

## RESOLUTION NO. 070-2016

OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO

**WHEREAS**, El Dorado County has partnered with Lake Tahoe Unified School District (LTUSD), Tahoe Regional Planning Agency, Tahoe Metropolitan Planning Organization, the City of South Lake Tahoe, and the Community Mobility Group of the Lake Tahoe Sustainability Collaborative to develop a Safe Routes to School Master Plan for the Lake Tahoe Unified School District; and

**WHEREAS**, the County desires to improve the health and safety of LTUSD students, staff, and their families by encouraging active transportation; and

**WHEREAS**, the County recognizes that increasing public participation in active transportation activities such as walking and biking in the Tahoe Basin enhances the health of the Tahoe Basin ecosystem and also contributes to increasing the clarity of Lake Tahoe; and

**WHEREAS**, since the Safe Routes to School Master Plan is a planning study for possible future actions, none of which the County has approved, adopted or funded, in accordance with Section 15262 of the California Environmental Quality Act Guidelines, County adoption of the Safe Routes to School Master Plan does not require preparation of an environmental impact report or negative declaration;

**NOW, THEREFORE, BE IT RESOLVED** that the El Dorado County Board of Supervisors adopts the Safe Routes to School Master Plan dated July 2015 as the County's planning level document for the implementation of safe, convenient, and more accessible walking and biking opportunities for the schools and other facilities of the LTUSD.

PASSED AND ADOPTED by the Board of Supervisors of the County of El Dorado at a regular meeting of said Board, held the 19th day of April, 2016, by the following vote of said Board:

Attest:

James S. Mitrison

Clerk of the Board of Supervisors
