PETITION: BE IT RESOLVED that the first priority of use for the The El Dorado Trail (including the Placerville Branch rail line - 28 miles from the El Dorado/Sacramento County line to Missouri Flat Road) is a class one and multi use trail for hiking, biking, and equestrian use. All other uses are secondary and must not impinge in any way on the access to, development, use, or maintenance of the priority use.
FACT: The El Dorado Trail is a major piece of the cross-state class 1 and multi use trail from San Francisco to South Lake Tahoe.
FACT: The Placerville Branch rail line was purchased under the provisions of the National Rails to Trails Act as a railbanked corridor.
FACT: The Placerville Branch rail line was purchased with taxpayer money.

FACT: There are special interest groups who want to turn over the taxpayer purchased Placerville Branch rail line to private groups for private use.
THEREFORE: We, the undersigned request the El Dorado County Board of Supervisors to adopt the above resolution.

Return to El Dorado Trail - P.O. Box 342 - Rescue, CA 95672 For more information or petitions, contact friends@eldoradotrail.com

PETITION: BE IT RESOLVED that the first priority of use for the The El Dorado Trail (including the Placerville Branch rail line - 28 miles from the El Dorado/Sacramento County line to Missouri Flat Road) is a class one and multi use trail for hiking, biking, and equestrian use. All other uses are secondary and must not impinge in any way on the access to, development, use, or maintenance of the priority use.

FACT: The El Dorado Trail is a major piece of the cross-state class 1 and multi use trail from San Francisco to South Lake Tahoe.

FACT: The Placerville Branch rail line was purchased under the provisions of the National Rails to Trails Act as a railbanked corridor.

FACT: The Placerville Branch rail line was purchased with taxpayer money.

FACT: There are special interest groups who want to turn over the taxpayer purchased Placerville Branch rail line to private groups for private use. **THEREFORE:** We, the undersigned request the El Dorado County Board of Supervisors to adopt the above resolution.

PETITION: To make the extension of the class 1/multi use El Dorado Trail the first priority on the old rail line from Missouri Flat Road to Latrobe.

We, the undersigned, residents of El Dorado County, wish to have a trail ~~run~~ running down the old rail line from Missouri Flat Road to Latrobe. This right of way was purchased with taxpayer money. The rails could be removed by the Iron Horse Preservation Society and graded for free within a few weeks at no cost to the county, providing an excellent walking path, mountain biking trail, and equestrian walk way for the people of El Dorado County. Grants could then be submitted for the further improvement of a class 1 bike path. Please do not give away our instant and free recreational and transportation opportunity to an excursion train without a complete (cost analysis, construction, and financing) trail plan included. The trail is free and benefits the majority. The trail should be the first priority.

PETITION: To make the extension of the class 1/multi use El Dorado Trail the first priority on the old rail line from Missouri Flat Road to Latrobe.

We, the undersigned, residents of El Dorado County, wish to have a trail running down the old rail line from Missouri Flat Road to Latrobe. This right of way was purchased with taxpayer money. The rails could be removed by the Iron Horse Preservation Society and graded for free within a few weeks at no cost to the county, providing an excellent walking path, mountain biking trail, and equestrian walk way for the people of El Dorado County. Grants could then be submitted for the further improvement of a class 1 bike path. Please do not give away our instant and free recreational and transportation opportunity to an excursion train without a complete (cost analysis, construction, and financing) trail plan included. The trail is free and benefits the majority. The trail should be the first priority.

PETITION: BE IT RESOLVED that the first priority of use for the The El Dorado Trail (including the Placerville Branch rail line - 28 miles from the El Dorado/Sacramento County line to Missouri Flat Road) is a class one and multi use trail for hiking, biking, and equestrian use. All other uses are secondary and must not impinge in any way on the access to, development, use, or maintenance of the priority use.

FACT: The El Dorado Trail is a major piece of the cross-state class 1 and multi use trail from San Francisco to South Lake Tahoe.

FACT: The Placerville Branch rail line was purchased under the provisions of the National Rails to Trails Act as a railbanked corridor.

FACT: The Placerville Branch rail line was purchased with taxpayer money.

FACT: There are special interest groups who want to turn over the taxpayer purchased Placerville Branch rail line to private groups for private use. **THEREFORE:** We, the undersigned request the El Dorado County Board of Supervisors to adopt the above resolution.

PETITION: To make the extension of the class 1/multi use El Dorado Trail the first priority on the old rail line from Missouri Flat Road to Latrobe.

We, the undersigned, residents of El Dorado County, wish to have a trail running down the old rail line from Missouri Flat Road to Latrobe. This right of way was purchased with taxpayer money. The rails could be removed by the Iron Horse Preservation Society and graded for free within a few weeks at no cost to the county, providing an excellent walking path, mountain biking trail, and equestrian walk way for the people of El Dorado County. Grants could then be submitted for the further improvement of a class 1 bike path. Please do not give away our instant and free recreational and transportation opportunity to an excursion train without a complete (cost analysis, construction, and financing) trail plan included. The trail is free and benefits the majority. The trail should be the first priority.

PETITION: BE IT RESOLVED that the first priority of use for the The El Dorado Trail (including the Placerville Branch rail line - 28 miles from the El Dorado/Sacramento County line to Missouri Flat Road) is a class one and multi use trail for hiking, biking, and equestrian use. All other uses are secondary and must not impinge in any way on the access to, development, use, or maintenance of the priority use.

FACT: The El Dorado Trail is a major piece of the cross-state class 1 and multi use trail from San Francisco to South Lake Tahoe.

FACT: The Placerville Branch rail line was purchased under the provisions of the National Rails to Trails Act as a railbanked corridor.

FACT: The Placerville Branch rail line was purchased with taxpayer money.

FACT: There are special interest groups who want to turn over the taxpayer purchased Placerville Branch rail line to private groups for private use. THEREFORE: We, the undersigned request the El Dorado County Board of Supervisors to adopt the above resolution.

PETITION: BE IT RESOLVED that the first priority of use for the The El Dorado Trail (including the Placerville Branch rail line - 28 miles from the El Dorado/Sacramento County line to Missouri Flat Road) is a class one and multi use trail for hiking, biking, and equestrian use. All other uses are secondary and must not impinge in any way on the access to, development, use, or maintenance of the priority use.

FACT: The El Dorado Trail is a major piece of the cross-state class 1 and multi use trail from San Francisco to South Lake Tahoe.

FACT: The Placerville Branch rail line was purchased under the provisions of the National Rails to Trails Act as a railbanked corridor.

FACT: The Placerville Branch rail line was purchased with taxpayer money.

FACT: There are special interest groups who want to turn over the taxpayer purchased Placerville Branch rail line to private groups for private use. **THEREFORE:** We, the undersigned request the El Dorado County Board of Supervisors to adopt the above resolution.

PETITION: To make the extension of the class 1/multi use El Dorado Trail the first priority on the old rail line from Missouri Flat Road to Latrobe.

We, the undersigned, residents of El Dorado County, wish to have a trail running down the old rail line from Missouri Flat Road to Latrobe. This right of way was purchased with taxpayer money. The rails could be removed by the Iron Horse Preservation Society and graded for free within a few weeks at no cost to the county, providing an excellent walking path, mountain biking trail, and equestrian walk way for the people of El Dorado County. Grants could then be submitted for the further improvement of a class 1 bike path. Please do not give away our instant and free recreational and transportation opportunity to an excursion train without a complete (cost analysis, construction, and financing) trail plan included. The trail is free and benefits the majority. The trail should be the first priority.
