Subject: Dollar General issues May 13 meeting
To: Edc Cob <edc.cob@edcgov.us>

Good afternoon,

I wanted to share a concern that I have heard. However unconfirmed, that the plan is to widen the road (HWY 49 in front of old town Cool) by taking property from the current owner of the boardwalk. This will result in many lost parking spaces for all of these businesses. I completely agree that it is necessary to widen the road, but doing it by taking property from current businesses to allow Dollar General to come into our little community doesn't seem logical or fair. If this in fact is true, I urge you to reconsider.

I also understand that nothing has been done to deal with the water runoff and drain situation. As one of the owners of the feed store we are at the bottom of the hill. The rain in general can be an issue.

If this developer is allowed to move forward with this plan, (which I since hope not) these plans must be addressed. That plans will be made to ensure that the drains & culverts are being evaluated and updated.

A very concerned resident and business owner.
Carolynne Knisley
