Hi Suzanne and Cindy,

I would like to request that agenda item 09-1488 scheduled for 12/15 be continued to January 12th. We are still in the process of trying to finalize the agreement. I would like to give Paula some time to review it and would like to make sure that the Board has time to review it. I spoke with Carl Clark at Georgetown Divide Recreation District and he is fine with it going on January 12th.

Sorry for the inconvenience. Please let me know if this is a problem.
