To Supervisor George Turnboo,

As a new resident to Pollock Pines I am against the proposed homeless shelter at the Best Western site.

There is currently only one place in Pollock Pines for visitors to stay. By taking making the Best Western a homeless shelter limits choices for family members that come to visit. It also brings a large homeless population to a small city trying to grow and prosper.

Please pull the consent for this measure.

Thank you,

Ray Hammer

If you're trying to dump on Cameron Park all of the El Dorado county mandates...look at what happened in Rio Linda, Orangevale, south sac. Are you sneaking this in or putting to public discussion?

We are 35 year residents and business owners in EDC and live in Pollock Pines at 5965 Pony Express Trail- right across from the Best Western

We disagree that hotel should be a permanent homeless dwelling- there are not the needed services for the homeless in Pollock Pines

Please remove this item from the consent calendar

Dear Supervisor George Turnboo;

As a Concerned Citizen of Cameron Park (CCOCP), I insist you FIGHT against the Best Western conversion into a non-congregate homeless shelter funded by the County.

The bigger concern here is whether or not this is the right solution and if it will be a county wide initiative for hotels like Quality Inn and Motel 6.

Please pull and fight against this item on the consent calendar Tuesday July 27th.

We are already facing disgusting and dangerous situations here... I won't even go to Cameron Park Drive to grocery shop anymore because I refuse to get hassled by lawlessness and crazy. The rundown, one-Star motels in Cameron Park are certainly a draw for danger.

This will not end the cycle of homelessness as it is intended, but rather perpetuate it.

This would not be a good thing if it were to happen to Cameron Park. We are already treated as the red-headed stepchild along highway 50 and it needs to stop.

I have a very compassionate heart, and I also refuse to be stalked and threatened at my local grocery store. I want to shop local but that whole area is dangerous due to tragic human conditions.

Please fight against this further incursion into the rights of Cameron Park residents. Put it in EDH. On the Nextdoor platform, this is a make or break for reelection issue for you.

Angrily,

Tiffany Rolston  
Cameron Park

I feel strongly that this item should be removed from the consent calendar for July 27th. This item is not in the best interest of the public, especially those who live near or own property near the proposed location of the Best Western in Pollock Pines.
