

**Electronic Recording Delivery System  
Memorandum of Understanding**

**Parties**

This Memorandum of Understanding (MOU) is between the California Department of Justice, hereinafter referred to as the "DOJ," and the County of El Dorado, hereinafter referred to as "County."

**Purpose**

The Legislature passed the Electronic Recording Delivery Act of 2004 (Gov. Code, §§ 27390-27399;<sup>1</sup> "ERDA") to enable counties to electronically accept, record, and return certain instruments affecting a right, title, or interest in real property. Subdivision (a) of section 27397 provides that a "county establishing an electronic recording delivery system [ERDS] . . . shall pay for the direct cost of regulation and oversight by the Attorney General." The purpose of this MOU is to memorialize the parties' understanding of how these costs are calculated and apportioned.

**Acknowledgments**

The parties acknowledge that under the ERDA, certain statutory duties must be performed before a county puts its electronic recording system into operation. For example, the Attorney General must evaluate and certify the ERDS selected by each county (§ 27391(a); § 27392(a)); "approve software and other services" (§ 27392(b)); establish a list of approved computer security auditors (§ 27394), conduct criminal background checks (§ 27395); certify that each county's submission method will be secure (§ 27397.5(d)); and may, from time to time, "adopt regulations for the review, approval, and oversight of electronic recording delivery systems" (§ 27393(a)). These duties entail costs which cannot be adequately recouped through the collection of recording fees authorized in section 27397. Each participating county is responsible for paying, among other things, its proportionate share of the costs of developing, operating, and monitoring its ERDS. (§ 27397(a).)

<sup>1</sup> All statutory references are to the Government Code.

## **Agreement**

The DOJ and County hereby agree that County will pay the DOJ for the County's proportionate share of the DOJ's direct costs for regulation and oversight, as specified in the ERDA,

### **General Provisions**

County agrees to pay the DOJ for the County's proportionate share of the direct costs of carrying out the DOJ's obligations under the ERDA, which costs may include all or part of the following: staff, consultant, and vendor costs for program development and implementation including hearings, meetings, travel, site visits, minutes, mailing, legal review of regulations, procedure and forms development, advertisement, and drafting, review, and approval of regulations. Extensions of this MOU beyond the first year will be made by addendum to the MOU. This will allow the DOJ to issue a new estimated cost figure, via the Letter of Intent process, for the next fiscal year that includes the cost of regulation and oversight without requiring the parties to sign a new MOU. The County's estimated cost calculations for succeeding fiscal years will be prepared by DOJ and will follow the annual Letter of Intent process.

### **Cost to County Formula**

The direct cost of developing and adopting regulations, and the costs of regulation and oversight under the ERDA, are allocated to each county based upon the total number of documents recorded and filed the previous year, as reported to the Office of the Insurance Commissioner. (See § 27296.) The formula to determine a county's proportionate cost is set by the total documents recorded and filed per individual county, divided by the total documents recorded and filed by all participating counties. The percentage figure obtained for each county is applied to the estimated annual costs of the Attorney General to arrive at an individual county figure.

### **Cost of the Attorney General**

The estimated costs of the Attorney General are those costs projected to be incurred in the next fiscal year, as well as the costs actually incurred to date. County agrees to pay the DOJ for actual expenditures incurred and in accordance with the final costs identified herein, which is attached hereto and made a part of this MOU. The County shall annually provide to the DOJ the total documents recorded and filed as reported to the Office of the Insurance Commissioner for the previous year. (§27296.) The DOJ shall issue an annual estimated cost to the County based on the Cost to County Formula. The final cost to the County will be incorporated herein by reference.

### **Payback and/or Carry Over**

If the actual costs exceed the estimated costs, the following year's estimated direct costs will be adjusted to capture the additional costs; the following year's estimated costs along with the previous year's adjusted amount will then be used as the base for redistribution to each participating county. If the total actual costs are less than the estimated costs, the following year's estimated direct costs will be adjusted to capture the decreased costs; the following year's estimated costs along with the previous year's adjusted amount will then be used as the new base for redistribution to each participating county.

### **DOJ Reporting**

The DOJ shall report to the County every ninety (90) days on the expenditures made by the DOJ to carry out its statutory obligations under the ERDA.

### **Payment**

County shall pay to the DOJ a lump sum of the final proportionate cost owed by the County, as incorporated herein by reference, toward the direct cost to be incurred by the DOJ. Payments to the DOJ shall be deposited in the Electronic Recording Authorization Account, which is hereby created in the Special Deposit Fund.

### **Payment Method**

Upon receipt of the signed MOU from each county, the DOJ representative will sign and return a copy of the MOU to the county representative as identified herein, for their records. A copy of the signed MOU will be forwarded to the DOJ accounting office, which will generate an invoice for payment due. Upon receipt of the invoice, the county will send the said lump sum payment along with the bottom portion of the invoice to the address as referenced in the MOU and on the Invoice.

Payment shall reference the invoice number and customer number and shall be made to:

Accounting Office, Cashiering Unit  
PO Box 944255

### **Term**

The term of this MOU will be from the date this MOU is signed by the DOJ and County MOU representatives until the end of Fiscal Year 2018/19. An MOU will automatically renew unless one or both parties object or there are modifications to the MOU which would require mutual agreement and signatures by both parties.

A County Recorder reserves the right to terminate this MOU upon thirty (30) days written notice to the DOJ. Refunds of payment toward regulation and oversight will be prorated as incurred in the fiscal year at the time of termination. Upon termination of the MOU, without the mutual intent of the parties to renew, the County Recorder shall cease operation of its ERDS.
