

TO: Ron Mikulaco, El Dorado County Supervisor, District 1

FROM: Kevin A. Loewen, Director of Parks and Planning, El Dorado Hills CSD

SUBJECT: El Dorado Solid Waste Advisory Committee (EDSWAC), Member Resignation

DATE: August 12, 2015

With my appointment to EDSWAC in 2014 considered temporary until the El Dorado Hills Community Services District was able to fill the Administration and Finance Director position, I am pleased to provide you my letter of resignation from the Committee. The CSD has filled the previously vacant position, and an application for her appointment to replace my seat on the Committee should be before you.

I appreciate the opportunity provided to me as an EDSWAC member and feel strongly that the Committee, and subcommittees, are doing great work.

Cordially,
