined amount of liquidated damages in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount which shall

be not less than three (3) times the cost incurred by the County or State in providing any such gratuities to any such officer or employee.

- E. The rights and remedies of the Contractor provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement. The Contractor warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement upon a contract or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees of the Contractor, for the purpose of securing business. For breach or violation of this warranty, the State shall have the right to annul this Agreement without liability, paying only for the values of the work actually returned or, in its discretion, to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.
- F. Contractor, and any subcontractors and/or consultants retained by the Contractor with funds provided under this Agreement must comply with the provisions of California Government Code Section 19990, et seq.

ARTICLE XVII

Subcontracting: The Contractor certifies that:

- A. Any work or services specified in this Agreement which will be performed by other than the Contractor shall be evidenced by a written Agreement specifying the terms and conditions of such performance.
- B. The Contractor shall maintain and adhere to an appropriate system, consistent with Federal, State and local law, for the award and monitoring of contracts that contain acceptable standards for insuring accountability.
- C. The system for awarding contracts will contain safeguards to ensure that the Contractor does not contract with any entity whose officers have been convicted of fraud or misappropriation of funds.
- D. Subcontractors shall comply with the Confidentiality requirements set forth in the Article titled "Confidentiality Requirements" of this Agreement.

ARTICLE XVIII

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE XIX

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE XX

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE XXI

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subcontractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful, and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE XXII

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XXIII

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- B. **Bankruptcy:** This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. **Ceasing Performance:** County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation without Cause:** County may terminate this Agreement in whole or in part upon seven (7) calendar days written notice by County without cause. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

ARTICLE XXIV

Termination Process: The County may terminate this Agreement in whole or in part when it has determined that the Contractor has substantially violated a specific provision of the MHSA regulations or implementing State legislation. The County shall provide a termination notice in writing to the Contractor.

Upon Contractor's receipt of notice of termination from the County, and except as otherwise directed in the notice, Contractor shall:

- A. Stop work on the date specified in the notice;
- B. Place no further orders nor enter into any further subcontracts for materials, services or facilities except as necessary to complete work under the Agreement up to the effective date of termination;
- C. Terminate all orders and subcontracts;

- D. Promptly take all other reasonable and feasible steps to minimize any additional cost, loss or expenditure associated with work terminated, including, but not limited to reasonable settlement of all outstanding liability and claims arising out of termination of orders and subcontracts;
- E. Deliver or make available to the State all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Contractor under this Agreement, whether completed, partially completed, or in progress.

In the event of termination, an equitable adjustment in the funds provided by this Agreement shall be made. Such adjustment shall include reasonable compensation for all services rendered, materials, supplies, and expenses incurred pursuant to this Agreement prior to the effective date of termination.

In the event an adjustment is made as specified above, the Contractor shall promptly return to the County all unexpended distributions advanced pursuant to this Agreement.

Said notice shall become part of this Agreement upon acknowledgment in writing by the County Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XXVII

Indemnity: The Contractor shall defend, indemnify, and hold the County, its Officers, employees, agents, and representatives harmless against and from any and all claims, suits, losses, damages and liability for damages of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the Contractor's services, operations, or performance hereunder, regardless of the existence or degree of fault or negligence on the part of the County, the Contractor, subcontractor(s) and employee(s) of any of these, except for the sole, or active negligence of the County, its officers and employees, or as expressly prescribed by statute. This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

 - b. The number of travel participants for each out-of-county event, in most instances, should be limited to one or two staff members, and those individuals should be responsible for sharing information with other interested parties upon return.
 - c. If out-of-county travel involves training or meetings of such technical nature that broader representation would be in the best interest of the County, the department head may submit a memo explaining the situation to the Chief Administrative Office, attached to travel requests, requesting authorization for a group of travelers.

d. Non-County personnel travel expenses are not normally provided for since only costs incurred by and for county officers and employees on county business are reimbursable. However, reimbursement is allowable for county officers (elected officials and appointed department heads) and employees who have incurred expenses for non-county staff in the following circumstances.

- (1) Meals for persons participating on a Human Resources interview panel when deemed appropriate by the Director of Human Resources.
- (2) Conferences between County officials and consultants, experts, and public officials other than officers of El Dorado County, which are for the purpose of discussing important issues related to County business and policies.
- (3) Transportation expenses for a group of County officers and employees and their consultants, and experts on a field trip to gain information necessary to the conduct of County business.
- (4) Lodging expenses for non-county personnel are NOT reimbursable except when special circumstances are noted and approved in advance by the Chief Administrative Office. Otherwise, such expenses must be part of a service contract in order to be paid.

4. Mode of Transport

- a. Transportation shall be by the least expensive and/or most reasonable means available.

- b. Private auto reimbursement may be authorized by the department head for county business travel within county and out of county. Reimbursement shall not be authorized for commuting to and from the employee's residence and the employee's main assigned work site, unless required by an executed Memorandum of Understanding between the County and a representing labor organization, or one-time, special circumstances approved by a department head.
- c. Out of county travel by county vehicle or private vehicle may be authorized if the final destination of the trip does not exceed a four (4) hour driving distance from the County offices. Any exception to this policy must receive prior approval from the Chief Administrative Officer. If air travel would be more economical, but the employee prefers to drive even though travel by car would not be in the County's best interest, the County will reimburse transportation equal to the air travel; transportation costs over and above that amount, as well as any extra days of lodging and meals, etc., will be considered a personal, not reimbursable cost of the traveler.
- d. Common carrier travel must be in "Coach" class unless otherwise specifically authorized in advance by the Chief Administrative Officer. Generally, any costs over and above coach class shall be considered a personal, not reimbursable expense of the traveler.
 - (1) Rental cars may be used as part of a trip using public transportation if use of a rental car provides the most economical and practical means of travel. The use of a rental car must be noted on the Travel Authorization in advance and authorized by the Department Head

and Chief Administrative Officer. Justification for the use of the rental car must accompany that request. Rental car costs will not be reimbursed without prior authorization except in the case of emergencies. Exceptions may be granted at the sole discretion of the Chief Administrative Officer or designated CAO staff.

5. Reimbursement Rates

a. a. Maximum rates for reimbursement may not be exceeded unless due to special circumstances documented by the department head and approved by the Chief Administrative Officer. The amount of any reimbursement above the maximum shall be at the sole discretion of the Chief Administrative Officer.

b. Private Auto

Travel by private auto in the performance of "official County business" shall be reimbursed at the Federal rate as determined by the Internal Revenue Service.

Mileage for travel shall be computed from the employee's designated work place. If travel begins from the employee's residence, mileage shall be calculated from the residence or work place, whichever is less. (For example, an employee who lives in Cameron Park and drives to a meeting in Sacramento, leaving from the residence will be paid for mileage from the residence to Sacramento and back to the residence.)

The mileage reimbursement rate represents full reimbursement, excluding snow chain installation and removal fee, for expenses incurred by a County

officer or employee (e.g., fuel, normal wear and tear, insurance, etc.) during the use of a personal vehicle in the course of service to El Dorado County.

c. Meals

Actual meal expenses, within maximum allowable rates set forth below, may be reimbursed routinely out-of-county travel, and for in-county overnight travel. Meals will not be provided for in-county travel or meetings which do not involve overnight lodging, unless special circumstances are involved such as the following:

- (1) When meals are approved as part of a program for special training sessions, conferences, and workshops;
- (2) When employees traveling from the western slope of the county to Lake Tahoe and vice-versa are required to spend the entire work day at that location;
- (3) When the Director of Human Resources deems it appropriate to provide meals to a Human Resources interview panel;
- (4) When Senior Managers and/or Executives of El Dorado County or the El Dorado County Water Agency meet with executives of other governmental agencies, community organizations, or private companies in a breakfast, lunch or dinner setting in order to conduct County business. While such meetings are discouraged unless absolutely necessary to the efficient conduct of County or Water Agency business, such expenses for County managers require approval by the Chief Administrative Officer.

Actual costs of meals may be reimbursed up to a total of \$40 per day without regard to how much is spent on individual meals (e.g., breakfast, lunch, dinner, snacks), and without receipts. If an employee is on travel status for less than a full day, costs may be reimbursed for individual meals within the rates shown below.

Breakfasts may be reimbursed only if an employee's travel consists of at least 2 hours in duration before an employee's regular work hours. Dinner may be reimbursed if travel consists of at least 2 hours in duration after an employee's regular work hours.

Maximum Allowable Meal Reimbursement

Breakfast	\$8.00
Lunch	\$12.00
Dinner	\$20.00
Total for full day	\$40.00/day

d. Lodging

- (1) Lodging within county may be authorized by a department head if assigned activities require an employee to spend one or more nights in an area of the county which is distant from their place of residence (e.g., western slope employee assigned to 2-day activity in South Lake Tahoe).
- (2) Lodging may be reimbursed up to \$125 per night, plus tax, single occupancy. The Chief Administrative Office may approve extraordinary costs above these limits on a case by case basis when

the responsible department head and Chief Administrative Office determine that higher cost is unavoidable, or is in the best interest of the County.

- (3) Single rates shall prevail except when the room is occupied by more than one County employee. However, nothing in this policy shall be construed to require employees to share sleeping accommodations while traveling on County business. In all travel, employees are expected to secure overnight accommodations as economically as possible and practical.
- (4) Lodging arrangements should be made, whenever possible and practicable, at hotels/motels which offer a government discount, will waive charges to counties for Transient Occupancy Tax, or at which the County has established an account. When staying at such a facility, the name of the employee and the department must appear on the receipt of the hotel/motel bill.

e. **Other Expenses**

All other reasonable and necessary expenses (i.e., parking, shuttle, taxi, etc.) will be reimbursed at cost if a receipt is submitted with the claim.

Receipts are required except for those charges where receipts are not customarily issued, for example, bridge tolls and snow chain installation and removal fees. When specific cost guidelines are not provided by the county, reasonableness of the expense shall be considered by the

department head and Chief Administrative Officer before deciding whether to approve.

Reasonable costs for snow chain installation and removal may be claimed and reimbursed. The purchase cost of snow chains would not be an allowable charge against the county.

6. Advance Payments

The Auditor may provide advance funds for estimated "out of pocket" expenses up to seventy-five percent (75%), but no less than \$50.00. The "out of pocket" expenses may include meals, taxi and public transportation, lodging, parking, and pre-registration costs.

7. Compliance - Claimant Responsibility

It is the responsibility of the claimant to understand and follow all policies and procedures herein in order to receive reimbursement for mileage, travel and expense claims. Any form completed improperly or procedure not followed may result in the return of a claim without reimbursement.

8. Procedures:

- a. Authorization to incur expenses must be obtained as set forth in this County policy, and as may be directed by the department.
- b. Requests for advance funds for anticipated travel expenses itemized on the Travel Authorization Request form are obtained by indicating this need on that form prior to processing the request.

- c. Forms which require Chief Administrative Office approval should be submitted to the Chief Administrative Office, after department head approval, at least 7 to 10 days prior to travel to allow time for processing through County Administration and Auditor's Department.
- d. Cancellation of travel, requires that any advanced funds be returned to the Auditor Controller's office within five (5) working days of the scheduled departure date. If the advance is not returned within this time frame, the employee could jeopardize their standing to receive advances in the future.
- e. Travel Claims are due to the Auditor within 30 days after completion of travel. Personal Mileage and Expense Claims are due to the Auditor within 15 days after the end of each calendar month. The due date may be extended if deemed appropriate by the County Auditor. Claims must itemize expenses as indicated on claim forms, and must be processed with receipts attached.
- f. Reimbursements will be provided expeditiously by the County Auditor upon receipt of properly completed claim forms. The Auditor's Office shall promptly review claims to determine completeness, and if found incomplete, will return the request to the claimant noting the areas of deficiency.
- g. Personal Mileage and Expense Claim forms should be completed for each calendar month, one month per claim form. These monthly claims are due to the Auditor within 15 days following the month end; however, the deadline may be extended if deemed appropriate by the County Auditor. If monthly amounts to be claimed are too small to warrant processing at the

end of a month (i.e., if cost of processing would exceed the amount being claimed), the claims for an individual may be accumulated and processed in a batch when a reasonable claim amount has accrued. In any event, such claims shall be made and submitted to the County Auditor for accounting and payment within the same fiscal year as the expense was incurred.

h. Expense Claim Form

For the purpose of travel and meeting expenses, the claim form is to be used for payments to vendors. The employee must obtain Department Head approval and submit the claim to the Auditor's Office within sixty (60) days of the incurred expense.
