Scope of Work

**5. Services to be Performed**

A. The following Medi-Cal Administrative Activities (MAA) are *eligible* for Federal Financial Participation (FFP) only when they are identified in a MAA Claiming Plan approved by the State and the Centers for Medicare and Medicaid Services (CMS):

- 1) **Allowable Medi-Cal Outreach:** This activity may consist of discrete campaigns or may be an ongoing activity. This activity is directed to groups or individuals targeted to two goals:
  - a. Bringing potential eligibles into the Medi-Cal system for the purpose of determining Medi-Cal eligibility.
  - b. Bringing Medi-Cal eligibles into Medi-Cal services.

Outreach may consist of discrete campaigns or may be an ongoing activity, such as: sending teams of employees into the community to contact homeless alcoholics or drug abusers; establishing a telephone or walk-in service for referring persons to Medi-Cal services or eligibility offices; operating a drop-in community center for underserved populations, such as minority teenagers where Medi-Cal eligibility and service information is disseminated.

**NOTE: Public health outreach conducted by Local Government Agencies (LGAs) shall not duplicate the requirements on Medi-Cal managed care providers to pursue the enrollment of Medi-Cal eligibles in their service areas.**

- c. Allowable outreach activities shall be discounted by the Medi-Cal percentage or not discounted as follows:
  - (1) Not Discounted: Outreach campaigns directed to the entire population to encourage potential Medi-Cal eligibles to apply for Medi-Cal are allowable, and the costs do not have to be discounted by the Medi-Cal percentage. These campaigns are Medi-Cal only eligibility outreach campaigns:
    - a) Outreach campaigns directed toward bringing Medi-Cal eligibles into Medi-Cal covered services are allowable and the costs do not have to be discounted by the Medi-Cal percentage. In such campaigns, the language should clearly indicate that the message is directed only to persons eligible for Medi-Cal, and not the general public. These campaigns are service campaigns, targeted on specific Medi-Cal services, such as Early and Periodic Screening, Diagnosis and Treatment (EPSDT).
    - b) A health education program or campaign may be allowable as a Medi-Cal administrative cost if it is targeted specifically to Medi-Cal services and for Medi-Cal eligible individuals, such as an educational campaign on immunization addressed to parents of Medi-Cal children. If the entire campaign is focused on Medi-Cal, the costs need not be discounted.
  - (2) Discounted: Outreach campaigns directed towards bringing specific high risk populations (including both Medi-Cal and non-Medi-Cal persons) into health care services are only allowable to the extent they bring Medi-Cal eligibles into Medi-Cal services. The costs of these activities are claimable but discounted by the Medi-Cal percentage.

**Exhibit A**  
**Scope of Work**

- a) If a specific Medi-Cal health education program is included as part of a broader general health education program, the Medi-Cal portion may be allowable if the cost of the general health education program is discounted according to the Medi-Cal percentage. Telephone, walk-in, or drop-in services for referring persons to Medi-Cal services, sometimes called "Information and Referral" are also allowable and discounted by the Medi-Cal percentage.
  - b) Discount methods approved by DHCS and CMS for calculating the Medi-Cal percentage discount may be utilized.
  - c) The Contractor may contract with non-governmental agencies or programs to conduct outreach activities. The subcontracted providers of TCM services, except in local education agencies, may conduct outreach activities, so long as the TCM service(s) and outreach activities are not performed by the same subcontractor employee. The subcontracted providers shall maintain an accurate accounting and reporting of the time spent on providing TCM services and performing allowable MAA outreach activities.
- 2) **Not-Allowable Medi-Cal Outreach:** Some activities that are not considered Medi-Cal outreach under any circumstances are:
- a. General preventive health education programs or campaigns addressed to lifestyle changes in the general population (e.g., Substance Abuse Narcotics Education (SANE), Drug Abuse Resistance Education (DARE), dental prevention, antismoking, alcohol reduction, etc.) are not allowable MAA.
  - b. Outreach campaigns directed toward encouraging persons to access social, educational, legal or other services not covered by Medi-Cal are not allowable.
- 3) **Facilitating Medi-Cal Application (Eligibility Intake):** This activity includes explaining Medi-Cal eligibility rules and the Medi-Cal eligibility process to prospective applicants; assisting an applicant to fill out a Medi-Cal eligibility application; gathering information related to the application and eligibility determination or re-determination from a client, including resource information and third party liability information, as a prelude to submitting a formal Medi-Cal application to the county welfare department; and/or providing necessary forms and packaging all forms in preparation for the Medi-Cal eligibility determination. This activity does not include the eligibility determination itself. These costs do not have to be discounted. The Contractor may contract with non-governmental agencies or programs to conduct eligibility intake activities. Providers of TCM services may conduct eligibility intake, so long as the service(s) and eligibility intake are not performed by the same employee. The non-governmental agencies or programs shall maintain an accurate accounting and reporting of the time spent on providing TCM services and performing Medi-Cal eligibility intake activities.
- 4) **Non-Emergency, Non-Medical Transportation:** The actual costs of arranging and providing non-emergency, non-medical transportation, and accompaniment, when medically necessary, by an attendant (not a TCM case manager) of Medi-Cal eligibles to Medi-Cal services are allowable as a Medi-Cal administrative cost to the extent that such costs are actually borne by the Contractor in accordance with 42 Code of Federal Regulations, Section 440.170. Examples of allowable non-emergency, non-medical transportation costs include: taxi vouchers, bus tokens, mileage etc. The cost of mileage, meals and lodging will be no higher than allowed for travel by the federal General Services Administration. The cost of providing non-emergency, non-medical

**Exhibit A**  
**Scope of Work**

transportation for which no actual cost is borne by the State or Contractor is not an allowable MAA cost.

- a. **Separate Transportation Unit or Service:** In situations where a Contractor operates a separate transportation unit or contracts for the provision of transportation services, the costs of the unit or the contractor of actually providing the Medi-Cal non-emergency, non-medical transportation services for Medi-Cal eligibles to Medi-Cal covered services are an allowable Medi-Cal administrative cost. Costs may be calculated on a per mile or per trip basis for each Medi-Cal client transported, or by any other method allowed by Federal Law and Regulation.
  - b. **Transportation Costs and Targeted Case Management (TCM):** The costs of arranging for transportation of Medi-Cal eligibles to Medi-Cal services are part of the TCM rate. Therefore, the costs incurred by TCM case managers in arranging transportation for Medi-Cal eligibles to Medi-Cal services are not claimable as Medi-Cal administration. The TCM rate includes the travel costs incurred by the TCM case manager in providing the TCM services. A TCM case manager may transport or accompany a Medi-Cal eligible to a Medi-Cal service appointment only if the case manager is performing case management functions while actually accompanying the client. In such situations, the costs of the accompanying and transportation will be in the TCM rate and should not be claimed separately as an administrative activity.
- 5) **MAA Implementation Training:** Activities include the giving or receiving of training related to the overall implementation of the MAA program.
  - 6) **Other Training:** Training activities shall be time studied in accordance with the purpose of the training. For example, training related to Medi-Cal outreach shall be claimed as "Outreach"; training related to assisting a potential applicant complete a Medi-Cal application shall be claimed as "Facilitating Medi-Cal Application", etc. Training that is unrelated to MAA is not allowable.
  - 7) **Contracting for Medi-Cal Services:** This activity involves entering into agreements with community based organizations or other provider agencies for the provision of Medi-Cal services other than TCM and/or MAA. The costs of TCM subcontract administration should be included in the TCM rate.

**NOTE:** A Contractor has the option of claiming the costs of contract administration for allowable MAA, such as Outreach, under that activity or the costs may be claimed under Contract Administration. Under no circumstances are the costs of contract administration for allowable MAA to be claimed under both Contract Administration and the activity, such as Outreach. Contracting for Medi-Cal services may only be claimed under Contract Administration.

Contracting for Medi-Cal services and/or MAA is claimable as an administrative activity when the administration of those agreements meets all of the following criteria:

- a. The contract administration is performed by an identifiable unit of one or more employees, whose tasks officially involve contract administration, according to the duty statements or job descriptions of the employees being claimed.
- b. The contract administration involves contractors that provide Medi-Cal services and/or MAA. The costs of contracting for TCM services with non-LGA providers should be claimed as part of the TCM rate. These costs cannot be separately claimed as MAA.

**Exhibit A**  
Scope of Work

- c. TCM case managers and LGA subcontractors cannot claim for contract management. It is claimable only when performed by an LGA.
- d. The administrative costs of contracting by LGAs as service providers under managed care arrangements may not be claimed administratively and are considered to be in the managed care capitation payment to the LGA.
- e. The contract administration must be directed to one or more of the following goals:
  - (1) Identifying, recruiting, and contracting with community agencies as Medi-Cal service contract providers;
  - (2) Providing technical assistance to Medi-Cal subcontractors regarding County, State and Federal regulations;
  - (3) Monitoring provider agency capacity and availability; and
  - (4) Ensuring compliance with the terms of the agreement.

The contracts being administered must be for Medi-Cal services and/or MAA and may involve Medi-Cal populations only or may be general medical service agreements involving Medi-Cal and other indigent, non-Medi-Cal populations. When the contract involves a Medi-Cal and non-Medi-Cal population, the costs of contract administration shall be **discounted** by the Medi-Cal percentage.

- 8) **Program Planning and Policy Development (PP&PD):** This activity may be claimed at the enhanced rate (75 percent FFP) if performed by a Skilled Professional Medical Personnel (SPMP), or the non-enhanced rate (50 percent FFP) if performed by a non-SPMP.
- a. Allowable: This activity is claimable when performed, either part-time or full-time, by one or more Contractor employees and subcontractors whose tasks officially involve PP&PD. Contractor employees performing this activity must have the tasks identified in the employee's position descriptions/duty statements. If the programs serve both Medi-Cal and non-Medi-Cal clients, the costs of PP&PD activities must be allocated according to the Medi-Cal percentages being served by the programs.

This activity is claimable as a direct charge for Medi-Cal administration only when PP&PD is performed by a unit of one or more Contractor employees who spend 100 percent of their paid working time performing this activity. This activity is claimable only if the administrative amounts being claimed for PP&PD persons and activities are not otherwise included in other claimable cost pools; and the amounts being claimed for such persons employed by (and activities taking place in) a service provider setting are not otherwise being reimbursed through the billable service rate of that provider. Costs for persons performing this activity less than 100 percent of their time will be based on a time-survey.

In LGAs with county-wide managed care arrangements, PP&PD activities are claimable as Medi-Cal administration only for those services that are excluded from the managed care contracts.

Under the conditions specified above, the following tasks are allowable as MAA under this activity:

**Exhibit A**  
Scope of Work

- (1) Developing strategies to increase Medi-Cal system capacity and close Medi-Cal service gaps. This includes analyzing Medi-Cal data related to a specific program or specific group.
  - (2) Interagency coordination to improve delivery of Medi-Cal services.
  - (3) Developing resource directories of Medi-Cal services/providers.
  - (4) For subcontractors, some PP&PD support services are allowable, e.g., developing resource directories, preparing Medi-Cal data reports, conducting needs assessments, or preparing proposals for expansion of Medi-Cal services.
- b. Not allowable: This activity is not allowable if staff performing this function are employed full-time by service providers, such as clinics. The full costs of the employee's salary are assumed to be included in the billable fee-for-service rate and separate MAA claiming is not allowed.

This activity is not allowable if staff who deliver services part-time in a LGA service provider setting, such as a clinic, are performing PP&PD activities relating to the service provider setting in which they deliver services.

- 9) **General Administration:** This includes activities that are eligible for cost distribution on an OMB Circular A-87 approved cost allocation basis. These costs are to be distributed proportionately to all of the activities performed:
- a. Attend or conduct general, non-medical staff meetings;
  - b. Develop and monitor program budgets;
  - c. Provide instructional leadership, site management, supervise staff, or participate in Employee performance reviews;
  - d. Review departmental or unit procedures and rules;
  - e. Present or participate in, in-service orientations and programs; and
  - f. Participate in health promotion activities for employees of the Contractor.
- 10) **Paid Time Off:** This activity is to be used by all staff involved in MAA to record usage of paid leave, including vacation, sick leave, holiday time and any other employee time off that is paid. This does not include lunch or meal breaks, off payroll time, or Compensatory Time Off (CTO) which shall be allocated as prescribed by the State.

11) **Compensatory Time Off:**

CTO shall be time surveyed to the activity performed while working the extra hours.

- 12) **MAA/TCM Coordination and LGA Claims Administration:** Contractor employees whose position description/duty statement includes the administration of MAA and TCM on a Local Governmental

**Exhibit A**  
Scope of Work

Agency (LGA) service region-wide basis, may claim for the costs of these activities on the MAA detailed invoice as a direct charge.

Costs incurred in the preparation and submission of MAA claims at any level, including staff time, supplies, and computer time, may be direct charged. If the MAA/TCM Coordinator and/or claims administration staff are performing this function part-time, along with other duties, they must certify the percentage of total time spent performing the duties of MAA coordination and/or claims administration. The percentage certified for the MAA/TCM Coordinator and/or claims administration staff activities must be used as the basis for federal claiming. Charges for supervisors, clericals, and support staff may be allocated based upon the percentage of certified time of the MAA/TCM Coordinator and claims administration staff.

a. The MAA/TCM Coordinator and claims administration staff may claim the costs of the following activities, as well as any other reasonable activities directly related to the Contractor's administration of TCM services and MAA at the LGA-wide level:

- (1) Drafting, revising, and submitting MAA Claiming Plans, and TCM performance monitoring plans.
- (2) Serving as liaison with and monitoring the performance of claiming programs within the LGA and with the State and Federal Governments on MAA and TCM.
- (3) Administering LGA claiming, including overseeing, preparing, compiling, revising and submitting MAA and TCM invoices on a LGA-wide basis to the State.
- (4) Attending training sessions, meetings, and conferences involving MAA and/or TCM.
- (5) Training Contractor program and subcontractor staff on State, Federal, and Local requirements for MAA and/or TCM claiming.
- (6) Ensuring that MAA and/or TCM invoices do not duplicate Medi-Cal invoices for the same services or activities from other providers. This includes ensuring that services are not duplicated when a Medi-Cal beneficiary receives TCM services from more than one case manager.

**NOTE:** The costs of the MAA/TCM Coordinator's time and claims administration staff time must not be included in the MAA claiming or in the TCM rate, since the costs associated with the time are to be direct charged. Charges for supervisors, clericals, and support staff for these employees may be allocated based upon the percentage of certified time of the MAA/TCM Coordinator and claims administration staff. The costs of TCM claiming activity at the TCM provider level are to be included in the TCM rate.

b. Using the State Department of Health Care Services Time Survey for Employees Performing Medi-Cal Administrative Activities and/or Targeted Case Management (DHCS 7093), which will be disseminated through policy directives, issued by the State, conduct an annual time survey for one month. DHCS has designated the annual MAA time survey to occur in either September or October. The time survey will identify all time spent on each of the above allowable MAA, non-claimable activities, and general administration and paid time off, which are proportionately allocated to all activities. The activities of staff providing Medi-Cal administration must be documented in accordance with the provisions of 42 CFR Sections 432.50, 433.32, and 433.34, and 45 CFR Parts 74 and 95, and OMB Circular A-87.

**Exhibit A**  
Scope of Work

All non-Medi-Cal related activities and direct patient care services shall be time surveyed to "Other Programs/Activities" or "Direct Patient Care" on the Time Survey form, as appropriate.

- c. Comply with enabling legislation, regulations, administrative claiming process directives, and the Policy and Procedure Letters of the DHCS Safety Net Financing Division incorporated by reference in Exhibit E, Provision 1, which define program specific allowable MAA.

  - e. Not discriminate against any eligible person because of race, religion, political beliefs, color, national or ethnic origin, ancestry, mental or physical disability, medical condition, marital status, age or sex.
  - f. Ensure all applicable State and federal requirements, as identified in Exhibit E, Provision 4, are met in performing MAA under this agreement. It is understood and agreed that failure by the Contractor to ensure all applicable State and Federal requirements not met in performing MAA under this agreement shall be sufficient cause for the State to deny or recoup payments to the Contractor and/or to terminate this agreement.
  - g. Submit a letter of intent to participate in the MAA Program six (6) months prior to the termination of this agreement for the purpose of extending the term of the agreement or initiating a new agreement, whichever is preferred by DHCS.
  - h. When an amendment of the contract is necessary because the original projected expenditure (aka: funding) was insufficient, a request must be submitted to DHCS at least 6 months prior to the end of the FY for which additional funding is necessary. If this request is not received timely, the contract will not be amended to address the insufficient funding and subsequent affected invoices will not be paid.
- B. The following MAA are *not eligible* for Federal Financial Participation (FFP) and must be excluded from claims:
- 1) Extensions of Direct Medical Services: Not allowable as MAA are activities that are integral parts or extensions of direct medical services, such as patient follow-up, patient assessment, patient education, or counseling.

Budget Detail and Payment Provisions

  - a. The maximum rate of Federal reimbursement for compensation (salary and benefits), of activities qualifying under Federal regulations applying to "Skilled Professional Medical Personnel (SPMP)" of a public agency and their "directly supporting staff" shall be 75 percent of such costs for activities identified as "enhanced." The maximum rate of reimbursement for allowable costs of activities identified as "non-enhanced", performed by SPMP and their directly supporting staff, shall be 50 percent. The maximum rate of reimbursement for all allowable costs other than compensation applicable to SPMPs and their directly supporting staff shall be 50 percent.

The State shall deny payment of any claim submitted under this agreement if it determines that the certification is not adequately supported for purposes of Federal Financial Participation (FFP). Expenditures certified for MAA costs shall not duplicate, in whole or in part, claims made for the costs of direct patient care. The following certification statement shall be made on each Summary Invoice submitted to the State for payment for the performance of MAA:

and that these claimed expenditures have not been nor shall not subsequently be used for federal match in this or any other program. I have notice that the information is to be used for filing of a claim with the Federal Government for federal funds and knowing misrepresentation constitutes violation of the Federal False Claims Act."

**2. Budget Contingency Clause**

- A. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the DHCS shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.
- B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the DHCS shall have the option to either cancel this Agreement with no liability occurring to the DHCS, or offer an agreement amendment to Contractor to reflect the reduced amount.

**3. Prompt Payment Clause**

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

**4. Amounts Payable**

  - 3) \$ 500,000.00 for the budget period of 07/01/16 through 06/30/17.
- B. Reimbursement shall be made for allowable expenses up to the amount annually encumbered commensurate with the state fiscal year in which services are performed and/or goods are received.

**5. Participation in Medi-Cal Administrative Claiming Process**

- A. As a condition of participation in the Medi-Cal Administrative Claiming process, and in recognition of revenue generated in the Medi-Cal Administrative Claiming process, the Contractor shall pay an annual participation fee through a mechanism agreed to by the State and Contractors, or, if no agreement is reached by August 1 of each year, directly to the State.
- B. The participation fee shall be used to cover the cost of administering the Medi-Cal Administrative Claiming process, including, but not limited to, claims processing, technical assistance, and monitoring. The State shall determine and report staffing requirements upon which projected costs will be based.

**Exhibit B**  
Budget Detail and Payment Provisions

- C. The amount of the participation fee shall be based upon the anticipated State salaries, benefits, operating expenses and equipment, necessary to administer the Medi-Cal Administrative Claiming process and other costs related to that process.

**6. Non-Federal Matching Funds for Medi-Cal Administrative Activities**

The Contractor will expend one hundred percent (100%) of the non-federal share of the cost of performing Medi-Cal Administrative Activities. By signing this agreement the Contractor certifies that the funds expended for this purpose shall be from the Contractor's general fund or from any other funds allowable under federal law and regulation.

**7. Claiming Overhead Costs**

- A. In order to claim administrative overhead costs, also referred to as "External Administrative Overhead" costs, the Contractor must have a State Controller's Office approved LGA administrative overhead cost allocation plan for the applicable period and these costs must be claimed in accordance with the plan. A LGAs plan is submitted to the California State Controller's Office, which has delegated authority from the Federal Government to approve it.
- B. Internal (departmental) administrative overhead costs are allowable for FFP only if there is a departmental overhead indirect cost allocation plan prepared and on file for audit purposes for the applicable period and costs are claimed in accordance with it following Federal Office of Management and Budget (OMB) Circular A-87 guidelines.
- C. Both external and internal administrative cost allocation plans must comply with provisions of the federal OMB Circular A-87, entitled "Cost Principles for State, Local, and Indian Tribal Governments" and Federal Publication OASC-10, entitled "A Guide for State and Local Governments/Cost Principles and Procedures for Establishing Cost Allocation Plans and Indirect Cost Rates for Grants and Contracts with the Federal Government."
- D. The Contractor must assure that costs claimed as direct costs not duplicate costs claimed through the application of the indirect cost rate.

**8. Offset of Revenues**

- A. To the extent that other funding sources have paid or would pay for the costs at issue, Federal Financial Participation (FFP) is not available and the costs must be removed from the total costs (*OMB Circular A-87, Attachment A, Part C., Item 4.a.*). The revenue offset categories which must be applied in developing the net costs include, but are not limited to:
- 1) All unallowable federal funds, including not only federal grants but also federal payments for services under Medicare fee-for-service or encounter rates.
  - 2) All state expenditures which have been previously matched by the federal government (*includes Medicaid funds for medical assistance, such as the payment rate for services under fee-for-service or encounter rates*). Claims submitted will not be duplicative of Medicaid claims for costs that are part of the all inclusive rate for direct patient care.

**Exhibit B**  
Budget Detail and Payment Provisions

- 3) Private insurance and other fees collected from non-governmental sources.
- 4) All applicable credits must be offset against claims for Medicaid funds. Applicable credits refer to those receipts or reduction of expenditure type transactions that offset or reduce expense items allocable to federal awards as direct or indirect costs.
- 5) A program may not claim any federal match for administrative activities if its total cost has already been paid by the revenue sources above. A government program may not be reimbursed in excess of its actual costs, i.e., make a profit.

**9. Requirements for Federal Financial Participation**

- A. Per 42 CFR, Section 432.2 et seq., and Section 433.1 et seq., Skilled Professional Medical Personnel (SPMP), and directly supporting staff, eligible for enhanced funding are defined as physicians, dentists, nurses, and other specialized personnel who have professional education and training in the field of medical care or appropriate medical practice and who are in an employer-employee relationship with the Contractor. SPMPs do not include other non-medical health professionals such as public administrators, medical analysts, lobbyists, senior managers or administrators of public assistance programs or of the Medi-Cal program.
- B. The seventy-five percent (enhanced) federal matching rate is only available for a Contractor that is contractually linked to the DHCS to perform Medi-Cal Administrative Activities. The enhanced federal matching rate can be claimed for salaries, benefits, travel and training of SPMP and their directly supporting clerical staff who are in an employee-employer relationship with the Contractor and are involved in activities that are necessary for the proper and efficient administration of the Medi-Cal Program.
- C. Fifty percent (non-enhanced) federal matching rate can be claimed for any of the Contractor's staff, or subcontractors, involved in the performance of activities that are necessary for the proper and efficient administration of the Medi-Cal Program. This includes claiming for SPMP and directly supporting clerical staff performing related activities that are non-enhanced. Additionally, the ability to claim SPMP under the MAA program is activity driven not education based. Expenditures for the actual furnishing of medical services by SPMP do not qualify for reimbursement via Medi-Cal Administrative Claiming, as medical services are paid for in the fee-for-services system.
- D. Qualifying SPMP costs may be matched at the 75 percent rate in proportion to the time worked by SPMP in performing those duties that require professional medical knowledge and skills, as evidenced by position descriptions, job announcements, or job classifications.

**10. Expense Allowability/Fiscal Documentation**

- A. Invoices, received from a contractor and accepted and/or submitted for payment by DHCS, shall not be deemed evidence of allowable agreement costs.
- B. Contractor shall maintain for review and audit and supply to DHCS upon request, adequate documentation of all expenses claimed pursuant to this agreement to permit a determination of expense allowability.

**Exhibit B**  
**Budget Detail and Payment Provisions**

- C. If the allowability or appropriateness of an expense cannot be determined by the DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles or practices, all questionable costs may be disallowed and payment may be withheld by the DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.

**11. Federal Audit Disallowances**

- A. In addition to the indemnification required by Exhibit C, Provision 5, and notwithstanding any other provision of this agreement, the State shall be held harmless, in accordance with Provision 2, Budget Contingency Clause, paragraphs A and B, from any federal audit disallowance and interest resulting from payments made to the Contractor pursuant to W&I Code Section 14132.47, and this agreement, less the amounts already remitted to the State.
- B. To the extent that a federal audit disallowance and interest results from a claim or claims for the Contractor has received reimbursement for MAA, the State shall recoup from the Contractor which submitted the disallowed claim, through offsets or by direct billing, amounts equal to the amount of the disallowance plus interest in that fiscal year, less any amount already remitted to the State for the disallowed claim. All subsequent claims submitted to the State applicable to any previously disallowed MAA or claim, may be held in abeyance, with no payment made, until the federal disallowance issue is resolved.
- C. To the extent that a federal audit disallowance and interest results from a claim or claims for which the Contractor has received reimbursement for MAA performed by a non-governmental entity under agreement with, and on behalf of, the Contractor, the State shall be held harmless by that particular Contractor for 100 percent of the amount of any such final federal audit disallowance and interest less the amounts already remitted to the State for the disallowed claim.

**12. Program Name and Number for Federal Claiming**

- A. Title 31 – Money and Finance, Subtitle V – General assistance Administration, Chapter 75 – Requirements for Single Audits, Section 7502 requires each pass-through entity provide the subrecipient program names and any identifying numbers from which such assistance is derived. The Catalog of Federal Domestic Assistance (CFDA) number for this federal program is 93.778, Medical Assistance Program.
- B. Contractor shall include the language in Provision 12, Item A, in its contracts with subrecipients and vendors.

- e. The Contractor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

Written authorization may be in a form including fax or email confirmation.

## 3. Procurement Rules

(Applicable to agreements in which equipment/property, commodities and/or supplies are furnished by DHCS or expenses for said items are reimbursed by DHCS with state or federal funds provided under the Agreement.)

Software and videos are examples of intangible items that meet this definition.

All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

## 9. Federal Contract Funds

(Applicable only to that portion of an agreement funded in part or whole with federal funds.)

- a. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the Agreement were executed after that determination was made.

## 10. Intellectual Property Rights

### a. Ownership

- (2) For the purposes of this Agreement, Intellectual Property means recognized protectable rights and interest such as: patents, (whether or not issued) copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will and all other legal rights protecting intangible proprietary information as may exist now and/or here after come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.
  - (a) For the purposes of the definition of Intellectual Property, "works" means all literary works, writings and printed matter including the medium by which they are recorded or reproduced, photographs, art work, pictorial and graphic representations and works of a similar nature, film, motion pictures, digital images, animation cells, and other audiovisual works including positives and negatives thereof, sound recordings, tapes, educational materials, interactive videos and any other materials or products created, produced, conceptualized and fixed in a tangible medium of expression. - (3) In the performance of this Agreement, Contractor will exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, under this Agreement, Contractor may access and utilize certain of DHCS' Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, Contractor shall not use any of DHCS' Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of DHCS. **Except as otherwise set forth herein, neither the Contractor nor DHCS shall give any ownership interest in or rights to its Intellectual Property to the other Party.** If during the term of this Agreement, Contractor accesses any third-party Intellectual Property that is licensed to DHCS, Contractor agrees to abide by all license and confidentiality restrictions applicable to DHCS in the third-party's license agreement.
- (4) Contractor agrees to cooperate with DHCS in establishing or maintaining DHCS' exclusive rights in the Intellectual Property, and in assuring DHCS' sole rights against third parties with respect to the Intellectual Property. If the Contractor enters into any agreements or subcontracts with other parties in order to perform this Agreement, Contractor shall require the terms of the Agreement(s) to include all Intellectual Property provisions. Such terms must include, but are not limited to, the subcontractor assigning and agreeing to assign to DHCS all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by the subcontractor, Contractor or DHCS and which result directly or indirectly from this Agreement or any subcontract.
- (5) Contractor further agrees to assist and cooperate with DHCS in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce DHCS' Intellectual Property rights and interests.

**b. Retained Rights / License Rights**

- (1) Except for Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement, Contractor shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. Contractor hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose Contractor's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this Agreement, unless Contractor assigns all rights, title and interest in the Intellectual Property as set forth herein.
- (2) Nothing in this provision shall restrict, limit, or otherwise prevent Contractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that Contractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of DHCS or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

**c. Copyright**

- (1) Contractor agrees that for purposes of copyright law, all works [as defined in Paragraph a, subparagraph (2)(a) of this provision] of authorship made by or on behalf of Contractor in connection with Contractor's performance of this Agreement shall be deemed "works made for hire". Contractor further agrees that the work of each person utilized by Contractor in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of Contractor or that person has entered into an agreement with Contractor to perform the work. Contractor shall enter into a written agreement with any such person that: (i) all work performed for Contractor shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to DHCS to any work product made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement.

With respect to inventions made by Contractor in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, Contractor hereby grants to DHCS a license as described under Section b of this provision for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Contractor agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such inventions and to assist DHCS in securing United States and foreign patents with respect thereto.

**e. Third-Party Intellectual Property**

If such a license upon the these terms is unattainable, and DHCS determines that the Intellectual Property should be included in or is required

for Contractor's performance of this Agreement, Contractor shall obtain a license under terms acceptable to DHCS.

**f. Warranties**

(1) Contractor represents and warrants that:

- (a) It is free to enter into and fully perform this Agreement.
- (b) It has secured and will secure all rights and licenses necessary for its performance of this Agreement.
- (c) Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.
- (d) Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
- (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
- (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHCS in this Agreement.
- (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
- (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.

(2) DHCS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

**g. Intellectual Property Indemnity**

- (1) Contractor shall indemnify, defend and hold harmless DHCS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by

Contractor or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.

- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore.   - (2) *If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement,* the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, and/or

An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:
    - (a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or

The DHCS program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
  - f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
  - g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
  - h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
  - i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
  - j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
  - k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

**21. Covenant Against Contingent Fees**

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except *bona fide* employees or *bona fide* established commercial or selling agencies retained by the Contractor for the purpose of securing business. **23. Performance Evaluation**

(Not applicable to grant agreements.)

DHCS may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement. If performance is evaluated, the evaluation shall not be a public record and shall remain on file with DHCS. Negative performance evaluations may be considered by DHCS prior to making future contract awards.

**24. Officials Not to Benefit**

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

(Applicable to agreements in which Information Technology (IT) services are provided to DHCS or if IT equipment is procured.)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. "Four Digit Date compliant" Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

**26. Prohibited Use of State Funds for Software**

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

**27. Use of Small, Minority Owned and Women's Businesses**

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

- (1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.
- (2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.
- (3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.
- (4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.
- (5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

**28. Alien Ineligibility Certification**

(Applicable to sole proprietors entering federally funded agreements.)

By signing this Agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

**29. Union Organizing**

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

- a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.
- b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.
- c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.
- d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

**30. Contract Uniformity (Fringe Benefit Allowability)**

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.
- b. As used herein, fringe benefits do not include:
  - (1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.
  - (2) Director's and executive committee member's fees.
  - (3) Incentive awards and/or bonus incentive pay.
  - (4) Allowances for off-site pay.
  - (5) Location allowances.
  - (6) Hardship pay.
  - (7) Cost-of-living differentials
- c. Specific allowable fringe benefits include:
  - (1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.
- d. To be an allowable fringe benefit, the cost must meet the following criteria:
  - (1) Be necessary and reasonable for the performance of the Agreement.
  - (2) Be determined in accordance with generally accepted accounting principles.
  - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.

## f. Earned/Accrued Compensation

- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.
- (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

31. **Suspension or Stop Work Notification**

- a. DHCS may, at any time, issue a notice to suspend performance or stop work under this Agreement. The initial notification may be a verbal or written directive issued by the funding Program's Contract Manager. Upon receipt of said notice, the Contractor is to suspend and/or stop all, or any part, of the work called for by this Agreement.
- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification shall remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.
  - (1) Upon receipt of a suspension or stop work notification, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.
  - (2) Within 90 days of the issuance of a suspension or stop work notification, DHCS shall either:
    - (a) Cancel, extend, or modify the suspension or stop work notification; or
    - (b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.

- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.
- d. If the suspension or stop work notification is cancelled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification shall require an amendment to the Agreement.
- e. If a suspension or stop work notification is not canceled and the Agreement is cancelled or terminated pursuant to the provision entitled Cancellation / Termination, DHCS shall allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.
- f. DHCS shall not be liable to the Contractor for loss of profits because of any suspension or stop work notification issued under this clause.

(2) To notify DHCS **within 24 hours by email or fax** of the discovery of any suspected security incident, intrusion or unauthorized access, use or disclosure of PHI or PI in violation of this Agreement and this Addendum, or potential loss of confidential data affecting this Agreement. A breach shall be treated as discovered by Business Associate as of the first day on which the breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the breach) who is an employee, officer or other agent of Business Associate.

Notice shall be provided to the DHCS Program Contract Manager, the DHCS Privacy Officer and the DHCS Information Security Officer. If the incident occurs after business hours or on a weekend or holiday and involves electronic PHI, notice shall be provided by calling the DHCS ITSD Service Desk. Notice shall be made using the "DHCS Privacy Incident Report" form, including all information known at the time. Business Associate shall use the most current version of this form, which is posted on the DHCS Privacy Office website ([www.dhcs.ca.gov](http://www.dhcs.ca.gov), then select "Privacy" in the left column and then "Business Use" near the middle of the page) or use this link: <http://www.dhcs.ca.gov/formsandpubs/laws/priv/Pages/DHCSBusinessAssociatesOnly.aspx>

Upon discovery of a breach or suspected security incident, intrusion or unauthorized access, use or disclosure of PHI or PI, Business Associate shall take:

Within 72 hours of the discovery, Business Associate shall submit an updated "DHCS Privacy Incident Report" containing the information marked with an asterisk and all other applicable information listed on the form, to the extent known at that time, to the DHCS Program Contract Manager, the DHCS Privacy Officer, and the DHCS Information Security Officer:
3. **Complete Report.** To provide a complete report of the investigation to the DHCS Program Contract Manager, the DHCS Privacy Officer, and the DHCS Information Security Officer within ten (10) working days of the discovery of the breach or unauthorized use or disclosure. The report shall be submitted on the "DHCS Privacy Incident Report" form and shall include an assessment of all known factors relevant to a determination of whether a breach occurred under applicable provisions of HIPAA, the HITECH Act, the HIPAA regulations and/or state law. The report shall also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If DHCS requests information in addition to that listed on the "DHCS Privacy Incident Report" form, Business Associate shall make reasonable efforts to provide DHCS with such information. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated "DHCS Privacy Incident Report" form. DHCS will review and approve the determination of whether a breach occurred and individual notifications are required, and the corrective action plan.

The notifications shall comply with the requirements set forth in 42 U.S.C. section 17932 and its implementing regulations, including, but not limited to, the requirement that the notifications be made without unreasonable delay and in no event later than 60 calendar days. The DHCS Program Contract Manager, the DHCS Privacy Officer, and the DHCS Information Security Officer shall approve the time, manner and content of any such notifications and their review and approval must be obtained before the notifications are made.

5. **Responsibility for Reporting of Breaches.** If the cause of a breach of PHI or PI is attributable to Business Associate or its agents, subcontractors or vendors, Business Associate is responsible for all required reporting of the breach as specified in 42 U.S.C. section 17932 and its implementing regulations, including notification to media outlets and to the Secretary. If a breach of unsecured PHI involves more than 500 residents of the State of California or its jurisdiction, Business Associate shall notify the Secretary of the breach immediately upon discovery of the breach. If Business Associate has reason to believe that duplicate reporting of the same breach or incident may occur because its subcontractors, agents or vendors may report the breach or incident to DHCS in addition to Business Associate, Business Associate shall notify DHCS, and DHCS and Business Associate may take appropriate action to prevent duplicate reporting. The breach reporting requirements of this paragraph are in addition to the reporting requirements set forth in subsection 1, above.
  
6. **DHCS Contact Information.** To direct communications to the above referenced DHCS staff, the Contractor shall initiate contact as indicated herein. - F. **Patch Management.** All workstations, laptops and other systems that process and/or store DHCS PHI or PI must have critical security patches applied, with system reboot if necessary. There must be a documented patch management process which determines installation timeframe based on risk assessment and vendor recommendations. At a maximum, all applicable patches must be installed within 30 days of vendor release.
- G. **User IDs and Password Controls.** All users must be issued a unique user name for accessing DHCS PHI or PI. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee with knowledge of the password, at maximum within 24 hours. Passwords are not to be shared. Passwords must be at least eight characters and must be a non-dictionary word. Passwords must not be stored in readable format on the computer. Passwords must be changed every 90 days, preferably every 60 days. Passwords must be changed if revealed or compromised. Passwords must be composed of characters from at least three of the following four groups from the standard keyboard:
- Upper case letters (A-Z)
  - Lower case letters (a-z)
  - Arabic numerals (0-9)
  - Non-alphanumeric characters (punctuation symbols)
- H. **Data Destruction.** When no longer needed, all DHCS PHI or PI must be wiped using the Gutmann or US Department of Defense (DoD) 5220.22-M (7 Pass) standard, or by degaussing. Media may also be physically destroyed in accordance with NIST Special Publication 800-88. Other methods require prior written permission of the DHCS Information Security Office.

- J. **Warning Banners.** All systems providing access to DHCS PHI or PI must display a warning banner stating that data is confidential, systems are logged, and system use is for business purposes only by authorized users. User must be directed to log off the system if they do not agree with these requirements.
- K. **System Logging.** The system must maintain an automated audit trail which can identify the user or system process which initiates a request for DHCS PHI or PI, or which alters DHCS PHI or PI. The audit trail must be date and time stamped, must log both successful and failed accesses, must be read only, and must be restricted to authorized users. If DHCS PHI or PI is stored in a database, database logging functionality must be enabled. Audit trail data must be archived for at least 3 years after occurrence.
- L. **Access Controls.** The system providing access to DHCS PHI or PI must use role based access controls for all user authentications, enforcing the principle of least privilege.
