

EDC Probation | #ProbationServicesWeek

Celebrating Community Corrections Excellence

Probation Services Week 2026

Honoring Our Professionals

Probation Services Week aligns with National Pretrial, Probation, and Parole Supervision Week (PPPS Week) which is held annually during the third full week in July. The theme for 2026 is Connected for Change - Building Bridges in Supervision, and continues the tradition of celebrating over 90,000 community corrections professionals nationwide!

01

Statewide Recognition on the House & Senate Floor

Recognized through HR122 and SCR 103

02

Dedicated Professionals in El Dorado County

Our employees are the backbone of community corrections, and our most valuable asset! Leading with integrity, humility, honesty, and equality. Our vision for safe communities through changed lives drives our Mission. Our commitment to providing public safety through collaborative partnerships and innovative practices. We carry out this work with accountability, compassion, respect for human rights, and a commitment to diversity and transparency.

03

2026 Theme: Connected for Change

Building Bridges in Supervision - calls on every community corrections professional to strengthen relationships with clients, communities, and agency partners, driving meaningful change together.
