Hello Supervisors and Clerk of the Board,

In review of the agenda for tomorrow's meeting, I have a comment for consent item 7. The request is to adopt a resolution adding parking restrictions on Pearl Place.

It also shows on the agenda that it is 100% funded by the Road Fund. However, there is no cost estimate included to reflect the total amount you are approving for the work.

I believe that is important for the public to see what the effort will cost before approval

Regards,
