Re: Sigma Software License and Maintenance Agreements

Dear Ms. Mullens:

This letter relates to your software license and maintenance agreements with CPS Human Resource Services ("CPS"), and serves as formal written notice to the assignment of your contracts to GovernmentJobs.Com, Inc. dba NEOGOV ("NEOGOVS").

On May 7, 2008, CPS sold its Sigma Data Systems Division ("Sigma") to NEOGOV. The purchase of Sigma by NEOGOV included the assignment to and assumption by NEOGOV of all of the obligations to be performed by Sigma under your contracts according to their terms and conditions. Many of Sigma's employees have become employees of NEOGOV and continue to work out of the Tucson, Arizona office. We believe that this acquisition coupled with NEOGOV's experience, expertise and resources positions NEOGOV to provide you with even greater value.

Any outstanding, unpaid invoices issued by Sigma prior to the close of business on May 7, 2008 are due and payable to CPS at 241 Lathrop Way, Sacramento, CA 95815. Any invoices issued by NEOGOV after May 7, 2008 are payable to NEOGOV at 222 North Sepulveda Blvd., Suite 2000, El Segundo, CA 90245.

Please be assured that you will continue to receive service and support under your present Agreement and that we hope you will receive additional benefits through the sale of Sigma. If you have any questions or desire further information, please do not hesitate to contact either organization at the addresses listed herein.

Very truly yours,

Donald Rose
Chief Financial Officer
