Event Date/Project timeline: As soon as possible

Website: www.shinglespringscommunitycenter.org

Name of Contact Person: Mary Richardson

Telephone Number: 530-417-4405

E-mail address: mary@mccats.com

Total Amount Requested (Limit: \$5,000): \$5,000

Event/Project Description

1. Describe the purpose of the event/project/organization for which funds are being requested.

The Community Center was built in the late 1940s/early 1950s and the bathrooms reflect their age. Additionally, they are not in compliance with current Americans With Disabilities Act (ADA) and must be updated to better accommodate all our community members. Plus, we could be subject to fines and penalties if a disabled person were to file a complaint with the federal government for our non-compliance. We've been accumulating funding to do this for the past few years, but most of it had to be spent for taxes, insurance, and utilities to keep the center operational during the Covid lock down when we were unable to host events or rent out the facility.

2. How will the event/project support or produce a public benefit to El Dorado County?

Being able to modernize our restrooms and bring them into compliance with current federal regulations (ADA) will allow us to better serve our members and customers by providing them with restrooms which are available and accessible for all. The monies if allotted to the Shingle Springs Community Center will be for the specific purpose of replacement of the water heater.

This is part of the water heater closet project which is part of the larger bathroom renovation for ADA compliance.
