Dear Ms. Amos:

We are pleased to approve the grant application for the Capturing our Stories: the El Dorado County Oral History Project for a total of \$1,579 in federal Library Services and Technology Act (LSTA) funds.

Capturing our community's histories are vital to preserving our local cultures. I look forward to tapping into the stories that you collect and learning more about your community.

In the next few weeks, we will send more information about an upcoming webinar on "Managing your LSTA Grant." It will be time for you to get familiar with the process and ask questions.

The Library Development Services Staff is ready to assist you in making your project a success. Please be aware state processing of grant payments can require 6-8 weeks before you receive your check.

Best wishes for a successful project year.

Sincerely Yours,

Stacey A. Aldrich  
State Librarian of California
