Re: Request for extension of the Franchise Agreement between Waste Connections of California Inc,  
dba Amador Disposal Service and El Dorado County

October 24, 2014

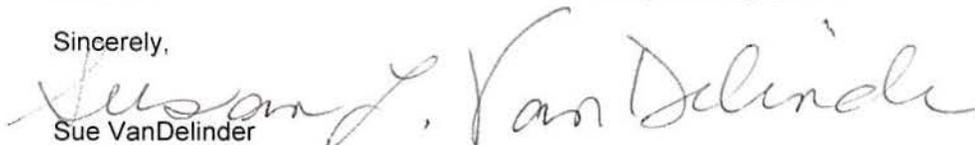

Dear Ms. Silva,

Please accept this letter as our formal request to extend our current contract by one year commencing on January 1<sup>st</sup>, 2015. Amador Disposal Service (ADS) and EMD have been focusing on the El Dorado Disposal contract negotiations and so we need more time to work on ADS. We are currently working with El Dorado County staff to complete negotiations for ADS. We fully expect to have this negotiation completed within the next several months.

Per Section 9, TERM, of the First Amendment of the Solid Waste Services Agreement, this franchise agreement may be renewed beyond December 31, 2014 upon mutual consent of the parties.

We appreciate the opportunity to negotiate to enter into a new agreement. We look forward to completing the process. Please feel free to contact me directly with any questions that may arise.

Sincerely,

  
Sue VanDelinder
