Report Suspicious

Honorable Board of Supervisors,

As a resident of south El Dorado County and happy customer of the El Dorado Disposal Service since 1994.

El Dorado Disposal has provided professional and flawless service to us for over thirty-one years. We always take advantage of the "coupons" that we receive annually that allow us to have extra green waste, E-waste, appliance pickups along with free drop offs at the transfer station.

In addition, El Dorado Disposal has been a wonderful partner to the community of Grizzly Flats by working closely with the Grizzly Flats Fire Safe Council by providing discounted rates for dumpsters for their annual Community Clean-Up and Green Waste days.

I support the proposed minimal monthly cost increase.

Respectfully,

Mark Almer
