Dear Planning Commission,

I am Spencer Havner, a resident of the Vista Cielo community in Rescue, California. I am writing to express my support for Project: McMann Parcel Split, specifically for Project APN: 102-070-058, which is scheduled for discussion on February 22nd at 8:30 AM PST.

Having had the opportunity to get to know Mr. McMann over the years, I am pleased to welcome him as a valued member of our community. I reside within 1,200 feet of his property line, and I believe that the proposed change from one 10-acre parcel to two 5-acre parcels will bring about positive impacts to our small and unique community.

I appreciate the time and effort you dedicate to these matters and look forward to the upcoming meeting.

Best regards,
Spencer Havner
